20 February 2011

MESSAGE

I am delighted to learn that the 47th Foundation Training Course of Bangladesh Public Administration Training Centre is going to be completed on February 20, 2011. On this occasion, I congratulate the participants and officials of the course on their successful completion.

The civil servants are the main driving forces for implementing government policies and decisions in a proper way. Training is of the essence in attaining professionalism which could help in performing duties smoothly and efficiently. I believe the participants of different cadre would discharge their duties with utmost sincerity imbued with the spirit of patriotism.

I wish the 47th Foundation Training Course a success.

Khoda Hafez, May Bangladesh Live Forever.

Zillur Rahman

Md. Zillur Rahman

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

PRIME MINISTER
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF
BANGLADESH

11 Magh 1417
24 January 2011

MESSAGE

I am happy to learn that the participants of the 47th Foundation Training Course at Bangladesh Public Administration Training Centre (BPATC) are going to publish a souvenir at the end of their course.

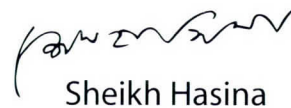

The present government has undertaken extensive plans and programmes to ameliorate the socio economic condition of the countrymen. The implementation of that plans and programmes largely depends on the performance of civil servants.

Our government is committed to building efficient, knowledge-based, dedicated and proactive civil servants to establish 'Golden Bengal' as dreamt by the greatest Bangalee of all time, Father of the Nation Bangabandhu Sheikh Mujibur Rahman.

I congratulate BPATC for its effort to transform these entrants into nation builders of tomorrow.

I wish every success of the participants.

Joi Bangla, Joi Bangabandhu
May Bangladesh Live Forever

Sheikh Hasina

Minister
MINISTRY OF FINANCE
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF
BANGLADESH

19 January 2011

MESSAGE

It gives me immense pleasure to learn that the participants of 47th Foundation Training Course are going to bring out a souvenir to treasure and showcase a few glimpses of their four month stay at Bangladesh Public Administration Training Centre (BPATC).

Career civil service is a noble mission. The mission is public service without personal political consideration. Civil servants play a very important role in the governance of a country. It is, therefore, crucial as to how these public servants are trained and how service delivery by them is organized.

I hope in the foundation training course they have learnt a great deal about their noble mission and also have equipped themselves to carry out their mission in the best possible way. Surely their ideas and experiences have been recorded in this souvenir.

The challenge before the civil servants is their competence and efficiency in realizing the political dream of the nation. And that goal is a peaceful and prosperous digital Bangladesh by 2021, the year of our golden jubilee of independence.

(Abul Maal A. Muhith)

ADVISER TO THE HONOURABLE PRIME MINISTER
(ESTABLISHMENT AND ADMINISTRATION AFFAIRS)

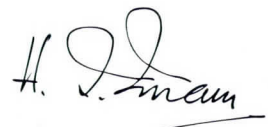

MESSAGE

The process of learning is an integral part of professional excellence. Throughout life-cycle, we take lessons and it is much more sharpened when we are through any training programme. For government officers, whose keen focus is on the utmost benevolence of citizens, this is more coherent. And grooming of the officers, especially through foundation course at the very outset of their career, is one of the main responsibilities of BPATC (hereinafter referred to as 'the Centre').

I am delighted to know that the participants of the 47th Foundation Training Course at the Centre are going to bring out a souvenir to commemorate their graduation. Since the Centre is the apex training institute of the country's civil administration, it is expected that the trainers would provide qualitative lessons to officers so that the latter can render quality service to the clients, i.e. the general people of the country. The Awami League Government, with the able leadership of Hon'ble Prime Minister Sheikh Hasina, is pledge-bound to ensure good governance and rule of law. And I believe the civil servants have the potential to make it possible. I wish the civil administration, irrespective of cadre, works more responsibly and efficiently than before. This spirit was inherent power behind our nine-month long liberation war whereby we fought for realizing the dream of a Sonar Bangla by our Father of the Nation, Bangabandhu Sheikh Mujibur Rahman.

Having said so, I take this opportunity to congratulate the participants in general and the members of the Souvenir Committee in particular. I am sure this sincere effort would cover both academic and functional aspects of training. At the same time, the publication would remain a source of sweet remembrance for officers and the faculty. I wish the graduates all-out success in their career.

Joy Bangla. Joy Bangabandhu.
May Bangladesh live forever.

