About BPATC

Bangladesh Public Administration Training Centre (BPATC), the apex training institute in the Public Sector, emerged as an autonomous organisation in 1984 under the Bangladesh Public Administration Training Centre Ordinance 1984 by amalgamating following training institutions:

- Bangladesh Administrative Staff College (BASC);
- National Institute of Public Administration (NIPA);
- Civil Officers' Training Academy (COTA); and
- Staff Training Institute (STI).

Since its inception on 28th April 1984, BPATC has been training the officers of government, autonomous and non-government organisations. Among the courses conducted by the Centre the Foundation Training Course is for the new entrants to the Bangladesh Civil Service while Advanced Course on Administration and Development (ACAD) is for the Deputy Secretaries and their equivalents and Senior Staff Course (SSC) for the Joint Secretaries and their equivalents. In addition to these the centre also conducts a number of short courses. Objectives of these courses among others are to make officers aware of the policies of the Government, familiarise them with the Government Rules & Regulations and apprise them of the recent changes in the field of Public Administration.

Vision

By the year 2020, BPATC will establish itself as a centre of excellence and a regional hub for development of competent, innovative and morally sound public servants and a 'think tank' of knowledge-based governance.

Mission

We commit ourselves to:

- develop human resources with competence and strong moral values through state-of-the art training;
- promote a culture of continuous learning in the public service to foster a knowledge society;
- conduct research and publications on public sector management;
- networking with reputed institutions of home and abroad to enrich training, research and consultancy; and
- extend consultancy services for enhancing organizational performance.

25 February 2010

Message

I am happy to learn that the participants of the 45th Foundation Training Course at BPATC are going to publish a souvenir at the end of their course.

The civil servants are the key instruments to implement the government's plans and programmes at field level. Therefore, the country's overall development depends on their skill and motivation.

I hope that BPATC as the key training institute for the civil servants will play an important role to prepare the fresh entrants to serve the country and its people.

I wish all out success of 45th Foundation Training Course.

Joi Bangla, Joi Bangabandhu
May Bangladesh Live Forever

Sheikh Hasina

MINISTER
Ministry of Finance
Government of the People's
Republic of Bangladesh

Message

BPATC is the premier institution for training of public servants in Bangladesh. Members of all the cadre services are brought to one platform in this institution to gain basic skills of government employees. They are equipped by this institution to meet the challenges of a globalized world.

Good governance is very important for economic, social and political development. Lessons in good governance are provided by BPATC.

I am very pleased to learn that the trainees of 45th Foundation Training Course are planning to make their four-month long stay memorable by producing a journal of their own. This is an effort that deserves appreciation and support. I know that the trainees have to follow a pretty rigorous schedule and it is not very easy to spare time for writing and producing a magazine. But certainly it is a laudable effort for sharing knowledge, displaying and improving creative capacity and recording experiences.

I am confident that the magazine will be highly readable and add a feather to the cap of the trainees.

Abul Maal A. Muhith

**Adviser to the Hon'ble
Prime Minister**
Government of the People's
Republic of Bangladesh

Message

Training is an integral part of learning and grooming up of officers. Irrespective of the area of work, there is no alternative to proper training towards building a strong and effective managerial pool. Civil service in the 21st century, as we envision it for a better Bangladesh, is naturally expected to obtain the capability to deliver services to the citizens at the earliest possible time and in the best possible manner. To this end, excellence is a must and achieving excellence necessarily requires knowledge, practical experience and a positive mind to serve. This is how the present government under the able leadership of Honorable Prime Minister Sheikh Hasina has been trying to decorate the modern civil service of Bangladesh. The Bangladesh Public Administration Training Centre (BPATC), therefore, is a thrust area of focus wherein we have to invest in light of the demands of our day to day affairs. Thus, it is highly expected that the BPATC will itself groom up as a centre of excellence wherefrom the best officers will be generated to serve our people.

I am pleased to know that participants of the 45th Foundation Training Course are bringing out a souvenir to commemorate their graduation from the centre. I wholeheartedly welcome their effort and wish the publication to be a true reflection of their quality and inherent genius of creative writing.

I wish the publication a success and hope that the trainee officers will reflect their learning on their performance through better work when they get back to respective fields. Special thanks and congratulations to all involved with this publication.

Joy Bangla, Joy Bangabandhu.
May Bangladesh Live long.

H T Imam

Cabinet Secretary
Cabinet Division
Government of the People's
Republic of Bangladesh

Message

The upcoming days of civil administration will be of good governance, the most momentous and extensive enterprise of nations impacting on human welfare and development. For coping with the demand, BPATC has already administered various training courses to be a hub of excellence for the future leadership of bureaucracy. In this connection, the competent officers of 45th Foundation Training Course are no doubt a valiant working force for the country's socio-economic upliftment.

It's a great pleasure for me to know that those patriotic, self-esteeming officers are going to publish a souvenir at the end of training. This is really splendid; such a good initiative will make them confident, responsive and proactive civil servants in an ever-changing global context.

Training sharpens attitude and skill to make an officer efficient, well groomed, competent, confident and highly dedicated for country's welfare. BPATC is such an organization wherefrom trainees of 45th FTC have been motivated to serve people with their utmost capacity. I do also believe that trained officers from BPATC will pave the way for digital Bangladesh following steps prescribed by the vision 2021.

I wish a great professional career of the newly trained officers.

M Abdul Aziz ndc

Secretary
Ministry of Establishment
Government of the People's
Republic of Bangladesh

Message

I am delighted to learn that the participants of 45th foundation training course at BPATC are bringing out a souvenir of their own, which would help to develop a mail bond and reciprocity amongst the participants.

The training program provides a unique opportunity to gain knowledge of a multidimensional area of studies including public administration and management through recent technological innovation, and thus, the training generates confidence amongst them to meet the challenge towards increasing all round development of the country.

I hope the newly recruited officers will have the motivation of serving the country with utmost sincerity and complete dedication, and will have to shoulder the responsibility of delivering better services to citizens, and to propel the country in the new way that we could achieve our target of establishing a digital Bangladesh by the year 2021.

I wish them success in every aspect, and I do appreciate their efforts for publishing the souvenir.

Iqbal Mahmood

Rector
Bangladesh Public Administration Training Centre
Savar, Dhaka.

Message

It's my immense pleasure to know that a souvenir titled "Rapport" is going to be published by the participants of the 45th Foundation Training Course to make their 4-month stay at Bangladesh Public Administration Training Centre (BPATC) alive. From my core of heart I congratulate such an initiative.

Bangladesh Public Administration Training Centre (BPATC) founds a firm base for the future public administration through imparting an intensive training to the young officers of the Bangladesh Civil Service. A total no. of 243 participants of 21 cadres have been in a single platform for four months, mingled together on several events, worked shoulder to shoulder in different modules and built a rapport with each other. This intimacy, team spirit and relationship will live longer and inspire them to work for the betterment of the nation.

During their 4-month stay in the BPATC the participants have taken part in various academic and co-curricular activities that will strengthen their knowledge base, build in them professionalism, instill in them service ethics and values, and prepare them to work in different circumstances. They were taught that people is the focal point in all their activities and people should never be allowed to feel subjugated when they come to the government offices for service. Again to actualize the stride for establishing a 'Digital Bangladesh and to acquaint them with the sophisticated technology they were to undergo a course on ICT. They also came in contact with the luminaries in the field of politics, administration, management, NGO, history & culture, etc. which has enlightened them and obviously prompted them to be the future leader in their respective fields. I firmly believe that the training will prepare the young officers to face the evolving challenges of public administration and play the role of dedicated civil servants with efficiency, sincerity and integrity with a changed mindset for people.

The souvenir mirrors the memories and experiences, the desires and dreams of the participants. I believe that the publication will bind them into a family and consolidate their fellow feelings and synergy so as to build up happy, prosperous and developed Bangladesh.

I wish each and every participant a very bright career and happy life.

Md. Delwar Hossain

Course Adviser
45th Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

Message

I am happy to learn that the participants of the 45th Foundation Training Course, BPATC are going to publish a colorful and memorable souvenir at the conclusion of their current training program. I appreciate their initiative and wish all the best.

The Foundation Training Course is a basic course for the civil service officers. As a course adviser I am proud to observe the brilliant success of the trainee officers in various activities of the course. The participants show their best performance both in academic and extra-curricular activities.

Training is an essential part of learning. BPATC facilitates the process through "learning by doing", so that the participants can learn appropriately through their active participation. This course is designed with a view to making self-reliant and confident officers. Publication of the souvenir is a manifestation of their self reliance and creativity.

I hope that the knowledge and skill the trainee officers have gathered by this training program will make them responsible government officials as well as world class professionals with updated knowledge. I wish all the success of the participants in their professional and personal life.

Hussain Jamil

Course Director
45th Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

Message

This is indeed a great pleasure to state that the Foundation Training Course plays an important role of growing professionalism in civil servants. I warmly congratulate the participants of 45th Foundation Training Course for publishing a souvenir.

