Bangladesh Public Administration Training Centre
www.bpatc.gov.bd

The background is a light cream color with a series of thin, curved, golden-yellow lines that sweep across the page. Scattered throughout are stylized leaves in various shades of blue and teal, some with fine white or gold veins. Small, solid-colored circles in blue and gold are also scattered across the composition.

PARADIGM

1ST SFTC for the Officials of DNC

Department of Narcotics Control at a glance

Drug use has a long history in the socio-economic, cultural, and historical context of Bangladesh. The British East India Company initiated opium cultivation and trade in India for commercial gain, issuing an order and appointing officials to oversee the operation. The British made huge profits by producing opium in India and exporting it to other countries, including China. In 1857, the opium trade was brought under government control, and the first Opium Act was introduced. This led to the establishment of the Opium Department in 1878 through an amendment to the Opium Act. Later, revenue was also collected from cannabis and liquor, leading to the establishment of the Bengal Excise Act and Bengal Excise Department in 1909. Beyond opium, alcohol, and cannabis, various other drugs derived from opium and cocaine gained popularity. To address this growing issue, the government enacted the Dangerous Drugs Act of 1930, the Opium Smoking Act of 1932, and the Dangerous Drugs Rules of 1939 to control opium consumption and other drug-related activities. After Pakistan's independence in 1947, the Prohibition Rules of 1950 were enacted to control liquor consumption among Muslims. During the same period, the Opium Sales Rules of 1957 were implemented. In the 1960s, the Bengal Excise Department was renamed the Excise and Taxation Department and placed under the Ministry of Finance.

Following Bangladesh's independence in 1971, the Excise and Taxation Department was restructured and renamed the Narcotics and Liquor Directorate, placing it under the National Board of Revenue in 1976. In the 1980s, the government took several steps to curb drug abuse and trafficking. In 1982, the production and marketing of codeine-laced cough syrups and certain alcoholic health tonics were banned. Opium, high-alcohol content liquor, and cannabis cultivation were also

prohibited in the mid-1980s. To further address the growing drug problem, the Narcotics Control Ordinance was enacted in 1989. This led to the establishment of the Narcotics and Liquor Directorate under the President's Secretariat in 1990. The Directorate was later transferred to the Ministry of Home Affairs in 1991. The Department of Narcotics Control (DNC) operates under the Security Services Division of the Ministry of Home Affairs, Government of the People's Republic of Bangladesh. The DNC's primary responsibilities include preventing the flow of illegal drugs into Bangladesh regulating the import, transportation, and use of legal drugs for medicinal and industrial purposes ensuring proper drug testing and quality control providing treatment and rehabilitation for drug addicts raising public awareness about the dangers of drug abuse collaborating with international organizations like the United Nations to combat drug trafficking and abuse. The DNC's vision is to create a drug addiction free Bangladesh, while its mission is to reduce drug abuse by strengthening law enforcement, public awareness campaigns, and treatment and rehabilitation programs.

Sayeed Mahbub Khan

Rector & Principle Advisor

1st Special Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

I am deeply impressed by the dedication of the participants of the 1st Special Foundation Training Course for the officials of Department of Narcotics Control (DNC) in undertaking the meticulous task of publishing a souvenir. This thoughtful gesture will not only strengthen interpersonal relationships but also create lasting memories of their time at BPATC. I congratulate everyone involved in this publication on the eve of their successful completion of the training course.

Over the past two months, these talented young officers have actively participated in a comprehensive training program that covered administration, development management, and co-curricular activities. These activities have enhanced their cognitive, physical, and mental abilities. Additionally, the field attachment component provided valuable hands-on experience, enabling them to better understand the practical application of management, modern tools and technologies in public service delivery at the district level.

