Message

I am indeed delighted to learn that the participants of the 4th Special Foundation Training Course for the Department of Registration Officials are going to publish a souvenir showcasing their sweet memories, experiences at BPATC- a centre of excellence and an alma mater for many legends of the civil service domain. Such a pragmatic initiative, I believe, would encompass and cascade the treasures and activities they adroit through the course. I hope their souvenir would create values to strengthen the acquaintances amongst them and also with the future members. Registration as the age old and leading department, works with scarce land of the country. For that matter, the sub-registrars play a crucial role in collecting revenue and creating and managing records of rights and delivering such land related invaluable services more efficiently, effectively and transparently.

I believe, the Centre became instrumental in honing adequate knowledge and chiseling the skills that government officials of Bangladesh desperately require at this ever changing global context. I also believe that all the participants will apply their added knowledge and experience in their respective areas for attaining vision-2041 and Sustainable Development Goals.

I firmly believe that this souvenir will always inspire them to be the best. I also believe that they will help build 'Sonar Bangla,' the long cherished aspiration of the Father of Nation Bangabandhu Sheikh Mujibur Rahman.

I would like to extend my sincere appreciation to all participants for their invaluable and generous support for successful completion of the course. We know that union of many kind leaves memories so unique and untuned that keep as for remembering for a long time.

I am, therefore, pleased to congratulate and put on records sincere thanks to all the participants for their sincere efforts engagement in this candid, creative and aesthetic endeavor of publishing the souvenir in spite of their busy course works and hectic schedule.

I wish them all success in professional as well as personal life.

Message

I am very glad to know that participants of the 4th Special Foundation Training Course for DoR Officials are going to publish a souvenir named ‘Spondan’ to cherish their memories of the two-month training period. I appreciate their efforts to preserve these memories in a form of souvenir despite their rigorous schedule of the course.

Graduating from lower middle income country to middle income country within 2021 is upcoming a crucial challenge for our country. This needs readiness in all sectors, but foremost, it is essential for the public sector. Officials from Department of Registration can contribute a lot in this regard. I hope the learnings from this course would help them to provide better services to the people of this country.

Finally, for this praiseworthy effort, I would like to take the privilege to offer my thanks and gratitude to the souvenir Committee of the 4th Special Foundation Training Course for DoR Officials on behalf of the Course Management Team.

I wish them every success in their professional and personal life.

Message

It is great pleasure to be a member of souvenir committee of the 4th Special Foundation Training Course for DoR. Souvenir is a symbol of our remembrance. In this souvenir we tried to frame our training period at BPATC. I believe it is our little endeavour to recall our different types of activities.

On behalf of the souvenir committee, I would like to give my heartiest thanks and deepest gratitude to the Rector Dr. M Aslam Alam, course advisor Syed Mizanur Rahman ndc, course director Kazi Hasan Imam and all course co-ordinators and liaison officers for the invaluable advice, directions and overall participation in publishing this souvenir. I would like to thanks to our beloved senior colleagues for their advice and logistic supports.

Publishing a souvenir is a journey. In this journey we get the spontaneous support and assistant of our all participants. But the phase goes on “to err is human”. In this limited timeframe we tried to give best efforts to ensure the quality works. If any mistakes found, we are sorry for such unexpected errors. Keep us in your sacrificing mind.

Brief History of Bangladesh Registration Service Association (BRSA)

Md. Rabiul Islam

Introduction

Bangladesh Registration Service Association (BRSA) is a non-political, non-profit organization. All officers of Registration Service are members of this association. The only association representing Sub-Registrar and above officials aims at fostering communication and cooperation among the members of the association. Another aim is to create a bridge between the association members and the general mass. The association has achieved a lot, yet it has a long way to walk.

History of BRSA

Like the Department of Registration, the Bangladesh Registration Service Association (BRSA) is an age old body. In the Indian Regime, the organization started functioning in the Indian subcontinent called "Bengal Registration Service Association". After the partition of India in 1947, it was converted to East Pakistan Registration Service Association. The Association constituted a constitution in the annual general meeting held on 24 October 1955 in Dhaka. Since formation, it has been working to for meeting the legitimate demand of its members.