Under the course the participants achieve esprit de corps, empathy, common perception, the knowledge of the rules and regulations, manner and etiquette and the physical and ethical fitness to meet the challenges of the 21st century.

Being the course director I keenly observed the eagerness of the participants to know about the subject matters, new topics and others related to their service. This 45th Foundation Training Course has been designed to create a group of skilled, proactive and well-groomed civil servants committed to the welfare and development of the country in an ever changing global context. The knowledge they gain from this intensive training will lead them to develop themselves as the leader of the civil service. It is my firm belief that the participants will tune their mindset to be the service oriented, pro-people civil servants. Various tours like 'Know Bangladesh', BARD/RDA/BRDTI attachment and 'Village Study' make them confident enough about their compatriots. Physical conditioning, games and sports, language skills, extempore speech and ICT skills will help them to be the real leaders in their respective fields. During the course many distinguished persons, diplomats, high officials from home and abroad shared their valuable experiences that definitely will enhance their service potentials, help them to be sincere enough and devoted in building 'Digital Bangladesh'.

I offer my heartfelt thanks to the dedicated members of the literary and publication committee of the course for publishing such an excellent souvenir.

I wish the participants every success.

Banik Gour Sundar

President
Literary and Publication Committee
45th Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

Message

Life is a big chapter, consists of thousands memories and events. Among them there are some sweet moments that never be forgotten and remain fresh and spotless forever. Four months stay at BPATC is one of such moments for the participants of Foundation Training course.

BPATC is the apex training institute for the civil servants and enriched with a group of professional faculty and up to date training methodology. We have got the touched of those speedy, efficient, creative, expert and wise faculty members and resource persons in this training centre. No doubt, the learning that we received from this centre enriched our knowledge, developed our skills and increased our competence to work. I hope 45th FTC will be able to build us as such competent in our respective field of work in excellence for the betterment of the nation by maintaining our honesty, sincerity and professional ethics.

As a fundamental job requirement, we have to undergo this Foundation Training Course on the surface, but there remains a high potentiality and scope to build up a rapport among the officers of different cadres in the interior. So, I am delighted to have 243 friends of 21 cadres and feel proud to be a member of 45th FTC. Everyday in here, we were mixed closely with these beautiful and pure minds with so enriched brain and heart and enlightened with the light of new friendship, love, empathy and fellow-feelings.

The souvenir '**Rapport**' is a humble endeavour to make our relationship semi-permanent. It is the heroic creation reflecting the co-operation and cordial assistance of the participants of the 45th FTC where we have attached ourselves forthwith our heartiest emotions. It is the archive of our relationship. We will find out each other through this souvenir for the rest of our life. It will inspire us to go forward reminiscing our sweet memories.

Remaining in tight schedule, souvenir publication is a tough work. It is the combined effort of course management, members of publication committee and the participants of the course. I would like to convey my heartiest gratitude to the Rector and other officials of Course management for providing us with valuable advice and assistance. Again I like to extend my thanks to the members of publication committee as well as to the participant friends for their necessary cooperation.

We have tried our best to furnish the souvenir with necessary information of the participants including the photographs of different activities. I do apology for the inadvertent mistakes which may occur in this souvenir. If there is anything good in this publication, it must belong to all of us.

May the Almighty help us to start our career with a mind of sincerity, dedication and utmost professionalism.

Mohammed Saiful Islam

Member Secretary
Literary and Publication Committee
45th Foundation Training Course
Bangladesh Public Administration Training Centre
Savar, Dhaka.

Message

"In dream begins responsibility" -W. B. Yates in his poetry has given emphasis on human attitude towards taking endeavors. Man is born to turn impossibilities into possibilities, to give birth to new ideas and to give effort where it is necessary. Grooming together with a bunch of potential people is obviously a ground breaking opportunity for a promising professional in present context. As no human can explore his /her potentialities without having a cross check by others of the same capacity, it is indeed an immense need to flourish together. Transition from traditional administrative model of civil service to present day managerial concept has increased individual responsibilities both in terms of capacity building and development as a whole.

Life goes on but stipulated time assigned for certain mission comes to an end with the successful achievement of the projected goals. Foundation Training Course is obviously a crucial task to be completed for a civil servant who tends to put a permanent imprint in his/her career path. Officers from 21 different cadres came to attend the 4-month long 45th Foundation Training Course organized by the Bangladesh Public Administration Training Centre (BPATC) which started from 20 December 2009. The main focus of the aforesaid training program was to create inter cadre relationship on the basis of *Esprit de Corps*. Despite heavy schedules and rigorous nature of the training program, the participants of the 45th FTC have proved their capabilities by giving in effort in attaining skills and knowledges in different issues. Among many other committees, the role and task of the Literary and publication Committee is a bit different. Immense pressure, hectic schedules and load of academic and non academic activities have sometimes made our publication tasks a bit difficult. But our commitment and care for perfection gave us spirit to go on with the job.

I like to express my heartfelt thanks and gratitude on behalf of all the members of the committee to our honorable Rector, Course Advisor, Course Director, Course Coordinators and other faculty members for extending help and providing valuable advice to make this souvenir a success. I am also grateful to all my committee members and to my fellow participants of the 45th FTC.

I seek my apology for any unintentional mistake in this regard and transfer all the credits to my fellow participants who have been very much inspiring for me.

Let us all grow with the hope of becoming the public managers of the 21st century and naturalize our spirit to strive at any point of practical demand.

The Profiles

Rapport is a portfolio of a group of young civil servants. It bears the sense of togetherness. It develops friendship, love, empathy and fellow-feelings among us. Now we are the confident and vibrant civil servants, are motivated enough to work shoulder to shoulder in propelling our country towards achieving our common goals of establishing a developed Bangladesh.

COUNTER TERRORISM STRATEGY OF BANGLADESH

Mohammed Saiful Islam
BCS (Police)

Bangladesh is experiencing a growing threat of terrorism to the national security, economy, and its political & religious pluralism. It displayed certain patterns and underwent several points of graduation to higher degree in terms of lethality and public concern, clarity of political goals of the terrorists and of their motivation and commitment. In addition, deficiencies in the actions of law enforcement and internal security apparatus allowed terrorist organizations especially radical Islamic militants to achieve their current level of power and capabilities. Bangladesh has to comply with the provisions of the United Nations Security Council Resolution 1373(2001) along with the ratified international counter-terrorism instruments. A comprehensive counter-terrorism strategy incorporating all the provisions at par international standard is needed to combat terrorism. The strategy proposed here is based on the following four pillars:

1. Measures to address the conditions conducive to the spread of terrorism in Bangladesh

An effective Counter-terrorism strategy requires addressing conditions conducive to terrorists to prevent radicalization. The considerations need to be undertaken are:

- To prevent radicalization it is important to address structural problems like inequality, discrimination, and youth unemployment, absence of secular and progressive political system.
- To challenge the religious indoctrination of those religious extremists who advocates 'an early entry into Paradise' through Jihad.
- To bring forward the Islamic organizations, Imams, religious/social institutions in restraining ideological fanaticism and radicalization in Bangladesh.

2. Measures to prevent and combat Terrorism:

- A great asset in Bangladesh's fight against terrorism is that People are strongly against terrorism. But this aversion needs to be converted into active resistance through awareness campaigns and enlightened religious education.
- Public-private partnership and political consensus are extremely important in this regard.
- Media and Civil Society should take constructive role in awareness building against terrorism.
- Good coordination between the intelligence and law enforcement agencies is an essential component to continue aggressive efforts against terrorist and their organizations.
- Extradition treaties with other countries are necessary to curtail movements of the terrorists' and deny them international shelters.

3. Measures to strengthen capacity to prevent and combat terrorism

- A national counter-terrorism alert system can be developed to guide national preparation and planning and to minimize the risk of terrorist incident.
- Bangladesh has a good track record for natural disaster management. A similar management capacity to attend crises caused by terrorist incidents like bombings and other violence's is to be developed.
- An inter-agency team capable of attending to the needs of victims, manage and minimize the consequences of terrorist attack should be formed.
- Allocation of funds from Govt. is necessary to enhance capacity on surveillance, investigation, forensic, apprehension and interrogation of terrorist incidents.

4. Measures to ensure respect for human rights for all and the rule of law

- Establishment of oversight mechanism to ensure human rights standards at par our constitution and International covenants & Conventions is crucial in counter terrorism discourse in Bangladesh.
- Human rights obligations should understand and respected by law enforcement bodies and abuses are to be dealt appropriately.
- The tendency to resort to extra-ordinary, extra-legal and extra-judicial measures to deal with terrorism should be discouraged with a view to upholding the rule of law.