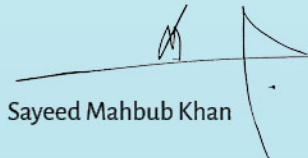

The specialized module on narcotics-related issues has equipped DNC officials with crucial knowledge and skills to combat the spread of

narcotics across the country. This training will enhance their investigative, operational, and strategic capabilities, helping them disrupt drug trafficking networks, reduce drug supply, and ultimately contribute to a safer and healthier Bangladesh.

At the critical juncture of the nation, this training has equipped them as future leaders to serve with integrity and efficiency, helping to build a prosperous and equitable Bangladesh.

I appreciate the outgoing participants for their dedication and proactive approach in producing this informative and colorful souvenir despite of their hectic and rigorous training schedule. I am confident that it will foster friendships and professional networks, empowering them to serve the nation in a best possible way.

Finally, I wish all the participants a successful and meaningful professional and personal life.

Sayeed Mahbub Khan

Khondoker Mostafizur Rahman, ndc

Director General

Department of Narcotics Control
41, Segunbagicha, Ramna, Dhaka.

I am delighted to know that the participants of the 1st Special Foundation Training Course (SFTC) for the Department of Narcotics Control (DNC) officials at the Bangladesh Public Administration Training Centre (BPATC), Savar are endeavoring to publish a souvenir titled "Paradigm" to mark the successful completion of their two-month long course. Publishing a souvenir despite their busy schedule shows their aptness and commitment. I would like to congratulate the BPATC for successful completion of their special foundation training course.

The Special Foundation Training Course provides professional knowledge, broader vision, management skills and a positive attitude towards real life problem solving to the young officers, which is much needed to combat the gradually increasing challenges of the 21st century. I hope that they will play an effective role to materialize the goals of developing Bangladesh as one of the higher income countries in the world through their hard-earned knowledge, skills and expertise gathered in the training program and by delivering services at the doorsteps of the mass people.

It is my belief that the co-curricular activities that they have done during the course will augment their inner faculty and expedite their mental and physical strength. Though a two-month training is not enough to learn everything required to attain excellence in all respects, this will help them make a further effort for attaining perfection.

I wish all the participants a successful and meaningful professional and personal life.

Khondoker Mostafizur Rahman ndc

Md. Zakir Hossain

Member Director Staff (MDS) & Course Advisor
1st Special Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

I am delighted to learn that the participants of the 1st Special Foundation Training Course (SFTC) for DNC Officials have taken the commendable initiative to publish a souvenir commemorating their transformative journey at the Bangladesh Public Administration Training Centre (BPATC). This souvenir stands as a testament to their organizational skills, unwavering dedication, and collaborative spirit.

I am confident that the comprehensive training provided at BPATC will serve as a foundation in both their personal growth and professional advancement. BPATC, as an apex training centre remains steadfast in its mission to nurture patriotic, competent, and professional public servants who are deeply committed to serving our citizens and humanity. Curriculum of this course is carefully designed to instill knowledge, ethics, empathy, and a profound sense of public service.

In this era of rapid technological transformation, these promising young officers are perfectly positioned to become the vital bridge between citizens and modern technologies. The

enthusiasm, dedication, and intellectual curiosity demonstrated by these officers throughout the course has been truly remarkable.

I hope they will carry forward the knowledge, values, and skills acquired at BPATC to serve the nation towards building a more prosperous, technologically advanced, and citizen-centric Bangladesh.

I extend my heartfelt congratulations to all participants for their outstanding commitment and engagement throughout this intensive training program. Their successful completion of this course is a beginning of journey toward excellence in public service.

I wish them all a successful career as well as a long and happy life.

Md. Zakir Hossain

Md. Abul Basher

Director (Management) & Course Director
1st Special Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

It gives me immense pleasure to learn that the participants are going to publish a souvenir to cherish their memorable experiences of the 60-day journey at Bangladesh Public Administration Training Centre (BPATC).

The Course, which commenced on 29th September, 2024, brought together 31 dedicated officers from the Department of Narcotics Control. The relationships and bonds created among the participants will remain evergreen for a long time through this souvenir.

