Message from Rector

It is my immense pleasure to know that the participants of 76th Senior Staff Course (SSC) are going to publish a souvenir named JOURNEY to keep track of their sweet memories at BPATC and to further bonding friendship and ties among the course mates.

The 76th Senior Staff Course commenced on 17 April 2016 at BPATC with the participation of 27 senior civil and armed forces officials. This Senior Staff Course at BPATC readily offered them a unique opportunity to be united under the same roof to share their experience, to debate on development discourse and to hone their skills on policy analysis using various policy management techniques. Apart from this, they also have participated in sports and extracurricular activities. I believe, their interaction at BPATC would contribute to further strengthen networking among themselves.

The theme of this course is Innovation Precedes Development. I strongly believe that these trained senior officials would be able to promote and foster innovation and good practices at their respective work places.

I sincerely congratulate the participants and wish further success in their personal and professional life.

Message from Course Director

This pleases me immensely to reckon that the participants of 76 th Senior Staff Course are bringing out a souvenir as zeal of sweet memories on the eve of their departure. Amidst the busy daily sessions, this publication of the souvenir epitomizes their commitment to reflect and to reveal the zesty colourful days spanning over the training period.

I must reckon that the participants have exerted their efforts to bring their best in attaining excellence in all academic issues. A good deal of input was rendered during their training which will mould them into efficient and effective public managers and will instill and infuse in them the true sense of patriotism, commitment, dedication, responsiveness and sacrifice. They had been very diligent and devoted to their training. I firmly believe that this training has been able to cater for the demands of the participants through which they will be a real change maker and builders of a golden Bangladesh.

I hope the souvenir will remain as a memoir of very wonderful time and also an eternal source of inspiration for the participants for their whole professional life.

I wish them all a luminous future.

Convener's Note

Bearing the theme *Innovation precedes Development* the 76th Senior Staff Course landed in BPATC on 17 April 2016. On day one all participants willingly decided to archived course memories and incidents. *JOURNEY* starts with that graceful desire to treasure the illustrious events of the Course. The Souvenir Committee and all other participants actively engaged with it and supported their best for successful ending.

The 76th Senior Staff Course renders the momentum to twenty seven bright sons of the soil to reshape their thinking mainly on national perspective policy related issues. This course also enables them to explore their innovative mind and adopt with changing needs and situation. As proud members of public administration they would remain pledge bound to its core ethics and deliver their best to achieve national development agenda.

Classroom activity, group work, visits, morning exercise and evening sports shaped a strong bondage among them. Journey would remain as a worthy testimony of their lasting friendship.

This is indeed my privilege to convey my gratitude to the course management for their active support and kind cooperation. This is also noted that the members of the souvenir committee and the participants were always actively with us. Few generous private enterprises supported us to make our souvenir printed. We are thankful to them.

Our Journey began with the spirit of friendship and fraternity. Our expectation is to remain linked in sharing knowledge and experience on a growing urge of further effective public administration system.

Transforming our world : the 2030 Agenda for Sustainable Development

1. Background: Acting as the Post 2015 Development Agenda (successor to the Millennium Development Goals). SDG Adopted by UN Resolution A/RES/70/1 of 25 September 2015 as an outcome of Year's celebration of United Nations and come into effect on January 1, 2016 which contains 17 Goals, 169 target, 304 indicators (Proposed). The World Leaders committed to achieving sustainable development in its three dimensions – economic, social and environmental – in a balanced and integrated manner. The Goals and targets will stimulate action over the next fifteen years in areas of critical importance for humanity and the planet- People, Planet, Prosperity, Peace and Partnership will focus on all strategies and actions.

2. Main Features of SDGs

- i. Mobilizing domestic resources will be the key challenges to financing the SDGs
- ii. Unlike the millennium development goals, there are no international commitments to funding the SDGs
- iii. There will be no grants from the developed countries; whatever they will give will be loans
- iv. Engagement of private sector in the implementation process, this time, and the business community is not an observer, like it was in the case of MDGs

3. Major difference between MDGs and SDGs:

- i) The first major difference is that the SDGs are a government and people's agenda
- ii) The second difference is that it is a political agreement, not a technical one
- iii) The third and final major difference is that SDGs are not implemented by the north countries (developed) to the south.

4. Short brief of Sustainable Development Goals:

Goals	No of Target
 Poverty - End poverty in all its forms everywhere	07
 Food - End hunger, achieve food security and improved nutrition and promote sustainable agriculture	08
 Health - Ensure healthy lives and promote well-being for all at all ages	13
 Education - Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	10
 Women - Achieve gender equality and empower all women and girls;	9
 Water - Ensure availability and sustainable management of water and sanitation for all	8
 Energy - Ensure access to affordable, reliable, sustainable and modern energy for all	5

8		Economy - Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all	12
9		Infrastructure - Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation	8
10		Inequality - Reduce inequality within and among countries	10
11		Habitation - Make cities and human settlements inclusive, safe, resilient and sustainable	10
12		Consumption - Ensure sustainable consumption and production patterns	11

মা

মীর জহুরুল ইসলাম

মাগো তোমায় রাখি মাথার উপর
 তোমায় রাখি বুকের ভেতর আদরিনী মা॥
 তুমি আমার চাঁদবদন মায়াময়ী শোভা
 জঠরেতে ছিলাম যখন রক্তমাংসে বাড়ি তখন
 দিয়েছি তোমায় কতশত পাহাড়সম যন্ত্রণা
 তোমায় রাখি বুকের ভেতর আদরিনী মা॥
 মায়ের ভক্তি, দীপ্তশক্তি বড় সাধনা
 তোমায় রাখি বুকের ভেতর আদরিনী মা॥
 আশায় বসি সময় কষি বসে সাগর তীরে
 মাগো তোমার বয়স না যেন বাড়ে
 তুমি জননী গর্ভধারিনী ভুবন মাঝে সুধা
 তোমায় রাখি বুকের ভেতর আদরিনী মা॥
 সিঁড়র আইলা মহাবাড়ি কত বিটপী উপরে পড়ে
 তোমার বুকে আগলে রাখ খেয়ে শত ঘা
 তোমায় রাখি বুকের ভেতর আদরিনী মা॥
 জগত ভরা মানবের ঢেউ
 তোমার মত হয় না কেউ
 তুমিই আমার জহর হীরা মহামূল্য চুনি
 তোমার কাছে জনম ভরা মহাসাগর ঋণী
 করি ব্রত শির নত ভক্তিপ্রদা সদা
 তোমায় রাখি বুকের ভেতর আদরিনী মা॥

ধূলোজমা চৈত্রের গান

শ্যামল চন্দ্রকর্মকার

ঝড় ওঠেনি অথচ চৈত্রের বাউল বাতাসে
ঘূর্ণির মত কিছু ধূলো এসে হানা দিয়ে গেল পড়ন্ত বেলায়
তখনও শেষ হয়নি আমার দৈনন্দিন নান্দীপাঠ
হিসেবের খাতাটায় কতটুকু কি জমা হল
ভাববার ছিলনা অবকাশ
তবুও ভাবি, ভেবে ভেবে মনে হল
বাতাসের বিপরীতে হেঁটে হেঁটে এসেছি যতটা পথ
হয়তো বাকিটুকুতে শেষ হবেনা দ্বৈরথ
ধরে নিতেই হবে কিছু ধূলোবালি আবর্জনা লেগে যেতে পারে অকস্মাৎ
কি আসে যায় তাতে?
সব অংক মিলে না ও যেতে পারে জীবনের ধারাপাতে।