ORDINARY OR IDEAL

Sharif Muhammad Faizul Alam
BCS (Administration)

Courage means going against the majority of opinion in the name of truth. - Valcave Havel (Czech playwright)

It is said that there are no or little differences between ethics and morality. But I want to make some differentiations between them. Ethics are the do's and don'ts, the have's and have-nots, the should's and shouldn'ts determined by a particular society, religion or profession, etc. In contrast, the morality is about only the should's and shouldn'ts determined by our conscience only! Ethics are contextual, whereas morality is context-neutral. Morality is universal. Sometimes, ethics are strongly anticipated to be observed and in case of failure to do so, some legal complications may be prompted, for example, medical ethics. As morality is conscience-guided, it depends on the strength of the individual's personality.

What do we want to be - a citizen or ideal citizen? A citizen can only go by observing the set laws, rules and regulations of the state. It is of no harm, if a citizen does not do more than that. But an ideal citizen goes for something more than that. Because if we want to be extra-ordinary, we must do something extra more than the ordinary people. If we want to be outstanding, we must work more standing out of the ordinary queue.

Citizens may go for strikes or hartals for their justified demands, but ideal citizens cannot go for heinous or inhumane picketing or vandalization of public properties. An ordinary citizen may not remove an obstacle from the thoroughfare and for this (s)he will not be held responsible and penalized. But an ideal citizen will definitely go for removing that without considering own interest. When people can legally cross the road either by using foot over-bridge or using the road directly; an ideal citizen will use the earlier option.

Thus hundreds of examples can be drawn. Opportunities are scattered here and there- everywhere - tangible or intangible, rational or irrational, valid or invalid, justified or unjustified. But the bottom-line is that even though taking chances would have very little or no impact on the society; an ideal citizen cannot become lavishly opportunistic. Now it rests on us whether we will be regardlessly opportunistic or not. Ideal citizenry will not do that. Because they are, at the end of the day, liable to their conscience- the Blackbox. They are self-honest and loyal to the morality. They know that once liar, always liar; once corrupt, always corrupt.

Character is what a person does in the dark. That is the real 'I' is the 'I', when I not under any watch, not under the spotlight. To become ideal, there should be no room for fraudulence or hypocrisy; no place for playing any dual role or maintaining any double standard either in public or alone.

How can it be possible? Just be self-honest and clear to your conscience in all aspects. Ask the questions like am I sure about what I am going to say or do? Or, is it right? Wait for the response of your inner 'I'. This Blackbox will not deceive, deny or betray you.

Often we hear the indignations or frustration like "I alone cannot change or fight it out or fix it up" or "there are a lot of things in the world we should not do, still we do. If I am not doing, someone else is doing!" or "how can I remain good, where others are bad", etc. In this case, I would like to say, imitating the slogan of the daily Prothom Alo, that "Be changed and change". We should better light a candle than to curse the darkness. We need not to teach or preach other. If we shoulder and carry out our own onus individually, the society will automatically be changed. We should no more wait for any great man or any angel to come to rescue us. We are those angels, those great men ourselves. But for that we must start from our sleep, from our toilet, basin, kitchen, dining table. Charity begins at home. And a journey of thousand miles starts from a small step.

There is no time to waste. We have already made the worst delay. This nation is badly in need of ideal citizens, not merely citizens. Are we ready? (Abridged)

GLOBAL ECONOMIC CRISIS AND BANGLADESH

Mohammad Tarek Bin Rashid
BCS (Police)

Globalization has made economies closely linked with each other so that there is hardly any scope for countries to run away from adverse impacts of economic mismatch in another country. The present global economic crisis originated in the US financial market in 2007 which overwhelmed the world economy within a short time. Although the developed industrial economies were the first sufferers, the crisis has transmitted to the rising and developing economies by 2008.

Although the Bangladesh economy has shown considerable flexibility against financial and real economy vulnerabilities of the global economic crisis and not much effect was visible till the last quarter of 2008, the situation started to change as the advanced economies entered into deeper recession by end of 2008. The Bangladesh economy has now been showing signs of slowdown and thus the country's growth and other macroeconomic projections have been altered downwards.

In this connection, despite having impressive performance in recent years, Bangladesh economy faces many challenges in moving out of the current LDC status. The challenges for the Bangladesh economy over the near and medium term include:

- Extending infrastructure facilities already severely deficient for current need;
- Promoting inclusiveness in development efforts crucial in attaining the MDG goals;
- Developing and strengthening the capacity of the financial sector in mobilizing and developing internal and external savings in productive investments;
- Human resource development (Education, Health, etc.);
- Export diversification;
- Productive use of growing workers' remittances;
- Sustain agricultural growth and extend support to the Small and Medium Enterprises (SMEs);
- Quick start of public-private partnership (PPP);
- Sustain progress in poverty reduction.

However, Bangladesh made huge advances with regards to many of the goals - some goals will be attained ahead of schedule while a limited few have been achieved already. In order to fully attain the target, the government must focus on remote areas of the country as well as segments of society which are marginalized and hard to reach. Bangladesh government made ample allocations in the FY 09 and FY 10 national budgets to uphold domestic demand and to fuel real sector investment.

Finally, it is evident that the global economic crisis has adversely affected Bangladesh's advancement toward achieving poverty reduction and social development goals including the MDGs. This demands the need to re-launch more determined efforts in achieving the stipulated goals. Bangladesh thus confronts difficult and complex challenges. However, how all these are impacting on the lives and livelihoods of mass people will need a more detailed study.

MUSHROOM: A TREASURE FOR NUTRITION IN BANGLADESH

Mst. Akther Jahan Kakon, Ph.D
BCS (Agriculture)

The present nutritional status of Bangladesh is a matter of great concern. Most of our people have been suffering from malnutrition. Mushrooms can substantiate the suffering from malnutrition to some extent, because they produce large quantities in a short time and provide more protein per unit area than crops. It contains 30% protein, in comparison to other animal and plant food, only 4% carbohydrate, and that too is not in the form of starch rather than in the form of glycogen, 5 to 6% fat and 60% vitamins & minerals which is higher than vegetables and fruits and is of superior quality. They are good source of high quality fibres & low caloric food. It can be value added by its versatile using like food, medicine and cosmetic purpose. It is only indoor vegetable which creates diversification of food production. There is a great scope to use of mushroom as alternative food. So, mushroom is an alternative rich source of meat, fish, vegetables, fruits etc.

Bangladesh is an agricultural based developing country and about 80% of the population is directly or indirectly engaged in a wide range of agricultural activities. Mushroom has already been an important crop in developed countries. Crop diversification and changes food habit is an urgent need to build up our national health. There is a huge prospect of mushroom cultivation in Bangladesh. The amount of agricultural land is decreasing day by day. But the population is going up. As mushroom do not required land, and its food value is very high the countries food deficit can be reduced to a great extent by extensive fanning of mushroom. The poor and the landless people can easily cultivate mushroom and make them self sufficient. Besides, the industrialist can set up mushroom industry for large scale production. The cultivation of mushroom is one of the lucrative agriculture job.

In this situation mushroom cultivation could be the potential offer of solution to poverty reduction and creation of food security for thousand of households. Bangladeshi farmers who are using local varieties of seed can grow rice and wheat that take an average of four months to reach harvest maturity but mushroom can produce returns within a short period of time. Though rice is the major source of food and nutrition but essential elements needed for good health is absent in carbohydrate rice and wheat based diet. As a result, the population is plagued with deficiency related disorders. Mushroom is unique food having potential in removing malnutrition and 'hidden hunger', thereby narrowing the nutritional divides of the population.

REPRESENTATION OF WOMAN IN BANGLADESH POLICE

Al-Beli Afifa
BCS (Police)

The police is the most visible manifestation of Bangladesh Government. They have a vital role in maintaining internal law and order and establishing the rule of law in the country. Besides male, women police played their roles during the last century in the world. Women were first employed in police during the First World War. The necessity of the Second World War forced the world to change the attitude towards women. Millions of people, mostly men lost their lives in the battlefields. At that time women had to fill the gaps of men in every sector and so in policing. And to achieve the 3rd goal "promote gender equity and empower women" of Millennium Development Goal (MDG) in South Asian Countries as well as in Bangladesh, Government is promoting empowerment of women. As a reform program number of women participation is increasing in different sectors including policing.

As a result, in 1974, for the first time women were recruited as Sub-Inspector and constable in the Special Branch. Then in 1976 for the first time, women police with uniform were recruited as SI. In the same year 60 women constable were recruited. And, in 1986, Ms Fatema Begum, who is now a Deputy Inspector General (DIG) was the 1st female officer who joined in the service as an Assistant Superintendent of Police through the 6th BCS. Also in 1988, four women officers joined in the police service through the 7th BCS.

From 1979 to the 1980s, a total of 195 posts were created for different metropolitan cities, increasing the women police contingent by 190.3%. In 1990, 182 more posts for women police were created in the newly established districts, registering an increase of 162.2%. Again in 1997, 43 Sub-Inspector, 43 ASI, and 215 constable posts were created for the districts, increasing their number by 163.4%. In 2005, the number of policemen increased by 163.9%. This also improved considerably the ratio between men and women police, from 3404.9:1 in 1974 to 91.9:1 in 2005.