This course has been carefully designed for the personal and professional development of officers from the Department of Narcotics Control, equipping them with essential skills and knowledge to perform their duties effectively. The comprehensive curriculum focuses on enhancing decision-making capabilities, leadership skills, and understanding of modern public service delivery mechanisms.

I am confident that this training will significantly improve efficiency in public service delivery and

develop a proactive mindset among officers. The enthusiasm, creative thinking, and sincere commitment demonstrated by the participants throughout the course have been truly commendable.

This souvenir will serve as more than just a collection of memories. It will be a valuable archive documenting their professional transformation at the Centre. It will ensure strong networks among batch mates, enhance inter-departmental cooperation, and promote the sharing of best practices. In this regard, I extend my heartfelt appreciation to all those involved in creating this souvenir.

Finally, I wish the participants great success in their future professional endeavors and personal life.

Md. Abul Basher

Md. Ashraful Alam

President

Souvenir and Publications Committee
1st Special Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

It gives me immense pride and satisfaction that I have been entrusted to accomplish the duties and responsibilities of publishing the souvenir named "Paradigm" on behalf of the Souvenir and Publication Committee, celebrating the successful completion of 1st Special Foundation Training Course for the Department of Narcotics Control officials in the Bangladesh Public Administration Training Centre (BPATC). This publication is dedicated to recognizing the dedication, hard work, and commitment demonstrated by each of the participants and those who contributed to this training journey. The path to achieving a drug addiction free society is challenging and the role each of us plays in this mission is invaluable. Through this training, we have not only gained vital skills but also embraced the values and responsibilities that this field demands. This souvenir captures the memories, achievements and moments of growth that have defined our journey, marking the beginning of a promising future in narcotics control.

We learnt different norms and behaviors along with theoretical and practical knowledge related to supply reduction, demand reduction and harm reduction of narcotics related issues. We performed several cultural activities, various sports

events, car driving, morning PT sessions and so on during the training. I firmly believe that this Special Foundation Training Course has made us capable, skilled, proactive and well-groomed in implementing government policies and development activities.

I extend my deepest gratitude to the trainers, mentors and support staff who have made 1st SFTC for Department of Narcotics Control officials a success. Your guidance and encouragement have equipped our trainees to face real world challenges with resilience and professionalism. To our all concerned I commend you for your dedication and congratulate you on this milestone. Let this souvenir serve as a reminder of what we have accomplished and inspire us as we step into the field. Together, with the strength of our training and commitment, we will work toward a safer, healthier future for all by delivering service with sympathy and empathy building.

Say No to Drugs. With warmest congratulations and best wishes.

A top-down view of a wooden desk. On the left, a pair of glasses with black frames and orange temples rests on a white envelope. To the right, a white cup filled with dark coffee sits on the desk. A sharpened orange pencil with a red eraser and a silver band lies diagonally across the bottom half of the white envelope. The text "Write up" is printed in a bold, dark blue font on the left side of the envelope.

Write up

ভিন্ন পৃথিবী

এস.এম. রাজিবুর রহমান

তোমার প্রিয় রঙ হোক না গাঢ় জলপাই বা মেরুন;

তাতে আমার কি?

আমি না হয় ভেসে যাবো কস্টের রঙে, ঐ নীলে;

যে রঙে ছেয়ে আছে শত হৃদয়, হয়তো তুমিও।

জনে জনে ভিন্ন পৃথিবী; প্রায় সাড়ে সাতশ কোটির মতো।

আলাদা তো বটেই আমরা; মগজে কিংবা শরীরে।

তোমার বিশ্বাসে বা মূল্যবোধে আমি চলি না,

হও তুমি আস্তিক বা নাস্তিক

কিংবা অসভ্য বা নিপাট ভদ্রলোক।

তোমার বিশ্বাস কেবলই তোমার,

কিন্তু মনে রেখো এই সুবিশাল আকাশ আমার।

দূরদিগন্ত বন্ধুর পথ মাড়িয়ে যেতে চায় যে পথিক-দুর্দম,

তাকে থামায় মাধ্য কার।

আর কী-ই বা প্রয়োজন তাকে থামাবার?

