RECTOR'S MESSAGE

I am delighted to know that the participants of 85th Senior Staff Course are going to publish an online souvenir where they will share their initiatives, memories, and with this they will cherish and uphold their learnings on problem solving, intellectual discourses and knowledge of innovation. They started their learning journey with the theme 'Building Effective, Inclusive and Accountable Public Administrative System' at BPATC- a centre of excellence for developing patriotic, competent and professional civil servants. It is indeed very praiseworthy that the trainees contributed towards compilation and publication of this souvenir while participating in the strenuous activities of the training program. The souvenir will also serve as a reminder of their colourful stay for 55 days at BPATC.

The Senior Staff Course is a very significant one since it caters to the needs of the participants who will contribute to the endeavours of the government for the next several years. The course has been designed to let the trainees prepare for behavioural governance, public policy and management, skilful negotiations, Sustainable Development Goals, Information Communication Technology for e-governance and important contemporary issues so that they can spearhead innovation, promote e-governance and implement the crucial projects of the government.

I believe, the participants of 85th Senior Staff Course were very much enthusiastic and actively participated in all the activities of the training programmes at home and abroad to enrich themselves and they are now much more equipped to contribute towards achieving the 'Vision 2021' and 'Vision 2041' for happy and prosperous Bangladesh.

Dr. M. Aslam Alam

MDS

(Additional Secretary)

Bangladesh Public Administration Training Centre

&

Course Director, 85th Senior Staff Course

Message

I am very much delighted to learn that the trainees of the 85th SSC are going to publish a souvenir in online version at the eve of their 55-day long training programme to commemorate their successful completion of the course. This is indeed a praiseworthy initiative since they were heavily engaged in course curricula and other extra curricula activities from the beginning to the end of this course.

SSC is a very prestigious course that provides unique opportunity for the officers working at the policy level to share valuable experiences with fellow colleagues and relevant experts. In view of that this course has been designed to enhance participants' capability of dealing national and global issues professionally, efficiently and effectively setting the motto "building effective-inclusive-accountable public administration system". To my understanding and realization the participants accepted this motto wholeheartedly and therefore they were found very sincere, hardworking and committed in performing their course activities. They were always found very open to new experiences and initiative to develop themselves through achieving new insights and investing best possible efforts.

This is for the first time the participants are going to publish a souvenir in online version and I believe, this innovative initiative is an expression of their heartfelt commitment and dedication towards making their 55-day long coexistence adorable and creditable to each other. I also hope that this souvenir will act as a "Bondage" among the participants and Course Management Team.

I congratulate all the participants on their successful completion of the course and I wish this training will inculcate self-confidence and patriotism among them and motivate them to work more efficiency with honesty and dedication to the goal of turning our beloved Bangladesh into a middle-income economy by 2021 and a developed economy by 2041. May the blessings of the Almighty be always upon them to make this journey a grand success.

Dr. Mohd. Shahadt Hossain Mahmud

President

Souvenir Committee
85th Senior Staff Course

Editorial Note

Time moves in one direction, memory in the other. Memory draws its footprints as the time passes away. This souvenir is the creation of the participants of 85th Senior Staff Course as recognition of their unbound joys and memories which will keep alive forever.

After a long time this training has given us an environment of interaction, creative thinking, in-depth analysis which will help us in decision making in our career. The training participants were engaged not only in academic sessions but also enjoyed the morning physical exercise, evening sports, cultural programs, and exposure visits at home and abroad. Most importantly, the valuable company of the participants of this course who are immensely talented and dynamic with an extraordinarily cooperative soul made the learning more fulfilled.

The e-publication of this souvenir has been a challenging pleasure. On behalf of the souvenir committee, I sincerely appreciate the creative endeavor of the participants of this course. Special gratitude is due to the members of the souvenir committee for their active support and contribution.

The exemplary leadership and kind guidance of our Rector Dr. M Aslam Alam has inspired us to be innovative, dedicated to people's welfare and a creative policy designer. We pay our sincere respect and gratitude to him. We would like to express our heartiest gratitude to our respected Course Director Dr. Mohd. Shahadt Hossain Mahmud, MDS; Course Coordinators Mr. S.M. Zobayer Enamul Karim PhD, Director, and Mr. Mohammad Tazib Uddin, Deputy Director, other faculty members for providing us their valuable advice and guidance for publishing this souvenir.

The editorial team hopes that the readers will enjoy the interesting moments given here and we believe this souvenir will act as a happy reminder and serve as a link of friendship and harmony among the participants throughout the life.