Through the number of women police increased many times but the ratio of policewomen compared to the total female population is now 1 policewomen for 47,484 female. The percentage of women police is below 2%. At present the total number of women police is 1937 where number of DIG is one, Additional DIG four, Additional SP twenty seven, ASP seventy, Inspector fifty three, Sub-Inspector 189, ASI 253 and Constable 1331.

In our country women police are now performing traffic duties, detective works, law and order duties, VVIP protection, police station duties, prisoner guarding, escort duties and also as OC Immigration in Hazrat Shah Jalal International Airport or Director in RAB.

For the first time a female Inspector has been appointed as OC of Cantonment Thana in 2009. They are also working as expert in fingerprint analysis and hand writing analysis in CID. In the districts they are working as Superintendent of Police (SP) successfully. In 2006, VVIP protection of SAARC conference was successfully done under the close supervision of women SP. They are also performing in the UN Peacekeeping Missions in East Timor, Sudan, Congo, Ivory Coast, Liberia and Kosovo. An all women Formed Police Unit (FPU) is expected to join in UN Mission very soon. Besides these for the first time in our subcontinent a woman police officer was the parade commander in 25th BCS passing out parade in Bangladesh Police Academy. They are also performing successfully as contingent commanders in national parade. As a result of concerted effort of senior female police officers "Bangladesh Police Women Network" is launched in 2008, which is affiliated to the International Associations of Women Police (IAWP). It will provide leadership in achieving national and global women's development objectives through the policewomen's capacity building and professional skill development.

PRACTICAL APPLICATIONS OF DNA PROFILING

Abdullah Al-Mamun
BCS (Police)

What is DNA? DNA or Deoxyribo Nucleic Acid is the fundamental building block for an individual's entire genetic makeup. It is the hereditary blueprint passed on to us by our parents. Humans are multi-cellular organism and are composed of approximately 100 trillion cells. In the inner part of the cell lies the nucleus which, in turn contains chromosomes. Chromosomes are made of DNA.

What is DNA profiling? DNA fingerprinting which is now most popularly known as DNA profiling, is a method of isolating and making images of DNA sequences. Each human cell (except reproductive cells) contains approximately 3 billion base pairs of DNA. Among these about 10% of the DNA encodes over 40,000 genes.

Personal identification: Personal identification is particularly useful to solve criminal cases like murder, rape, theft or burglary. In these situations comparison is usefully made between the samples recovered from the crime scene or victim with the blood samples taken from the suspect. The use of forensic DNA analysis in criminal cases depends first and foremost on the availability of biological samples from the crime scene.

Paternity test: When carrying out a paternity test the DNA pattern of mother, child and the alleged father is compared. A child inherits half of his/her DNA from each parent. Every short tandem repeats (STR) marker in the child's DNA profile therefore should be present in either the mother or father's profile. It can also be used to settle immigration dispute to establish that individuals are true children or parent in case of family reunification.

Identity of disaster victims: Personal DNA profiling also allows the identification of victims of plane crash, road accidents, explosions, terrorist attacks, fire disasters or natural disasters. In many cases the body found is either severely burnt or recovered body/body fragments are in an advanced stage of decomposition. It becomes then impossible to find out the identity. In such situations, DNA profile of their tissue samples is compared with close relatives to confirm the identity.

Inheritance dispute: This type of DNA testing often needed to settle an inheritance dispute. There are two basic approaches to solve these cases. The first is to obtain an autopsy sample of the deceased father and generate the DNA profile. The second is to reconstruct the genotype based on surviving family members.

Conclusion: Over the recent years, DNA profiling has become a cutting-edge crime investigating technique and an individual instrument in search of justice. There are few techniques in the history of forensic science that have so thoroughly scrutinized and validated than forensic DNA typing. The introduction of this new technology would be considered a milestone in criminal investigation and legal system in our country.

স্মৃতির পাতায় দার্জিলিং

মোঃ ইবাদত হোসেন
বিসিএস (প্রশাসন)

প্রকৃতির প্রতিটি মানুষের মনকে আন্দোলিত করে হাতছানি দিয়ে ডাকে তার সৌন্দর্য উপভোগ করার জন্য। আমারও অনেকদিন থেকেই ইচ্ছে ছিল পাহাড় ঘেরা দার্জিলিং শহর দেখার, কিন্তু নানা কারণে তা সম্ভব হয়ে ওঠেনি। একদিন ভ্রমণ পিপাসু সন্মুখ স্যার বললেন, “চল দার্জিলিং বেড়িয়ে আসি”, সঙ্গে সঙ্গে রাজি হয়ে গেলাম। স্যারের চেষ্টায় দ্রুত পাসপোর্ট তৈরী হয়ে গেল। ভারতীয় হাইকমিশনার এর সামনে দুই দিন সকাল-সন্ধ্যা লাইনে দাঁড়িয়ে অবশেষে ভিসাও সংগৃহীত হল। ১৭ অক্টোবর ২০০৭ রাত ৮:৩০ টায় বিআরটিসি-শ্যামলী পরিবহন যোগে রওনা হলাম দার্জিলিং এর উদ্দেশ্যে। আমরা পাঁচজন। আমি, আমার স্ত্রী মিলি, সন্মুখ স্যার, খালামনি তানিয়া, আকবর আফ্লেক। সন্মুখ স্যার এবং খালামনি স্বামী-স্ত্রী। খালামনি আবার আমার সহপাঠীও। আমরা ভোর পাঁচটায় বুড়িমারি স্থল বন্দরে পৌঁছলাম। সীমান্ত অতিক্রম করে চেংরাবান্দা থেকে আমরা শিলিগুড়ির উদ্দেশ্যে রওনা হলাম। শিলিগুড়ি পৌঁছাতে বিকাল ৩.৩০ টার মত বাজল। সেখান থেকে দুপুরের খাবার খেয়ে সন্ধ্যার কিছুক্ষণ আগে জিপ গাড়ি ভাড়া করে রওনা হলাম দার্জিলিং এর উদ্দেশ্যে। গাড়িতে যেতে যেতে হঠাৎ দূরে দেখলাম কালো মেঘের মত। ভেবেছিলাম মেঘ হবে হয়তো। কিন্তু সন্মুখ স্যার বলে উঠলেন, “এ দেখ পাহাড় দেখা যাচ্ছে”। এক দৃষ্টিতে চেয়ে থাকলাম সেই গগনচুম্বী পাহাড়ের দিকে। কিছুক্ষণের মধ্যে সন্ধ্যা ঘনিয়ে চারিদিক অন্ধকার হয়ে গেল। পাহাড় কেটে ঘুরিয়ে ঘুরিয়ে তৈরী রাস্তা বেয়ে ধীরে ধীরে উপরের দিকে উঠতে লাগল আমাদের গাড়ী। মাঝে মাঝে যখন প্রায় উলম্ব রাস্তা বেয়ে উপরে উঠছিল তখন খুব ভয় লাগছিল। একসময় নীচের বাড়িঘর ও দোকানপাটের আলোকে মনে হচ্ছিল ঠিক তারার মত। যেন আমরা স্পেসশিপে চড়ে মহাকাশে যাচ্ছি। বিস্ময়ে অভিভূত হয়ে দেখলাম সেই মনোমুগ্ধকর দৃশ্য। দেখতে দেখতে চলে এলাম আমাদের বহু কাক্সিত দার্জিলিং শহরে। আমরা গাড়ী থেকে নেমে হোটেল খুঁজতে লাগলাম এবং “হোটেল পলিনিয়া” নামক একটি সুন্দর হোটেল পেয়ে গেলাম। রাতের খাবার খেয়ে বিছানায় গা এলিয়ে দিলাম। এভাবে শেষ হল ১৮ অক্টোবর।