Members

A new memorandum was adopted on 23rd August 1996. According to the memorandum all officers of Registration Directorate from Sub-Registrars to highest rank are members of this association. The President and all other office-bearers of the executive committee shall be elected in accordance with the constitution. However, the present President of the association is MD Ziaul Haque, District Registrar, Kishoreganj. Whereas Mr. Sheikh Kaosar Ahmed, Sub-Registrar, Shyampur, Dhaka is the Secretary General.

Goals and Objectives

According to the memorandum adopted on 23rd August 1996:

The Goals and Objectives of Association are:

- a) To maintain professional, financial, social rights and privileges of members.
- b) To maintain and develop salary, allowance, dignity, opportunity, social welfare and status of members.
- c) To build and maintain proper communication between authority and members for securing all stakes of members.
- d) To endeavor the development of the gradation of Registration Service.
- e) To provide the job security of members. To ensure the terms and conditions of service and reserve other related rights
- f) To take the legal action for securing legitimate and lawful rights and privileges of members.
- g) To build welfare fund for the members and their dependent. And to assist the members for their crisis situation and for their widow, children and other dependent after their death.
- h) To assist member's wife, children and dependent to secure their legitimate rights and privileges.
- i) To recommend and request toward appropriate authority for the amendment of law and regulation as well as the development of this department.
- j) To enhance cooperation and solidarity among the members.
- k) To maintain cooperation and solidarity with other similar professionals and their

associations and to be united with these associations for developing professionalism and public service.

The Activities of Association:

- a) To arrange and venture any kind of legal activities for acquiring legitimate demand of the members for overall developments and to submit memorandum to appropriate authorities.
- b) To arrange conference and meeting for making decisions regarding any evolved situation and for the augment of cooperation.
- c) To publish journal and periodical for the appeasement and enhancement of knowledge of the members.
- d) To arrange picnic, sports program, cultural events for the athletic and cultural improvement of members and their dependents.
- e) Association will associate with several government indicated public welfare activities such as tree plantation, environmental conservation, public education, family planning and resource development for the quest of national development.
- f) This association will formulate program for assisting and cooperating the victims of famine, epidemic, drought and other natural disasters.
- g) To take any other activities for achieving the goals and objectives of the association.

Expectation from BRSA

Members of the association expect many from it. Among them the following are

- a) Encadrement is a must for upgradation of the service. As the second highest revenue earners, the officers deserve it. The BRSA is expected to lobby for it.
- b) Department of Registration is yet on paper. Recruitment in the post of AIGR, DIGR and

Add. IGR is a must for real functioning of it. The BRSA is expected to work for it.

- c) Officers are being harassed by different entities. Legal protection is a must for them. The BRSA should be more active in it.
- d) Awards like Sub-Registrar of the Year, District Registrar of the Year may be introduced to encourage the officers.
- e) The District Registrars should have the power of deed cancellation.

Conclusion

Bangladesh Registration Service Association (BRSA) as the only association representing Sub-Registrar and above officials should be more active in meeting the logical demands of its members. Though Department of Registration (DoR) is the second highest revenue earner, it remains neglected. The officers deserve encadrement. Again recruitment in the post of AIGR, DIGR and Add. IGR should be as early as possible.

The Lost Boy

Md. Sahadat Hossain

I am really shocked to know the lot of the boy. Is it possible!!! I find no way to console myself.

I saw him from his infancy. There is no doubt; he is a naughty fellow who doesn't care the natural order of the society (what we mean by etiquette).

However, I remunerate his funny doings which still supply me with unmixed pleasure, enchant my heart. He paid visits to my house regularly since he was three. I did never feel irritating by his interviews or it seems to me I expected him in my leisure. Whenever I find him, even here and there, I asked him the same queries about the name of his mother and his elder brother. He always comically and untiringly answered that his brother's name is "*Rabbi-chora*" (King of thieves). I inquired for the reason he explained "mother called him so". In answer about his mother, he loudly and proudly and with so also humorously declared she is "*Mina, the Mina Cartoons*". Never did he felt bored with my queries, nor did I miss the comic pleasure arisen by the answers.