লিডার

এস.এম. রাজিবুর রহমান

সে জানে,
সে মানে,
পিছিয়ে পড়াকে
সে একসাথে টানে।

অকৃপণ দানে,
পাহাড়সম মান-এ,
অন্যায় অবিচারে
সে বজ্র নিনাদ হানে।

ডরহীন সবখানে
অকাতর প্রাণে,
জালিমের বিরুদ্ধে
তর্জনী আমমানে।

তেলবাজের কথায়
না ভারি সে কানে,
পোস্টারে নয়
সে থাকে মনে।

হঠাৎ তুফানে
যদি ভয় জাগে প্রাণে,
অকুতোভয় সে দাড়ায়
সবার সামনে।

চক্রবৃতি

মোছা: খাদিজা খাতুন

সময় সবসময় একরকম থাকে না
কখনো আসে বসন্ত
ফুলে ফুলে ভরে ওঠে ধরণী
আবার কখনো নামে শীত
শূন্য ডালে গাছপালা কাঁপে।

এ এক অবিরাম চক্র
শীতের শেষে বসন্ত আসে
নতুন পাতায় ঢেকে যায় নিঃশব্দ গাছগুলো
ফুলের গন্ধে মাতোয়ারা হয় প্রকৃতি

কারণ এটাও সত্যি
জীবনের প্রতিটি পর্বের শেষে
নতুন ঋতু ঠিকই ফিরে আসে।

স্বপ্নচারী

মোঃ আহমানুল কবির বুলবুল

হে স্বপ্নচারী অগ্রপথিক
তুমি জাগরুক কোটি বাঙ্গালির হৃদয়ে।
তোমার রঙধনুর বর্ণময় স্বপ্ন প্রথিত,
কাকডাকা পল্লীর গহিন হৃদয়ে।

তোমার এ নগণ্য অনুজ ,
নিশি যবানিকায় উদাস হৃদয়ে ভাবি,
স্বপ্নের পূর্ণতা কোথায় ?
স্বপ্ন কি আশাহত মরীচিকা--
নাকি বাস্তবতার এক রুদ্ধ প্রতিধ্বনি ?
স্বপ্নের বাংলাদেশ সৃজিবে বলে ,
একাত্তরে হৃদয়ে ধরেছিলে বিপ্লবের অগ্নিমন্ত্র ।

বিজয়ের ক্রান্তি লগ্নে তোমার অপলক দৃষ্টি ,
আহারক্লিষ্ট বদনে উদ্ভাসিত স্বকীয় আভা,
আজ এ নিশীথে মোর,
প্রেরণার এক হিমশীতল উৎস।
হঠাৎ ই হৃদয়ের গহীনে ,
এক অস্মৃশ্য সত্তা বলে ওঠে-----
ওহে স্বপ্নচারী ,জেগে ওঠ ।
মহাকাল প্রতীক্ষিত তোমার অগ্রযাত্রায় ।

স্বপ্নের এ মায়াবী প্রেরনায়,
বাঙালি সত্তার বিকাশের নিমিত্তে ,
মাথা উঁচু করে দাঁড়াবার এক দীপ্ত প্রত্যয়ে ,
মোর এ তৃষিত হৃদয়ে যেন ,
আরাধ্য এক টর্নেডো বয়ে গেল ।

সোনার বাংলা বিনির্মাণে ,
আমরা যেন এগুচ্ছি কচ্ছপের রথে ।
আর নয় দেরি হে পদ্মা মেঘনার উত্তরাধিকারী,
গর্জে ওঠো পরিবর্তনের প্রত্যয়ে ,
স্বনির্ভর বাংলাদেশ গড়ার মিছিলে ,
আগুয়ান হও হে যুবক ।

আমি স্বপ্ন দেখি ,
মাথা উঁচু করে দাঁড়ানো বাংলাদেশের ।
আমি স্বপ্ন দেখি ,
শোষণমুক্ত সোনার মাতৃভূমির ।

সেই স্বপ্নের সার্থক রূপায়ণে,
তোমায় দেখব বলে ,
পথ চেয়ে আছি.....