১৯ অক্টোবর ভোরে আমরা রওয়ানা হলাম সিকিমের রাজধানী গ্যাংটকের উদ্দেশ্যে। যেতে যেতে দূরে কাল্পন-জংঘার চূড়া দেখা যাচ্ছিল। পাহাড় ঘেরানো রাস্তার দুপাশে চোখে পড়ল সারি সারি করে সাজানো চা বাগান, গুঁড়ি বাগান। চারিদিকে শুধু সবুজ আর সবুজ। পাহাড়ের মাঝ দিয়ে একে বেকৈ চলেছে সরল রূপবতী নদী তিস্তা। তিস্তার সাথে এসে মিলেছে আরো একটি ছোট পাহাড়ী নদী। একটি নদীর পানি সবুজ, আরেকটির পানি সাদা। দুই ধারা মিলে পাশাপাশি চলে গেছে বহু দূর। নয়নাভিরাম সেই দৃশ্য। আমরা সেখানে নেমে অনেক ছবি তুললাম। মূলত আকবর আফ্লেকই ছবি তোলার দায়িত্ব এককভাবে পালন করেছিলেন। মিলি ও খালামনি খুব বেশি আনন্দাভিভূত ছিল। অবশ্য খালামনির অভিযোগ আমি নিজেই নাকি উত্তেজনায বাংলা ছেড়ে সারাক্ষণ ভুলে ভরা হিন্দি বলছিলাম, যা খালামনি পুনরায় হিন্দিতে অনুবাদ না করে দিলে আমাদের ড্রাইভার বুঝতে পারছিল না। আমাদের নেপালি ড্রাইভার সমানে বাংলা, ইংরেজী, হিন্দি, নেপালি ও আরো কয়েকটি ভারতীয় ভাষা বলতে পারে। দার্জিলিং এর অধিকাংশ ড্রাইভারই নেপালি। একসময় পৌঁছে গেলাম গ্যাংটকে। সন্মুখ স্যার খুঁজে খুঁজে একটি বাঙ্গালি খাবারের হোটেল বের করলেন। খাবার খেয়ে আমরা গ্যাংটক শহরটাকে ঘুরে ঘুরে দেখলাম। Rope-Way তে চড়ে শিহরিত হলাম। দার্জিলিং প্রত্যাবর্তনে রাত প্রায় ১২.০০ টা বেজে গেল। একটু পরে অর্থাৎ ২০ অক্টোবর রাত ৩ টার দিকে কনকনে শীতের মধ্যে শীতল কাপড় যার যা আছে সব কিছু পরিধান করে সূর্যোদয় দেখার জন্য রওনা হলাম টাইগার হিলের উদ্দেশ্যে। আমাদের পৌঁছাতে দেরি হওয়ায় ওয়াচ টাওয়ারের নীচতলার টিকেট পেলাম। দর্শনার্থীরা কে কার আগে দাঁড়াবে তা নিয়ে হৈ-হুল্লাড়। আমরা দার্জিলিংয়ের সবচেয়ে উঁচু পয়েন্টে দাঁড়িয়ে। মেঘেরা আমাদের নীচ দিয়ে ভেসে বেড়াচ্ছে। যে এক অন্য রকম অনুভূতি যা বোঝানো যায় না। অধীর আগ্রহে অপেক্ষা করতে লাগলাম সূর্যোদয় আসার পথপানে চেয়ে। এক সময় আমাদের সমস্ত কৌতুহল নিবৃত্ত করে সূর্য মাঝে মাঝে দিল। দূরে কাল্পনজংঘা পাহাড়ের চূড়ায় বরফের উপর রোদ পড়ে এক মায়ারী দৃশ্যের অবতারণা হয়েছে। টাইগার হিল থেকে গেলাম বাতাসিয়া রক গার্ডেনে। সেখানে আমরা নেপালের ঐতিহ্যবাহী পোশাক পরিধান করে নানান আঙ্গিকে অনেক ছবি তুললাম। সেখান থেকে গেলাম “গঙ্গামায়া” ঝরণা দর্শনে। একপাশে বিভিন্ন রকমের পাহাড়ি ফুলের গাছে সজ্জিত ছোট ছোট বাগান। আরেক পাশে দূর থেকে আসা স্বচ্ছ পানি প্রবল বেগে আছড়ে পড়ছে বড় বড় পাথরের গায়ে, তারপর হারিয়ে যাচ্ছে তার গন্তব্যে। কোথাও বা স্রোতের বেগ বেশ কিছুটা শান্ত। আমরা সেরকম একটি জায়গায় নেমে স্নিগ্ধ শীতল পানি স্পর্শ করলাম। সেখান থেকে উঠতে আর ইচ্ছা হচ্ছিল না। তবুও উঠে এলাম। ফেরার পথে দেখলাম আরো একটি বিশাল আয়তনের ঝরণা। জায়গাটার নাম মনে নেই। একই জায়গায় সামান্য কিছু দূরত্বে অনেক গুলো ঝরণা। একটু দূরে দাঁড়িয়ে সবগুলো ঝরণাকে যখন একত্রে দেখলাম, তখনকার সেই দৃশ্য বর্ণনাতীত। ঝরণার পাশ দিয়ে তৈরী সিঁড়ি বেয়ে কিছুটা উপরে উঠলে একটি বিশ্রামাগার। সেখানে পাথরে খোদাই করা কয়েকটি ভাস্কর্য এবং সুদৃশ্য ফুলের বাগান। সন্মুখ স্যার এটা ওটা খাবার কিনে আনলেন। আকবর আফ্লেকের রসিকতা আনন্দ আরো বাড়িয়ে দিল। এরপর ফিরে এলাম হোটেল, তখন বিকেল হয়ে গেছে। আবার বিকেলে খেয়ে বের হলাম “নাথমল” নামক চত্বরের উদ্দেশ্যে। নাথমল ঢাকা বিশ্ববিদ্যালয়ের টিএসসি চত্বরের মত জায়গা। বিকেলে বহু মানুষ কারনে অকারনে জড়ো হয় সেখানে। নাথমলে অনেকক্ষণ হাঁটাচলা করলাম। সন্মুখ স্যার ও আমি ঘোড়ায় চড়লাম। হাঁটাচলার একপর্যায়ে মিলি ও খালামনি হারিয়ে গেল। সন্মুখ স্যার খুব উদ্ভিগ্ন। ঘন্টা খানেক পরে তাদের পাওয়া গেল। ভাবখানা এমন যে তারা ইচ্ছে করেই একটু ওদিকে গেছে। দার্জিলিংয়ে শীতের কাপড়ের প্রাধান্য বেশি। ওখানকার মেয়েরা দোকানে এবং ফুটপাথে শাল বিক্রি করে। মহিলা ক্রেতা দেখলেই বলে ওঠে, “ইয়ে দিদি, একটা শোয়াল লে যা”। সবাই আগ্রহের সাথে সেই শাল কিনে নিয়ে যায় তাদের প্রিয়জনদের জন্য। আমরাও কিনলাম। ২১ অক্টোবর দার্জিলিংয়ে সরকারী ছুটি থাকায় তেমন কোথাও যাওয়া হল না। বিকেলে দার্জিলিংয়ের সবচেয়ে বড় মার্কেট “বিগ বাজার” গেলাম। ২২ অক্টোবর দার্জিলিংয়ের মায়া ত্যাগ করে চলে এলাম শিলিগুড়ি। পথে দেখলাম রাস্তার দুপাশে সারি সারি কমলালেবুর গাছ। তাতে অনেক কমলা ধরেছে। তারপর “জোড়পোখরী” নামক স্থানে থামলাম। সেখানে একটি পুকুরের মধ্যে কৃত্রিম জোড়া সাপ। সেখান থেকে ফেরার পথে গেলাম আমাদের ড্রাইভার বিশালার ভাইয়ের বাড়ি। সেখানে আমরা অনেকক্ষণ আড্ডা দিলাম। তারপর এলাম “মিরিথ লেক”। লেকটি কিছুটা “ফয়েজ লেক” এর মত। বড় লেকের পাশে ছোট একটি লেকে অসংখ্য মাছ। দর্শনার্থীরা খাবার ফেলেলে হাজার হাজার মাছ জড়ো হয় তা খাওয়ার জন্য। এখানেও আমি ও সন্মুখ স্যার ঘোড়ায় চড়লাম। নিজেকে কিছুটা সময়ের জন্য যুবরাজ মনে হল। এরপর সোজা চলে এলাম শিলিগুড়ি। শিলিগুড়ি এসে সিনেমা হলে গিয়ে আমরা “ভুলভুলাইয়া” সিনেমা দেখলাম। ২৩ অক্টোবর আমাদের ঢাকা ফেরার কথা থাকলেও গাড়ির টিকেট না পাওয়ায় সেদিন থেকে যেতে হল। কিন্তু আকবর আফ্লেক চলে গেলেন। প্রথমে যেদিন শুনছিলাম আকবর আফ্লেক আমাদের সাথে দার্জিলিং যাবেন তখন খুবই হতাশ হয়েছিলাম এই ভেবে যে, একজন মুরব্বী থাকলে তেমন মজা করতে পারবো না। আমাদের ধারণা সম্পূর্ণ মিথ্যে হয়ে গেল। তিনি না গেলে বরং আমরা ভ্রমণটাকে পুরোপুরি উপভোগ করতে পারতাম না। যাই হোক ২৪ অক্টোবর সকাল ৭ টায় ঢাকার উদ্দেশ্যে রওনা হলাম ভালো লাগা অনেক স্মৃতি নিয়ে। ফেরার সময় কেবলই মনে হতে লাগল কি যেন ফেলে গেলাম। দার্জিলিং দেখার পর আমার মনে হয়েছে প্রকৃতি অকৃপণ হাতে তার সমস্ত সৌন্দর্য ঢেলে দিয়েছে দার্জিলিং এর বুকে। প্রতিটি মানুষেরই নিজেকে জানতে, নিজের মধ্যে নিজেকে আবিষ্কার করতে হলে প্রকৃতির নিবিড় সান্নিধ্য আসতে হয়।