He wondrously and amazingly acted his favorite professions. Sometimes he became a fisherman, sometimes a hawker with their manner of talking and professional behaviors respectively. Last month, I along with my family attended a wedding ceremony. Suddenly, I met him. He came and asked me to offer him for Mojo (a native cola brand of soft drinks). I was playing with him to tantalize. I took him to a fast-food shop but I tried to persuade him not to take Mojo rather to take anything else (even though it is ten times costlier than that). But he is adamant and unflinchingly demanded his desired Mojo. I declared that I will provide him anything he

desired but Mojo. He also declared he demand nothing but Mojo.

He continues his nonsensical activities to glue with me. Now, I observed that his way of knocking for a Mojo became a torture for me. So, I was completely surrendered to his demand and getting his desired Mojo. His pleasure was like a wooing lover just getting the hand of his beloved.

But today unexpectedly, I feel enormous pain to tolerate these incidents. No, I couldn't attend there.

I heard that, he was a popular entity in his local area for his humorist job at the age of six. How he can do this. Oh, the name of this boy is Reshab. I found his popularity for his unusual doings.

However, today he was really good boy which is not resemblance with him. After the tuition from his teacher, he got permission to play at the roof of his house. He played as usual. After 20 minutes, he screamed "Somebody helps". The other boys of the roof thought, he played the game. They didn't play to him.

He unconsciously touched the electric cable. The other fellows failed to understand the situation. None of the came forward to help him rather the boys laughed at him. Then one of them realized and tried to stop the electricity. So far as I know, her mother got the news and fled there. But to her utmost surprise, she found him senseless. The people of the area gathered to cure him to manage him to send hospital. The doctor immediately sent him to the operation theatre.

After some moments, a doctor came out and suggested them to make the body of the boy to leave the hospital immediately. Otherwise, the boy would have to suffer from different procedure.

Other local people including his mother very emotionally denied the findings and took him to another hospital believing to have positive result surely.

Oh! I am soaked with tears. It's rolling down through my cheek. I failed to march forward.

আত্মসম্মান

ফারহানা আজিজ

আজ মতি মিয়ার খুব অস্বস্তি লাগছে। পিচিক করে একদলা থুথু মাটিতে ফেললো। রাস্তার পাশেই একটি কড়ই গাছ। মতি মিয়া গাছের ছায়ায় গিয়ে বসলো।

হঠাৎ কেউ ডেকে বলল “ও মতি কই যাইতেছো?”

মতি চারপাশে চমকে তাকায়ে দেখল কেই কোথাও নেই। আর ইদানিং এই ভাবে কেউ তাকে ডাকেও না।

ভালোই বয়স হয়েছে। কেউ মুরব্বী বলেও ডাক দেয়। আবার কিছুক্ষন পর মতি মিয়া একই ডাক শুনতে পায়। “ও মতি কই যাইতেছো?”

এবার কণ্ঠস্বর ও যেন পরিচিত লাগছে মতি মিয়ার কাছে, আরে এ যে তার নিজের কণ্ঠস্বর।

কিছুক্ষন থম মেরে থেকে মনে মনে হেসে উঠলো মতি, “কই যাইতাছি, হেইডা তো তুমি জানোই, আবার জিগাও কি ল্লাইগ্যা, খোন্দকার বাড়ীত যাইতেছি।”

বেশ দূরে চায়ের দোকানে চোখ গেল মতি মিয়ার, কিছু যুবক ছেলেপেলে মনে হচ্ছে গল্প করছে চা খাচ্ছে।