আমি এক নিভৃত স্বপ্নচারী।

সহকারী পরিচালক

নেশার কবলে মোনালী শৈশব

এস. এম. রাজিবুর রহমান

পাখি ডাকা ভোরে ঘুম ভাঙল যখন
গুড়-মুড়ি খেয়ে বসে পড়ি কতক্ষণ।
আমি পড়ি অ আ ক খ, বুবু নামতা লেখে
কাজের ফাঁকে মা কড়া নজর রাখে।

কখনো ঘুম থেকে উঠেই যাই ফুল কুড়াতে,
বেশ লাগে বুবুর সাথে ঘুরে বেড়াতে।
শিউলী, বকুল আরও কতশত ফুল
মন ভরে যায় পেলে পেয়ারা, তেঁতুল।

স্কুলের সময় হলে, পড়া-লেখা ফেলে
বই আর খাতা নিয়ে চলি হেলেদুলে।
হাতে হাত ধরে চলি বুবু আর আমি
সেই স্মৃতি আমার কাছে খুব বেশি দামি।

গিয়ে দেখি ক্লাসে বসে পন্ডিত মশাই
আমাদের ডেকে বলে, আয় তোরা আয়।
স্যার বলে, এক সাথে সব মিলে বল পড়াটি
আজও মনে গেঁথে আছে সেই ছড়াটি-

“দুধ আর ভাত খেতে
খুব ভালো লাগে।
লাল শাক পাতে তুলে
দাও তার আগো।”

ছুটি হলে স্কুল, ভাগ হয়ে দলে দলে
হটোপুটি, গোলাছুট আর লাথি ফুটবলে।
ফড়িংয়ের পিছু ছোট্ট আহা কত যে মজা!
মাঝে মাঝে এই হেতু পেয়েছি মাজা।

বদন, বউচি আর কানামাছি খেলা
এইসব করে কত কেটে যেত বেলা।
খেলা শেষে এইবার গোসলের পাল
সাঁতরে পান্যফুল আর শালুক তোলা।

মুখ্য অস্ফাচল দিন ফুরালো
মেঝেতে মাদুর পেতে প্রদীপ জ্বালো।
গলা ছেড়ে পড়া শুরু ছড়া-কবিতা
দাদিমার কাছে কিচ্ছা শুনা, আরও কত কথা!

রাফস, চাঁদের বুড়ি আর টুনাটুনি
মুগ্ধ হয়ে সব হা করে শুনি।
এভাবেই দিন যায় পেরোয় বছর
সব ছেড়ে চলে আসা এই দূর শহর।

এখন আর ওসব নাকি হয় না কোথাও
আধুনিকতার যাতাকলে শৈশব উধাও।
শিশুর হাতে স্মার্টফোন-নিরব ঘাতক
কিশোরের হাতে হাতে ডয়াল মাদক।

এখনো বিলের ধারে ঠিক তারা যায়
বুঁদ হয় ইয়াবা আর গাঁজার নেশায়।
টিকটক, ফ্রি-ফায়ার আরও কত নেশা
আমাদের পাঞ্জেরিদের কে দেখাবে দিশা।

শৈশব-কৈশোর কত যে মধুর
জানে না তো সে, যে নেশায় বিভোর।
ছেলেবেলা যদি আহা আবার পেতাম!
আমাদের ছোট্ট গাঁয়ে ফিরেই যেতাম।

ফিরে আয় ওরে সোনা, ওহে বাছাধন
গড়ে তোল এই দেশ মনের মতন।
ছেড়ে সব নেশা হাতে কলমটা ধর
তোরাই যে পাঞ্জেরি, আগামীর কারিগর।
