-
1. The entries in the above table which are in alphabetical order in each article, apply exclusively to the person entered therein, and, while regulating their relative precedence with each other according to the number of the article, do not give them any precedence over members of the non-official community resident in Pakistan, who shall take their place according to usage.
 2. Officers in the above table will take precedence in order of the numbers of the entries. Those included in the number will take precedence *inter se* according to the date of entry into that number with the exception of officers of the Defence Services whose rank *inter se* in accordance with their seniority.
 3. When a officer holds more than one position in the table, he will be entitled to the highest position accorded to him.
 4. Officers who are temporarily officiating in any number in the table, will rank in that number below permanent incumbents.

An officer on entering an article by virtue of a change in his office to an article lower than that which was occupied by him immediately preceding this change, will take his seniority in the lower article with effect from the date of his entry into higher article.

5. All officers not mentioned in the above table, whose rank is regulated by comparison with rank in the army, will have the same rank with reference to civil servants as is enjoyed by military officers of equal grades.
6. All other persons who may not be mentioned in this table will take rank according to general usage, which is to be explained and determined by the President in case any question shall arise.
7. All ladies, unless by virtue of holding an appointment themselves they are entitled to a higher position in the table, will take place according to the rank herein assigned to their respective husbands.