অনেক দিনের পুরনো স্মৃতি আজ মনে ভেসে উঠছে মতি মিয়ার। এই বয়সে সে পারকরে এসেছে। তার ছেলেটা পানিতে ডুবে না মরলে আজ মনে হয় এ রকম যুবক বয়সী হতো। বড় সাধ করে ছেলেটির নাম রাখছিল মানিক। মানিকের হয়তো বিয়ে হলে ছেলেপুলেও হতো। মতি মিয়ার আর দাদা ডাক শোনা হল না তাতে কি দুই মেয়ের ঘরে নাতি নাতনী আছে। তার নানা ডাকে বড় মেয়ে আমিনার বেশ গৃহস্থ ঘর, জামাইটা লেখাপড়া না জানলেও বেশ চাষাবাদ করছে। মাছ চাষ করে ভালোই চলছে। ছোট মেয়েটাকে ডিগ্রী পাশ ছেলের সাথে বিয়ে দিয়েই যেন ঝামেলা। এই ছোট জামাই এর চাকুরীর জন্য মতি মিয়া খোন্দকার বাড়ী যাচ্ছে।

আশে পাশের লোকজন বলতো আর যাই হোক না কেন মতি মিয়ার মান সম্মান আছে। কষ্টের দিন গেছে কত মতি মিয়ার। তবুও হাত পেতে কিছু নেয় নাই মতি।

আর এখন সুখের দিনে মতি যাইতাছে হাত পেতে কিছু নিতে। এখন মাসে হাজার দশেক টাকা মুক্তিযোদ্ধা ভাতা পাচ্ছে সে। বুড়ো বুড়ীর ভালোই দিনকাল যাচ্ছে।

তবুও বুড়ীটাও যেন ইদানিং খ্যাচ খ্যাচ করে বলে, “একটু যাও, খোন্দকার বাড়ীতে, মুক্তিযোদ্ধাগো লাইগ্যা খোন্দকার সাব কিছু না কিছু দিতেছে, সব মুক্তিযোদ্ধারা নিতেছে, তুমি নিলে কী হইবো?”

মতি একবার আনমনে ছোট জামাই এর কথা ভাবে পোলাডা কেমনে ডিগ্রী পাশ করছে। একদিনের ঘটনাম জামাই মতি মিয়ারে বলে “বুঝলেন আঝা আপনে তো সামনে থিকা যুদ্ধ

করছেন। আর আমি এক ছিনতাই কারীকে ধাক্কা মাইরা দৌড় দিছি। ছিনতাই করীর হাতে চাক্কু আছিল। আপনার যুদ্ধকরণের লগে আমার ব্যাপারটাও মিল আছে তাই না আঝা?”

মতি মিয়া শুধু নিঃশ্বাস ফেলছিল।

যদিও মতি মিয়া সেদিনের দিনগুলো মনে করতে চায় না। তবুও ভুলতে পারে না। মতি মিয়া তখন মহেন্দ্র গঞ্জে ক্যাম্পে। শুধু দুই দিনপর শুনছিল বাড়ীঘর জ্বালায়ে দিসে পাক বাহিনী। যুদ্ধ শেষে সব ফিরে পাইলেও বড় ভাইটারে আর পায় নাই।

মতির বুক জমাট কষ্ট। আজ যেন শরীরেও খুব অস্বস্তি। আবার একদলা থুথু ফেললো মতি। নাকি তিনবছর আগে রোজার ঈদে পাওয়া পাঞ্জাবিটা পড়েই এতো অস্থির লাগছে। শরীরে যেন ঘামও হচ্ছে খুব। কিন্তু বাইরে বেশ বাতাস।

এর মধ্যে মতি আবার শুনলো সেই ডাক “কি মতি যাইবা নাকি খোন্দকার বাড়ীত, জামাই এর চাকুরীর লাইগ্যা?”

চমকে তাকিয়ে কাউকেও পেল না মতি, কড়ই গাছের নীচে বসেই মতি ভাবছিলো সেই পুরনো দিনের কথা।

মতি যেন বিড় বিড় করে কিসের হিসাব করছে। আর বলছে খোন্দকারের এহন মেলা ট্যাকা। গরীব মুক্তিযোদ্ধা গো বহুত ট্যাকা দেয়, সাহায্য করে, চাকুরী নিয়া দ্যায়, কিন্তু সেই পুরনো কথা তো মতি মিয়া ভোলে নাই।

