Observance of the Father of the Nation's Birth Centenary

Hon'ble Prime Minister, Sheikh Hasina, Launching much awaited Mujib Borsho Celebration

The year-long celebrations marking the 100th birthday of Father of the Nation Bangabandhu Sheikh Mujibur Rahman, the architect of independent Bangladesh, got underway throughout the country on 17th March, 2020. As this year marked the birth centenary of the Father of the Nation, with the Government already defining the year as "Mujib Borsho" the whole nation basked into a rejuvenated mark of jubilation and so did Bangladesh Public Administration Training Centre. With a view to smooth celebration of the birth centenary at the national level; the government has formed a 102-member national committee headed by the Hon'ble Prime Minister Sheikh Hasina to manage, supervise and administer the overall activities taken nationally.

Keeping consistency with the national program, BPATC has taken manifold activities to celebrate the 17th March, birthday of Bangabandhu as well as the 'Mujib Barsho' and also observed the 17th March with colorful and festive mood. This Centre commenced this historic day with hoisting of the national flag with the rise of the sun in presence of the respected Rector along with the faculty members and officials of the Centre and the participants of various courses. Then the placement of floral wreaths on the portrait of Bangabandhu was taken place following the day-long activities set previously.

Torjoni: a pathway to our freedom

Candles of Torjoni Ignited to Remove Darkness

One of the memorable efforts among the activities taken by the Centre to observe the "Mujib Borsho" was to establish "Torjoni", a souvenir in honor of the great leader father of the nation Bangabandhu Sheikh Mujibur Rahman. Various components of the sculpture demonstrate different essence relating to the life and philosophy of Bangabandhu along with the history of the liberation war of Bangladesh. The index finger (Torjoni) of the Father of the Nation represents the Freedom of the Nation. Above all, this sculpture contains 20 candles and each of the candles metaphorically stands for five bright years of the leader signifying hundred years altogether. There are six parallel candles in the middle represent the Six Point movement. Walkways to Torjoni (Red) are the struggles and hurdles of the Father of the Nation during the journey up until Freedom. Seven candles in one side represent the 07th March 1971 as the call for Freedom. Finally, flowers blown in both sides of the walkway to Torjoni is success achieved out of struggles of the Father of the Nation.

Commemoration of the National Mourning Day

15th August 1975 marks the nefarious chapter of our bright history, for on that fateful day not only did we lose our father of the nation and his family members in one of the most pusillanimously heinous acts of cowardice by some derailed and degenerated evil forces belonging to the anti-liberation group but also the sun of our bloodstained freedom got eclipsed for a long time leaving the nation in the gloomy darkness of chaos and confusion.

As the nation dips into profound sadness on this day every year, BPATC charts some programmes to commemorate the day with due respect and solemnity. But this year due to the pandemic, BPATC offered

To materialize the long term visions such as- Vision 2021, Global Agenda SDG 2030, Vision 2041 and Delta Plan 2100 etc. of the government into reality; it is very crucial to overcome the long term policy challenges, to determine the policy goal and to formulate the integrated development policy along with the intensive collaboration and coordination with the ministries related to the development. This policy dialogue definitely will play a significant role in making a strong platform to realize, realign, formulate and implement the long-term policy initiatives mentioned earlier.

Commitment for conducting mandated training courses

Resumption of 94th SSC & 129th ACAD

Due to the onslaught of the COVID – 19 – a highly contagious and deadly virus, the human civilization came to a stand-still. As per the instructions propagated by the Government, BPATC also had to comply by stopping all its academic activities during the initial period of the outbreak - later phase of March 2020 to be exact. Thus 94th Senior Staff Course (SSC) designed for Joint Secretaries and officers of the equivalent rank from Armed Forces and 129th Advanced Course on Administration and Development (ACAD) designed for Deputy Secretaries and officers of equivalent rank from the Armed Forces were also postponed in the mid-way to flatten the curve of the pandemic.

After a break of almost five months, the courses mentioned above recommenced on September 06, 2020. Under the able guidance and apt supervision of the Rector of the Centre, so much ground work was done and a detailed work plan was chalked out to ensure the safety and security of the officers coming to take part in the courses. Social distancing, wearing protective gears, abiding health protocols and maintaining hygiene etc were strictly monitored by the Course Management Teams.

Re-opening of 94th SSC and 129th ACAD

The reopening programme was held in subdued fervour owing to the prevailing situation that demanded complete abstinence from any social assembly and human to human contact. Shaikh Yusuf Harun, Secretary, Ministry of Public Administration graced the occasion as Chief Guest while Dr. Md Humayun Kabir, Additional Secretary, Ministry of Public Administration was present as Special Guest. The event was chaired by Mr. Md. Rakib Hossain, ndc, Secretary to the Government and Rector of the centre.

Completion of the 70th FTC through online

Hon'ble Prime Minister, Sheikh Hasina, Delivering her Speech in the 70th FTC Certificate Awarding Ceremony

70th Foundation Training Course designed for the entry level civil service officers was scheduled to be held from 27th October 2019 to 23rd April 2020. But due to the outbreak of the novel Corona virus, the course was postponed on March 22, 2020. However, after a considerable lull in all activities, Ministry of Public Administration (MoPA) with the kind consideration of honorable Prime Minister Sheikh Hasina issued an instruction to complete the remaining part of the course through online.

As decided, BPATC under the pragmatic leadership of its Rector, chalked out a well planned scheme to finish the incomplete segment of the course online. The CMT uploaded all the contents, referencing, sessions so far held and assignment submission guidelines etc on ERP so that participants might not face any trouble in preparing themselves for the daunting task. As many as 663 participants from BPATC and other institutions were asked to enter into ERP to take part in the evaluation. The CMT in collaboration with MoPA left no stone unturned to make sure that the standard of BPATC would not be compromised. A threadbare evaluation was done and a merit list was prepared accordingly as per the norms of BPATC.

The Certificate Awarding Ceremony was held on 15th October 2020 and Hon'ble Prime Minister, Sheikh Hasina, graced the event online.

Bangladesh and the world are celebrating the Birth Centenary of the greatest Bengali of all the time, the Founder of the Bengali nation-state and Father of the Nation Bangabandhu Sheikh Mujibur Rahman.
