Bangladesh Public Administration Training Centre
Savar, Dhaka

All is false except the despairing tune the flower that bloomed must wither in death ? befits the entry and the exit of the participants of the 41st Foundation Training Course. For the last four months BPATC was enlivened by the enthusiasm twittering of 228 BCS officers coming from 19 different cadres. The new sun of the day would rise up with the walking of the participants in the midst of greenery of this centre of excellence. The sun would have gone down to the western horizon with their strutting and fretting.

However, this morning walk and the afternoon games were not the ultimate objective of the training. BPATC aims at creating and nurturing leaders who can run the public administration with efficiency, transparency, honesty and dedication. To this end, training modules have been designed make them physically, spiritually, intellectually and technologically balanced and capable. I hope this training will not shut the door of knowledge for the participants rather it will create new gateways. If they continue, no doubt, they will prove their excellence everywhere.

I am very happy that these officers are publishing a magazine as a memoir of their days passed here. I thank all the concerned dedicated souls and pray for their professional and private success.

(Abu Md. Maniruzzaman Khan)

Secretary

Government of the People's Republic of Bangladesh

Course Adviser
41st Foundation Training Course

It feels my heart with joys unspeakable to know that a souvenir is being published to commemorate the completion of 41st Foundation Training Course by the participants. Simultaneously it benumbs my heart to realise that the young officers who gathered together at BPATC will be returning to their work stations.

I believe there is a yawning gap between the entry and exist of these officers from this centre. During their stay at BPATC the course authority tried to make the hearts of these officers more enlightened with the knowledge of business, administration, technology, environmental issues and good governance. I am optimistic this training will add new dimensions to the capacity of the young talented officers. The world is changing rapidly and to keep pace with the global and national changes the public servants of Bangladesh cannot remain stereotyped and static. To make them the transformational leaders of the nation efforts were made during their stay at BPATC. Whenever they will be delivering their service, I hope they will be making the optimum use of the learned knowledge for the greater benefit of the country and country people.

All the best wishes to the future leaders of the nation.

(Syed Mahboob Hasan)

Joint Secretary

Government of the People's Republic of Bangladesh

Course Director
41st Foundation Training Course
BPATC, Savar, Dhaka.

It is an immense pleasure for me to have news that the participants of 41st Foundation Training Course are going to make their four months long stay at the BPATC memorable.

The participants remained here for four months and took part in various academic and extra-curricular activities that surely enriched them. They accepted everything with their inquisitive minds, good hearts and embracing spirits. I am hopeful for their devotion, commitment and integrity to the nation.

I appreciate their attempts as they could manage time to publish the souvenir despite rigorously busy schedule during the course. I firmly believe that this souvenir has offered the participants tremendous opportunities to know each other closely.

I also appreciate all the efforts of publishing the souvenir and wish every success of each participant.

(Md. Faizur Rahman)
Course Director

My mind is experiencing both pleasure and pain simultaneously on completion of 41st Foundation Training Course. As a fundamental job requirement, we have to undergo this training at BPATC on the surface, but there remains a high potentiality and scope to build up a rapport among the officers of different cadres in the interior. So, I am delighted to have more than two hundred friends and at the same time dejected with their separation. Certainly, one may argue that this is the harsh reality we are bound to follow, but to me some realities are more than memorable and rare ones that we hardly accept.

This souvenir is a humble endeavour to make our relationship semi-permanent. BPATC is the place where we are converted from 'human being' to 'officer being' and ultimately 'officer human being'. This evolutionary process which we witness here shall perhaps be an unending source of friendship, love, empathy and fellow-feelings ultimately resulting in the fulfilment of civil service goals. In this regard, 'NEXUS41' will be highly instrumental.

I would like to thank the course management as well as the participants of 41st FTC for giving me this onerous responsibility. I do humbly apologise the inadvertent mistakes which may occur in this publication. If there is anything good in this souvenir, it must belong to all of us.

May the Almighty help us to start our career journey with a mind of sincerity, dedication and professionalism.

Shymal Kumar Mukherjee

Publication Committee

41st Foundation Training Course

How fresh, active, enthusiastic we are and beloved we were here! Everyday we were enlightened with the light of friendship and everyday we have got the touched of speedy, efficient, creative, expert and wise faculty members and resource persons in this training centre.

Spicy, sweet, sour and all the tastes and flavour that profusely but spontaneously flow forth from a vibrant cluster of a few fresh and open souls-this is how I can term our short but fruitful stay in this training centre. I have never before so closely mixed with so many beautiful and pure minds with so enriched brain and heart. The sweet memories will be fresh and spotless forever in my mind. I would like to convey my heartiest gratitude to our honourable Rector Mr. Abu Md. Maniruzzaman Khan, Course Advisor Mr. Syed Mahboob Hasan, Course Director Mr. Md. Faizur Rahman, Course Coordinator Mr. Md. Zakir Hossain, Course Coordinator Mr. Md. Abul Basher, Course Coordinator Mr. K.M. Abdul Kader, Course Coordinator Mr. Mohammad Rafiqul Karim, Course Coordinator Ms. Farzana Mannan and other faculty members for providing us with valuable advices and assistances to make this souvenir a success.

The souvenir is a heroic creation reflecting the co-operation and cordial assistance of the participants of 41st Foundation Training Course where we have attached ourselves forthwith our heartiest emotions.

We have tried our best to furnish the souvenir with necessary information of the participants including the photographs of different activities during the training period. Nevertheless, if any mistake exists, I seek apology to all.

We were confined with sweet love and hard administration. At the end of the training we are holding a firm swear, a source of encouragement, a pure patriotism in our heart.

অনেক চেষ্টা করেও এক তরুণ বিজ্ঞানী তার বন্ধুদের বোঝাতে পারলেন না যে তিনি সময়ের রহস্য ভেদ করে ফেলেছেন। অবশেষে তিনি নিজেই চলে গেলেন সুদূর ভবিষ্যতে- ৮০২৭০১ খ্রিষ্টাব্দে। তার এই অসম্ভব অভিযানের সজ্জা হলো তারই উদ্ভাবিত **টাইম মেশিন**

এলো কিংবদন্তীর সেই ভয়ঙ্কর বাস্কারভিলের হাউড

তুষারঝরা এক হিমেল সন্ধ্যায় গ্রামের পান্থশালায় এসে উঠলেন এক রুহস্যময় আগন্তুক। তার সারা শরীর ব্যাভেজে ঢাকা। কেউ জানে না তার লুকিয়ে থাকার কারণ কী! গ্রামের সব মানুষ যখন তাকে নিয়ে উদ্বেজিত হয়ে উঠল, সব আড়াল সরিয়ে বেরিয়ে এলো **অদৃশ্য মানুষ**।

ছোটদের ছোটবেলাটাকে হরেক রকম গল্প দিয়ে সাজিয়ে দিতে আমরা সর্বদাই আন্তরিক। আর তাই আমরা হাত বাড়িয়েছি বিশ্ব সাহিত্যের বিপুল সম্ভারের দিকে। বিশ্বের নানান স্বাদের ধ্রুপদী বইগুলোকে ছোটদের উপযোগী করে নয়নলোভা সব ছবিতে সাজিয়ে প্রকাশিত হচ্ছে সচিত্র কিশোর ক্লাসিক সিরিজ। বইগুলো এখন সর্বত্র পাওয়া যাচ্ছে।