একাত্তরে মতি মিয়ারা যখন ট্রেনিং করেতেছে তখন একদিন এক চৌদ্দ বছরের এক চালাক চতুর ছেলে যুদ্ধের ট্রেনিং সেন্টার এ আসলো। ছেলেটা ছোট হলে কি হবে বেশ বুদ্ধিদীপ্ত। সবার কথা শুনতো, ফুট ফরমায়েশ খাটতো, তাদের দলের গোপন সব তথ্য জানাতো, এমনকি কোথায় কোন অপারেশন হবে সেগুলোও সেই ছেলেটা জানতো।

একদিন এক গুরুত্বপূর্ণ অপারেশনের সকাল বেলা দেখে সেই ছেলেটা আর নাই।

পাকা মিলিটারী ক্যাম্পে সব জানায় দিছে এই ছেলেটা।

মতি মিয়া মনে করতে থাকে যুদ্ধদিনে তাদের কতো ক্ষতি হইছে ওই ছেলেটার জন্য, আর ওই ছেলেটা পাক আর্মীগো লগে লুটতরাজ করছে। এডাই হলো সেই খোন্দকার.....

আবার মতি মিয়া হঠাৎ শুনতে পায়, “কি, মতি যাইবা নি খোন্দকার বাড়ীত?”

এবার মতি কড়াই গাছের নীচ থেকে সটান দাঁড়িয়ে উঠে। যেন শক্তি ফিরে পায় সেই একাত্তরের। চোখে চিক চিক করে ভেসে ওঠে যুদ্ধদিনের কথা। কোন কিছুকেই তোয়াক্কা করেনি অকুতোভয় মতি মিয়ারা.....

মতি মিয়া বাড়ীর পথে হাঁটতে শুরু করে আর ভাবতে থাকে “আর যাই করি, দ্যাশের মাটির লগে কোন বেঙ্গমানী করুন্না না।

এখন আর পাঞ্জাবী গায়ে মতি মিয়ার অস্বস্তি লাগে না। বরং বাতাস টা যেন বড় মিঠা লাগে মতি মিয়ার কাছে।

Death of a Dream

Md. Sahadat Hossain

It is a story of a poor rickshaw puller named Babul. He has a daughter of seven years named Jarina. In summer, the man found his daughter very sick. It was a very hot day. His wife told him to do something better for their daughter. He was surprised that his daughter was ok in the last night. He bought a doll for Jarina. She was tremendously happy for getting the doll because she wanted it for Pahela Boisakh. But Babul couldn't buy in that time for its expensive demand. He loved his daughter more than his life. He had a dream that her daughter would bring happiness in his life. He wanted to see his daughter as a doctor.

He always wanted a fresh smile from her daughter in anyhow. But for his impoverished condition, he couldn't fulfill all the demands of his little angel. In the last year, he admitted his daughter in the nearest school. The headmaster of the school admired the girl for her outstanding success in the examination.

In the beginning of the day, Jarina felt fever and was continuously vomiting. For her sickness, she was compelled to come back from the school. Her mother waited for her husband. In the evening Babul came back. He thought what to do. Her wife poured water on the head but it didn't work. Her wife started crying for the girl.

In the next day, some of Babul's neighbours saw Jarina. They suggested Babul to visit Baba's Dargah at Mirpur. They told that some evil spirit took shelter on Jarina's body. Babul couldn't believe it. But her wife insisted him on going

there. He wanted to go to the hospital but his neighbors requested to go Dargah. At last he agreed and went to Mirpur.

In the Dargah, they found a Baba who claimed a powerful man. Baba noticed Jarina very carefully and told that she had a serious problem. But Baba would cure her because he knew how to control the evil spirit. By punishing a little bit, Baba gave some medicine. Jarina couldn't speak a single word because she felt very weak. A fellow of Baba told that Baba had a great power to give live on the dead body. Again he told that if he followed the advice of Baba her daughter would get well soon.