বুনিয়াদি প্রশিক্ষণ কোর্স: প্রত্যাশা ও প্রাপ্তি

মোহাম্মদ আবদুল ছালাম
বিসিএস (প্রশাসন)

৪৫তম বুনিয়াদি প্রশিক্ষণ কোর্স হতে আমার প্রাপ্তি প্রত্যাশার চেয়ে অধিক। তবে প্রত্যাশা ও প্রাপ্তির রাস্তা একমুখী নয়। বুনিয়াদি প্রশিক্ষণ কোর্সের প্রশিক্ষণার্থী হিসেবে দীর্ঘ চার মাসের প্রশিক্ষণ শেষে কতগুলো কথা বা পংক্তির মাধ্যমে আমার প্রাপ্তিগুলো সুনিবেশিত করার চেষ্টা করেছি স্মৃতির পাতাতে প্রাপ্তির পংক্তিগুলো ধরে রাখতে। পাশাপাশি আমি ব্যবহারিক শিক্ষাকেও বেশ নাড়া দেয় খুব বেশি কলমকে করে গতিময়, সে কথাগুলোর কিছু পংক্তি দিয়ে নিজের লেখনীর হাতেখড়ি।

কোন পথে যাইতাম! সরকারী উচ্চ পদস্থ কর্মকর্তারা তাদের চাকুরীতে প্রবেশ করেন বিশ্ববিদ্যালয়ের সর্বোচ্চ ডিগ্রী অর্জন করে। তারাই একদিন দেশকে, দেশের জনগণকে, জনগণের প্রতিনিধিদেরকে নির্বাহী সহায়তা প্রদান করেন, এমনকি তারাই পারেন দেশের জন্য ইতিবাচক পলিসি তৈরীর মাধ্যমে এদেশের জনগণকে সেবা প্রদান করতে। জনগণের প্রদত্ত শ্রদ্ধা ও আয়করের টাকা দিয়েই সম্মানী প্রদান করা হয় সরকারী কর্মকর্তাদের। আমাদের উচিত জনগণের সর্বোচ্চ সুবিধা দেয়ার চেষ্টায় ব্রত হওয়া। ইতিবাচক দিকটির পাশাপাশি নেতিবাচক পংক্তিও সকলের জন্য উন্মুক্ত। তাই মেধা ও মনন দিয়ে আমাদেরকেই সিদ্ধান্ত নিতে হবে কোন পথে যাইতাম। আর সঠিক সিদ্ধান্ত নিয়ে এখনই সকলের দেশ গড়ার জন্য এগিয়ে আসতে হবে, কারণ দিন হতে দিন আরও কঠিন... ..

একখান সামাজিক! আমরা কেউ সমাজ থেকে বিচ্ছিন্ন নই। সবাই কোন না কোন সমাজের সান্নিধ্যেই বড় হয়েছি। তাই বড় হওয়ার পেছনে সমাজের ভূমিকা কোনভাবেই হয়ে করে দেখার উপায় নেই। প্রতিটি সমাজে ধনী-গরীবের সহাবস্থান থাকলেও গরীবেরা কি পাচ্ছে ধনাত্মকদের কাছ থেকে ন্যূনতম সুযোগটুকু। আমরা সরকারী কর্মকর্তাও কি ধনী-গরীবদেরকে সমান সেবা দিতে পারছি? আমরা কি সমাজের দরিদ্রদেরকে পাশের চেয়ারটিতে বসিয়ে সেবা দিতে পারছি? নাকি এখনও অনেকটা পথ বাকি?

কাজের চাপে আমরা প্রায়শই রুক্ষ মেজাজে থাকি। বিশেষ করে আমরা যখন কোন অধঃস্তন কর্মকর্তা বা কর্মচারীকে নিয়ে কাজ করি, তখন আমাদের অস্বাভাবিক মেজাজ স্পষ্টতর হয়। আমাদের শিক্ষা কি ততটুকু পর্যন্ত অর্জন হয়নি যতটুকু অর্জন করলে আমরা অধিক কাজের ভিড়েও অধঃস্তন কোন কর্মকর্তা বা কর্মচারী কোন কাজ করতে ভুল করলে তাকে কাছে এনে কাজটি বুঝিয়ে দেই। নতুবা কোমল কণ্ঠে কঠিনকে বুঝিয়ে দিতে পারি না এই বলে যে “আরে বাবু এতো কম বুঝলে কেমনে হবে?” তাতে বর্তমানের মেধাবীরা বুঝে নিতে তেমন অসুবিধা হবে বলে মনে করাটা অস্বাভাবিক নয় কি?

আমি তোমার মনের ভেতর একবার ঘুরে আসতে চাই! গানের কথাগুলো আমাকে এক অচেনা জগতের সন্ধান দেয়। পাশাপাশি আমার মনে জন্মিত হয় অচেনাকে জানার এক অদম্য স্পৃহা। প্রয়োজন বোধ করি অদেখা জগতটাকে দেখার আর অচেনাকে চেনার। তাইতো আমি গানের সুর আর মুহূর্তে প্রিয় মাতৃভূমিকে বা মানুষটিকে খুঁজি ভালবাসার টানে বিমোহিত হয়ে। আমরা কি পারি না শহরটা ছেড়ে একবারের জন্য হলেও পল্লী গ্রামের চিত্র দেখে আসতে?

I love those people who usually not agree with Obama but usually agree with America. উক্ত বাক্যটি থেকে আমার শিক্ষা হল সরকারী কর্মকর্তা হিসেবে আমরা যদি চাই জনগণের সেবক হতে তাহলে প্রেসিডেন্ট ওবামার মতো আমাদেরকেও একমতে পৌঁছতে হবে দেশের মঙ্গলার্থে তবে কোন ব্যক্তি পছন্দকে গুরুত্ব প্রদানের মাধ্যমে নয়। তাহলেই এদেশের সাধারণ জনগণ বেশী উপকৃত হবে। এক্ষেত্রে রাজনৈতিক ব্যক্তিবর্গের ভূমিকা অনেক, তবে সরকারের ভূমিকা অত্যধিক।

A ship in harbor is safe but it is not that always in harbor from sea. সন্তানেরা মায়ের কোলে সবচেয়ে বেশী নিরাপদ, তাই বলে সন্তানেরা সবসময় সে সুযোগটি না নিয়ে বিভিন্ন প্রতিকূলতাকে জয় করে হলেও এগিয়ে যায়। যদিও মায়েরা চান সন্তানকে আগলে রাখতে। আর চাওয়াটাই স্বাভাবিক কারণ পৃথিবীতে একান্ত আপন যে ব্যক্তিটি সে হল মা। আমাদের সকলকে এগিয়ে যেতে হবে ভবিষ্যত প্রজন্মের মঙ্গলার্থে।

সম্ভাবনা আর সম্ভব না মধ্যে পার্থক্য আমাদের সকলের কাছে সহজেই অনুমেয়। তবে দৃশ্যত শুধু একটি আ-কার (I-কার) স্থান পরিবর্তন করলেই একটিকে অন্যটির দ্বারা প্রতিস্থাপিত করা যায়। আমরা যদি আ-কার (I-কার)-কে চেষ্টার সাথে তুলনা করি বিষয়টি স্পষ্টতর হয়। আর এই চেষ্টার জন্য চাই ইচ্ছা। তাহলে ইচ্ছা আর চেষ্টার মাধ্যমেই আমরা সম্ভব না কে সম্ভাবনায় রূপ দিতে পারি। সম্ভাবনার পথই সফলতা। তাই বলছি -সম্ভাবনা আর সম্ভব না কোনটি পছন্দ?