Babul tried his best to follow the advice of Baba. Even he didn't go to outside because her wife might forget the advice of Baba. Unfortunately, Jarina's health was deteriorating day by day. Her body became yellow and her eyes were also yellow. Jarina couldn't take any food. Her headmaster came to visit her. He found Jarina a half dead body. He asked for the treatment. After hearing the treatment, he became furious and convinced them to hospitalize the girl. Babul and his wife quickly went to the hospital. The doctor advised them to hospitalize the girl. They gave some test to examine the disease. Babul took a loan from his rickshaw owner and diagnosed her daughter. In seeing the report, the doctor became astonished that she had 25 bilirubin. Her jaundice was uncontrolled. Her liver also affected badly for its excessive bilirubin. The doctor tried a lot to cure the girl but her condition was deteriorating day by day. At last the doctors suggested them to pray for the girl. They had no way to cure her. Babul's wife started crying and fainted after a while. Babul was shocked and lost his sense. After few minutes, he thought that it was a bad dream for his life but he found him in the hospital. He looked around but found darkness in everywhere. In the mean time, he thought how he regained her daughter. He waited for a miracle which would return his child. He instantly thought whether he would go to Baba's Dargah or not. He thought and thought.

4th SFTC: Some Evanescent Memories

Minhaj uddin

It was like a bolt from the blue.

The sun was shining brightly in the sky of Meghna upazila . The sun-shine was scintillating on paddy-fields and on river.

Both the green-yellow-golden shaded paddy fields and silvery water were being undulated by a breeze, smeared with ripe-paddy's sweet scent.

But, I had no time to enjoy the eye soothing scene and the mind-blowing wind.

I was sweating, behind a massive heap of deeds. Surrounded by restless crowd at *ejlas* and paying them heed.

Suddenly my phone rang.

It said, I was selected for two-month-long training course at Bangladesh Public Administration training centre (BPATC)".

I had barely a week before course starting date July-11, before I had no clue. So, the news came

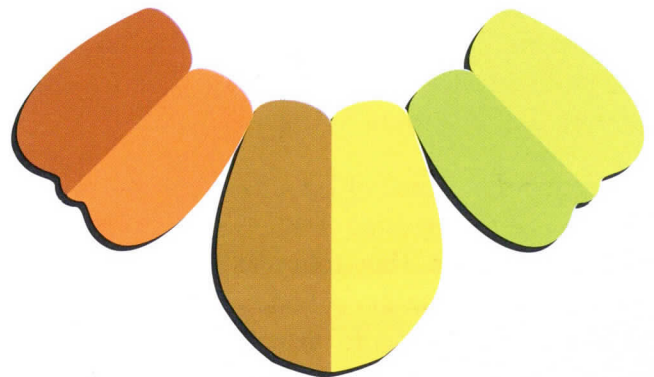

to me like a bolt from the blue.

But, I was direly tired with work and was eagerly awaiting a respite. I opted for training.

On July 11 evening, at BPATC it was a get-together of 29 sub-registrars.

Next, the daily schedule of training started with a maddening mad-alarm (Pagla-ghonta), declaring that it's time to join morning-work-outs. Which is comprised of walking, yoga, and other light exercises, from 5:30 to 6:30 am.

From 8:30 am to 4:30 pm, classes used to be held, sometimes, extending till 9:30 pm. I must mention some classes that were highly informative, thoroughly funny and mostly effective were taken by Md. Mizanur Rahman, Abul Basher, Mostaq Ahmed, Nazmul Islam Sarker, Syed Mizanur Rahman, Tahsinur Rahman, A.T.M Arif Hossain and Shah Alam Gazi.

Of course, time went like flying during those and soon it's time for ---

ting ting ting (ending bell ring).

The most exciting part was sports though we could only play volleyball. This session passed quite faster.

Faster, faster and faster!!!

So faster, that an hour seemed 20 minutes.

We were divided into five groups and our six-member team went Narayanganj for a five-day trip on August-5.

The district administration managed hotel for us. But it's location was quite interesting, Tanbazar, a place countrywide infamous as a red-light area!

On first two days, we met our district registrar Sabiqun Naher.

On third day, we visited a knitwear industry for a report.

In the afternoon, we travelled to a small river, around forty minutes from city. The water was so clear that it was looking as if a giant flat mirror. We crossed the river with small boat. When we touched water, it felt so cold that we could hardly resist jumping in.

But only one thing held us back.

That was--lungi!

We were in formal outfits, had no additional clothes.

But we were so eager that we decided to buy lungi. Unfortunately no nearby shops had any.

Then at around 5:00 pm we visited Fatullah assistant commissioner (ac) land office. The ac land warmly received and shared many useful experiences.

We also visited historic Panamnagar city in Sonargaon.

According to official information, Panamnagar was the capital of sultanate Bengal till 1610.

The currently existing ruins of 52 rectangular buildings were built by Hindu traders in early 19th century.

The buildings blended European and Mughal architectural traits together and used bricks, lime, mosaic and colorful glasses.

On our way back, we visited a resort and found a swimming pool, took bath there, though the water was not as cold as river, it was clear.

Finally we returned to Savar on August-9.

The heartiest hospitality, we received from our district registrar sir and sub registrars of Narayanganj were beyond expectations.

By this time, our training has almost reached its fag end.

Hopefully, whatever we have learned here would remain forever and the good memories for good.

Not as evanescent as a bolt, that comes and fades away without lasting long.

সেদিন ঢাকা মেডিকেল

তিথি রানী মন্ডল

ঢাকা মেডিকেল এসেছিলাম আজ
বসেছি এর ষষ্ঠ তলাটিতে
কত শত বিছানা যে পাতা রয়েছে
জীবন মৃত্যুর খেলার এ আয়োজনে।

কোন ওয়ার্ডে জন্ম নেয় দেবশিশু
কেউবা যাত্রা করে পরপারে, সীমানার ওপারে
এখানে বাতাস ভারী অনেক
মৃত্যু যন্ত্রণার ছটফটানি,
প্রিয়জনের সুদীর্ঘ রাত্রি যাপন।
মাঝে মাঝে যত্নআত্তি আর পথ্যের অবহেলা,
এই বুঝি নিরন্তর বেঁচে থাকার খেলা।

শরীরের চর্ম ভেদ করা সূচগুলো
কী নিশ্চিত মনে সঁপে থাকে,
তার কোণে জমে মরা রক্ত
কিন্তু এ মানুষেরই শরীর, রক্ত মাংস দিয়ে গড়া,
যেন দেখে মনে হয় ইট পাথর আর খড়কুটোর ঢেলা।

একদিন মাংসলপিণ্ডটি শরীর থেকে বেড়িয়ে
জীবন লাভ করেছিল,
ধীরে ধীরে বেড়ে উঠে
একে একে শৈশব, কৈশোর, যৌবন, মধ্য বয়স থেকে
একদম বার্ধক্যে আছড়ে পড়ে।
কী স্বাভাবিক আর সরল অঙ্ক
এক জীবনের রূপান্তরের,
অথচ এর মাঝে জড়িয়ে থাকে কত শত
মায়া, মমতা, স্নেহ, প্রেম, ভালোবাসা, ভালোলাগা,
অন্তিমকালে আসে মোহমুক্তির পালা।

অভুক্ত আত্মা

ইয়াসমিন শিকদার

অভুক্ত আত্মার দিকে চেয়ে দেখি
আজ সে শকুনের অবয়ব।।
লাশের সংখ্যা বেড়ে গেছে
মরা পঁচায় অরুচি ধরেছে
আত্মা খাবে সে।

স্বপ্ন সব??

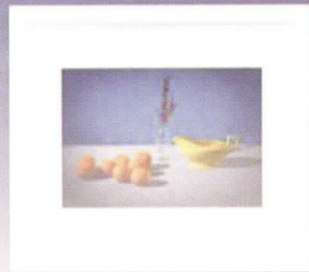

এখনও মানুষ আছে
নাটকীয় মুক্তি দিবে জীবনকে
আলো দিবে চিন্তার বিবেককে।

হারায়নি এখনও সে!!

সত্য বলার সাহস
ভালবাসার আবেগ
ন্যায়ের সংগ্রাম।

অভুক্ত আত্মার দিকে চেয়ে দেখি
আজ সে তরুণের অবয়বে
স্বচ্ছ মানুষ সে।।