আমার যে সব দিতে হবে, সেতো আমি জানি। জনগণের সেবা প্রদান আমাদের একমাত্র কাজ। তাদের যেকোনো সেবার জন্যে আমাদের সেবার মনোভাব রাখতে হবে। চেষ্টা চালিয়ে যেতে হবে জনগণের চাহিদা মারফিক সেবা প্রদানের। তাই ভাল সার্ভিসের জন্য চাই- যা বলে তা শুনবেন, আর যা না বলে তা আরও ভালোভাবে শুনবেন। কারণ না বলা কথার মধ্যেই নিহিত থাকতে পারে আপনার সবোৎকৃষ্ট সেবাটি! তাছাড়া ভাল বক্তা হতে চাই ভাল শ্রোতা হওয়া।

Leaderships are made not born- কথাটিকে পুরোপুরি সমর্থন করা যায় না। কারণ বিভিন্ন দেশের বিশ্ব নেতাদের দেখলে এটা সহজেই অনুমেয় হয় যে, নেতৃত্ব শুধুমাত্র made বা born -এর মাধ্যমেই সৃষ্টি হয় না। প্রতিটি মানুষই কিছু না কিছু বৈশিষ্ট্য নিয়ে জন্মায়, কেউ তা লালন করে কেউ করেনা। জীবনের সকল যৌথ সাফল্যের জন্য চাই সঠিক নেতৃত্ব। স্বাধীনতা পেয়ে গেলে আমি মাঝে মাঝে পরাধীনতা ভালবাসি। এজন্যই হয়তো মীর মোশাররফ হোসেন বলেছিলেন “স্বাধীনতা অর্জনের চেয়ে স্বাধীনতা রা করা আরও কঠিন”। তবে আগে চাই স্বাধীনতা, এজন্য প্রয়োজন একান্ত ইচ্ছা, ঐক্য, ধৈর্য আর পরিশ্রম।

আমার ত্রিশ বৎসরের প্রধান শিক্ষা- We have born to die। সে শিক্ষা বা উপলব্ধি থেকেই আমার অস্ফুট ধ্বনি, “তোমাতে যে মিশে- সে আসে না, যে আসে- সে আর ফিরে না”। পরিশেষে বলছি আমার প্রত্যাশা কোন না কোনভাবে সফলতা পেয়েছে, তাই প্রাপ্তির খাতাটি খতিয়ে দেখলাম কিছু শিখতে পেরেছি কি দীর্ঘ চার মাসে? নাকি চার মাসের পরিবর্তে ছয় মাস মেয়াদী প্রশিক্ষণ প্রয়োজন।

সুমন নাকি সুমনা

মোঃ ইউসুপ আলী
বিসিএস (প্রশাসন)

নাম নিয়ে বাহাসঃ এ তো প্রত্যাশিত। লেখাটির শিরোনামই যে বিতর্কিত তাই ব্যাখ্যা প্রদান করা আবশ্যিক। সু= সুন্দর আর মন তো মন-ই। অর্থাৎ সুমন মানে 'সুন্দর মন'। কিন্তু যিনি সুন্দর মনের অধিকারী তাকে কি আমরা 'সুমন' বলব না 'সুমনা' বলব? আপনারা যা-ই বলেন অত্যন্ত সুন্দর মনের অধিকারী 'সুমন' নামের আমার বন্ধুটিকে আমি 'সুমনা' বলেই ডাকি এবং ডাকব। আজকের এই গল্পটি তাকে ঘিরেই।

পরিচয় পর্বঃ সুমনার সাথে প্রথম পরিচয় হয় ২০০৬ সালের ১৬ই সেপ্টেম্বর। স্থান সিলেট ইন্টারন্যাশনাল ইউনিভার্সিটির রিসেপশন আমাদের উভয়েরই প্রথম চাকুরির প্রথম কর্মস্থল। ঐদিন আমাদের সাথে আরো যোগদান করেছিল শফিক (সুমনা যাকে 'সিরিয়াস শফিক' বলে ডাকত) এবং নাহিদ (গ্যাস্ট্রিকের কারণে 'Seclo' খেত বলে সুমনা তাকে 'Seclo নাহিদ' বলে ডাকত)। সুমনার সবচেয়ে বড় বৈশিষ্ট্য ছিল সে সারাক্ষণ হাসতো। শুধু নিজে হাসতো না বরং অন্যদেরকেও মজার কথা এবং বিচিত্র অঙ্গভঙ্গির মাধ্যমে তৎক্ষণাৎ হাসাতে পারত। সে এত মজার ছিল যে, কারও মন খারাপ থাকলে ও ভালো করে দিত।

অন্তরঙ্গতাঃ আমাদের প্রত্যেককে প্রতিদিন দুটো করে ক্লাশ নিতে হতো। আমরা সকালের দিকে ক্লাশ নিতাম। সুমনা নিত দুপুরের দিকে। নিত মানে নিতে চাইতো। মাঝে মাঝে ও দুপুর ০১:০০ টার ক্লাশেও দেবী করত। ভিসি এবং রেজিস্ট্রার কিছুদিন ওকে বাড়ি দিয়েও ফল না পাওয়ায় রণে ভঙ্গ দিলেন। জিজ্ঞেস করতাম, কিরে ক্লাশ ঠিক মতো নিস্ না কেন? উত্তর আসতো-- 'সারা রাত ফোনে কথা বলি কার সাথে? জ-নামের এক মেয়ের সাথে। অ্যাফেয়ার আছে উত্তরে 'হ্যাঁ' বলতো। কতটুকু? উত্তরে বলতো সেটা মাপতে পারব না, তবে যখন আলীগড়ে পড়তাম তখন ছুটিতে দেশে আসার সময় নিজ বাড়ী বিনাইদহে না গিয়ে 'জ'-এর ঠিকান রাজশাহীতে যেতাম। এরপর বাড়ী যেতাম। আরেকবার 'জ' বলেছিল প্লেনে চড়ে। তো যত টাকা ছিল তা দিয়ে তাকে টাকা-রাজশাহী এবং রাজশাহী-টাকা বিমানে চড়িয়েছিলাম। আমি বললাম- এ তো সামান্য ব্যাপার। উত্তর এসেছিল- 'আমার সামর্থ্য এতটুকুই'।

সুমনা সারাক্ষণ মোবাইলে 'জ' এর সাথে কথা বলত আর সবার পিছনে লেগে থাকত। যেমন- সে শফিককে বলতো 'এই শফিক তুই বিয়ে করিস না, তোর ছেলে জন্ম থেকেই টাক হবে' আবার নাহিদকে বলতো 'শোয়ার সময় শক্ত করে খাট ধরে রাখিস, তোর তো আবার গ্যাস্ট্রিক নইলে গ্যাসে উড়ে যাবি'। শফিকের এক বছর বয়সী ছেলের মাথায় টাক এবং নাহিদের গ্যাসের কারণে উড়ে চলা- এ সব দৃশ্য কল্পনা করে আমরা হাসতাম।

কিছুদিন সুমনাকে মনমরা দেখলাম। জিজ্ঞেস করতাই বলল- 'জ' নামের মেয়েটির বিয়ে হয়ে গেছে এক ব্যবসায়ীর সাথে যার কিনা মার্সিডিজ আছে। বললাম- 'দুই মিমির পরিমাণ একটু বাড়িয়ে দে, দেখবি সব ঠিক হয়ে যাবে।' হেসে বলল- 'আমি তিনদিনের মধ্যে ভুলে যাব'। মনে পড়ল বিখ্যাত নাজিম হিকমতের কথা। তিনি বলেছিলেন- বিংশ শতাব্দীতে শোকের আয়ু হবে মাত্র এক বছর। আর একবিংশ শতাব্দীতে সুমনার ক্ষেত্রে তা নেমে আসলো মাত্র ০৩ (তিন) দিনে। যাহোক দিন এভাবেই চলতে লাগল।

বিচ্ছিন্নতা এবং চিরবিদায়ঃ চাঁদের হাট বেশিদিন রইল না। জুডিশিয়াল সার্ভিস পরীক্ষায় সফল হয়ে আমি ও নাহিদ চাকুরি ছেড়ে দিলাম। সুমনাও ছাড়ল। বললাম- 'তুই কেন ছাড়বি, তোর তো অন্য কোন চাকুরি নাই?' উত্তরে বলল- 'সৌদি আরবের কিং ফাহাদ ইউনিভার্সিটিতে হয়ে যাবে।' বললাম- তখন ছাড়িস্। সুমনা কোন কথা না বলে তখনই চাকুরিটা ছাড়ল এবং বাড়ি গিয়ে বিয়ে করে বসল।

অনেকদিন পর অনেকগুলো ইংরেজী '+৮৮৮৮৮৮৮৮৮৮' এরকম একটি নাম্বার থেকে সুমনা ফোন করেছিল। প্রথমে চিনতে পারি নি পরে চিনেছিলাম। বলল, আমি এখন সৌদি আরবের কিং ফাহাদ ইউনিভার্সিটির শিক্ষক, বেতন ২.৫০-৩ লক্ষ টাকা হবে সব মিলিয়ে। ধার এবং এডভান্স নিয়ে একটা পুরাতন মার্সিডিজ গাড়ি কিনেছি। এটার ভিতর থেকেই কথা বলছি। বিশ্বাস হলো না। এরপর থেকে কিছুদিন পর পরই সে অদ্ভুত কিছু নাম্বার থেকে ফোন দিত এবং ঢাকায় আসার পর আমরা কি কি করব তার পরিকল্পনা করত। নাহিদ এবং শফিককে কিভাবে আরো বেশি রাগাবে তার পরিকল্পনাই বেশি করতো।

কিছুদিন পর আমাদের প্রাক্তন ছাত্রী সাথী ফোন করে জানাল- 'স্যার! সুমন স্যার আর নেই.....'। নেই মানে? সাথী জানাল- 'ইউনিভার্সিটিতে খবর এসেছে সুমন স্যার সৌদি আরবে গাড়ী চালাতে গিয়ে ভাবীসহ দুর্ঘটনায় মারা গেছে'। বিশ্বাস হলো না! সুমনার ছবিগুলো নিয়ে বসলাম, মনের অজান্তেই কান্না আসছিল। কোন মতেই মনে হচ্ছিল না যে সুমনা নেই, দুই দিন আগেই যে আমার সাে থ কথা বলেছিল। যা দেখিনি তা বিশ্বাস করি না। খবর ভুল, সুমনা বেঁচে আছে- মনে মনে সান্ত্বনা দিচ্ছিলাম। পরের দিন 'আমাদের সময়' পত্রিকায় প্রথম পৃষ্ঠায় শিরোনাম এলো- 'সৌদি আরবে সড়ক দুর্ঘটনায় বিশ্ববিদ্যালয়ের প্রভাষকের স্ত্রীক মৃত্যুবরণ। বিস্তারিত পড়ে জানতে পারলাম- প্রভাষকের নাম 'আক্তারুজ্জামান আফরোজ ওরফে সুমন'। এ যে সুমনার-ই নাম! গাড়ী চালাতে গিয়ে মরু ঝড়ে পড়েছিল, এরপর দুর্ঘটনা। তবুও বিশ্বাস হয় না। মনে হয়- এই বুঝি কোন অদ্ভুত নাম্বার থেকে ফোন করে বলবে 'মাসুদ কাল ঢাকায় আসছি'।

সুমনা তোর জন্য বলছি- শফিকের ছেলে হয়েছে তবে 'টাক' হয়নি, তার মাথা ভর্তি চুল। নাহিদের গ্যাস্ট্রিক মোটামুটি ভাল অবস্থায় এখন। তবে তুই থাকলে এর মাঝেও মজা করার মতো কিছু খুঁজে পেতি। তুই কি আর আমায় কখনও ফোন করবি না?

পাদটীকাঃ সুমনা! জানি না, তোর কথা আমার কতদিন মনে থাকবে? তবুও জেনে রাখ- তুই নেই প্রায় এক বছর হয়ে গেছে, কিন্তু তোর চেহারা, তোর হাসি সব আমার ঠিকই মনে আছে। যদি কোনদিন তোকে একেবারে ভুলে যাই, তবে মনে করিস্ সেটা আমি নই। সময়, শুধু সময় তোকে বিস্মৃতির অন্তরালে নিয়ে গেছে।
তোর স্মরণে-----

COME ON, COME HERE

Mohammad Lokman Hossain Mazumder
BCS (Agriculture)

No fear my dear
I am not a tiger not a bear
What are you doing alone?
Sitting on the stair
Come to me my dream
I am on the bank of the river.

No fear my dear
I am not a tiger not a bear
What are you saying alone?
Let me hear
And I am waiting for you
Please come near.

No fear my dear
I am not a tiger not a bear
What are you seeing alone?
Let me peer
All the flowers only for you
And sailing boat on the river.

No fear my dear
I am not a tiger not a bear
What are you dreaming alone?
Let me share
And I shall make you laugh
Come on, come here.

No fear my dear
I am not a tiger not a bear
Are you thinking about me?
Believe it or not
My love is too clear
So, I love you and let us cheer.

LOOSING CRESIDA

Md. Nazrul Islam
BCS(Administration)

Cresida-your days are gone
Now people have short time to love
And much time to behave rough.

My love for my woman;
is no more sacred as Omen.
Our souls are darkened.
Our bases are shaken
Now we cry to hive
And struggle to survive.

Cresida, come back *Cresida*
Our time needs you, needs you *Cresida*.

FROM THE BOTTOM OF MY HEART

Md. Shafiullah
BCS (Administration)

I go back into the past for a while
I get a flash and I smile.
Am I crazy still love you baby?
It was real it was right
But it burnt too hot to survive.
All that is left
Is all these ashes.
Where does love go I do not know
How could I be losing you forever?
After all the time we spent together.
I never wanted to see you sad
In my dream you appear for a while.
So I keep sleeping
To find you near again.

পরাদীন স্বাধীনতা

সহিদুল হক পাটোয়ারী
বিসিএস (প্রশাসন)

স্বাধীনতার স্বাদ আমরা পেয়েছি কিনা সন্দেহ
আপাদমন্তক পরাদীন ছিলাম আমরা
শকুনের উপনিবেশী কালো থাবা এ বঙ্গীয় ব-দ্বীপে
বহু দিনের বহু কালের
ব্যবসা কিংবা প্রাচুর্যের লোভে
এসেছিল বগীরা আমার বঙ্গ মাতার পানে
বহু ক্রেশ, রক্ত অথবা মা বোনের সন্তানের দামে
কিনেছি খাঁটি মাটি আমার।

স্বাধীনতার স্বাদ আমরা পেয়েছি কিনা সন্দেহ
বিজাতি তাড়িয়ে স্বজাতি জাকিয়ে
কখনো সামরিক অথবা সৈরাচার
কখনো মেকী গণতন্ত্র বা ক্ষুদ্র ব্যক্তি স্বার্থের দোলা
আজো দেখি রাজনীতিবিদদের টাগ অব ওয়ার
মসনদের মায়ায় যেন বিভোর
কারো কারো আবার অসহযোগিতা চরম নগ্নভাবে
যেন পিছু টানার প্রয়াস।

স্বাধীনতার স্বাদ আমরা পেয়েছি কিনা সন্দেহ
সামনে ভেসে উঠে অনিশ্চয়তা
আজো দেখি রাজপথে ফুটপাতে ভুখা বদনগুলো
যেন অভিশাপ দিচ্ছে অবিরত
অথচ একাংশের সম্পদ আহরণের প্রমত্ত নেশা
অন্য বিশালের নূন্যতম বাঁচা
দারিদ্র্য থেকে উত্তরণে প্রভুদের গালভরা প্রেসক্রিপশন
যেন প্রহসনে ভরা তকমা।

স্বাধীনতার স্বাদ আমরা পেয়েছি কিনা সন্দেহ
এত মতভেদ বিভেদ প্রভেদ
সামনের পথ কেবলই মনে হয় স্বাপদসংকুল
মতৈক্যের প্রবল সংকটে সমাজ
হতাশার সাগরে হাবুডুবু খাচ্ছে প্রজন্ম আমার
সর্বক্ষণ সর্বময় যেন নিরাশাবাদ
যাদের দামে এই অর্জিত স্বাধীনতার মানে
নিগৃহীত নিষ্প্রেয়িত তারা সর্বস্থানে।

স্বাধীনতার স্বাদ আমরা পেয়েছি কিনা সন্দেহ
কাকে বলে প্রকৃত স্বাধীনতা
একি আক্ষরিক, কাল্পনিক কিংবা ভৌগলিক ডিমার্কেশন
নাকি অর্থনৈতিক মুক্তির বারতা
কষ্টে অর্জিত স্বাধীনতার ৩৯ বছর পর
আজো ধূসর মনে হয় একে
সুজলা সুফলা এ বঙ্গ জনপদ রয়েছে পশ্চাৎপদে
এ যেন পরাদীন স্বাধীনতা।

বাদুড়

ইফতেখাইরুল করিম
বিসিএস (পরিসংখ্যান)

দূর পৃথিবীর কেন্দ্রে-
অগণন বাদুড়ের ভীড়ে-
বেকারের মেলা বসে।
বাদুড়েরা আজ জমিয়েছে ভীড়
রূপসী বাংলার সবুজ-শ্যামল গাছে গাছে।
পরম আনন্দে ওরা সোনালী ফসলে-
এঁকে দেয় ক্ষতচিহ্ন।
সূর্যালোকে ওরা শঙ্কিত
রাতের আঁধারে পায় অনাবিল তৃপ্তি।
ওদের একের মৃত্যু অনেকের সৃষ্টি।
বিপ্লবী নয় ওরা কখনও,
বরং সচেষ্টি
কখন বাঞ্ছিত লগ্ন আসে
সারাদিন প্রতিক্ষার পর।

এইসব দিনলিপি

মোঃ কায়ছারুল ইসলাম
বিসিএস (প্রশাসন)

উজ্জ্বল আলোতে
মানুষ কি ভুলেছে শিকড় ?
অজান্তে কি হারিয়েছে তার যত পুরাতন
ক্রম উৎসারিত মৃত্যুর ডাকে ?
মাঝরাতে কান্নার শব্দ শুনি
পৃথিবীর গভীর থেকে নোনা জল উঠে আসে
তীব্র বাতাসে
মানুষ কি ভুলেছে তার রক্তের আযান ?
মনের মাটিতে ক্রমে পলি পড়ে গেছে
মুছে গিয়েছে কি তার সকল চিহ্ন ?