(H. T. Imam)

**SECRETARY**

MINISTRY OF ESTABLISHMENT
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF
BANGLADESH

MESSAGE

I am really delighted to learn that the trainee officers of Bangladesh Civil Service undergoing 47th Foundation Training Course at BPATC are bringing out a souvenir on the eve of their passing out of the Center. The souvenir may understandably commemorate the gamut of their varied experiences and valued attainments spanning over their training period.

In the backdrop of the ever enhancing complexities of myriad challenges, surges of technological innovations and wide prevalence of cross-country digital divides, it has turned imperative for the young civil servants to get robustly powered with updated knowledge and know-hows as well as a state of the art skills and competences conforming to international statutes. It gives me immense pleasure in knowing that BPATC has of late restructured its training courses to match with the growing needs and also to keep the trainees well abreast of the affairs of the latest extremes of time. To my utter belief, I hold the view that the participating officers of the ongoing FTC could, with rigors of perseverance, have reaped lots of benefits out of the opportunities deliberately laid bare for them by BPATC.

Just on the eve of the completion of the training course, I would fervently hope to see all the trainee officers fairly scaled up in enrichment of qualities and heightening of confidence to combat the emerging challenges. I do also fondly wish to see the souvenir shaping out the elements of their visions and resolute commitments to serve the people as well as the nation as a whole with avowed dedication.

(Iqbal Mahmood)

**RECTOR**

BANGLADESH PUBLIC ADMINISTRATION
TRAINING CENTRE

MESSAGE

I welcome the initiative on the part of the participants of 47th Foundation Training Course to transform the brisk moments they have passed through during their last four months' inextricable engagement with BPATC into memories of enduring nature. I am sure the moments at BPATC, however fleeting they may appear, have carved a niche in the minds of the young officers and, in the days to come, their improved performance will register the fruits of rigorous discipline and toil they have acclimatised with during this formative phase of the career.

The ships are very safe in the harbour, but that is not the purpose for which they are meant for. Imbued with this philosophy of courageous pursuit of goals, the participants were expected to develop the skills required for civil servants to rise to the occasion and meet up national aspirations. I believe the course administration has succeeded in making a conscious and sincere effort to achieve these goals.

The civil servants certainly have a great role to play to lead the country forward. I am sure that these trainee officers will work with utmost sincerity, honesty and enthusiasm. I congratulate all the participants on their stunning performance, both in academic and extra-academic disciplines.

May these bright officers continue to excel in performing their responsibilities and be crowned with glory and success in every stage of their life!

D. Hossain
(Md. Delwar Hossain)

**COURSE ADVISER**47th FOUNDATION TRAINING COURSE**MESSAGE**

The very objective of the Foundation Training Course is to equip the participants to execute their responsibilities in a more strengthened manner and also prepare them to constantly redefine the proactive role a civil servant has in the face of ever-changing challenges of time. The course was designed to expose the inner potentials of the budding officers; the laudable performance of the participants in the academic as well as extra-curricular activities testifies to their growing confidence and competence.

To take our beloved country forward to the desired development we all need to work collectively with vigour and common vision. To do so the trainee officers, the potential leaders of tomorrow, need to keep up the bond they have developed amongst themselves during the training. This souvenir of the participants of 47th Foundation Training course would assist the participants in networking to work in unity, to remain committed and resilient in the face of unwarranted forces. The publication of this souvenir is a meaningful and significant initiative on that account; I appreciate this wonderful effort by the trainee officers and extend special thanks to all those involved in the publication.

I am confident that these bright trainee officers will employ their learning at BPATC in their workplace. I wish all the success to our young brilliant officers and believe that with their intense and sincere endeavours they would be able to build a just society for the people of Bangladesh.

(Parag)

COURSE DIRECTOR
47th FOUNDATION TRAINING COURSE

MESSAGE

Training is a life long journey. This is much more applicable to the civil servants of the country. As service providers to the people, as implementers of government decision and as torchbearers of change, they need to equip themselves with knowledge and information as well as skills and technology in order to play an active role in the sustainable development of the country.

As a Chinese saying goes, "Every great journey begins with a small step". I believe the young officers, through this foundation training, have made a small but significant stride towards acquiring the capacity to fulfill the responsibilities they have been entrusted upon. Apart from providing them with an opportunity to inculcate a rigorous sense of discipline, we have endeavored to make sure that the participants enrich themselves through intensive group discussions, extempore presentations, intriguing battle of wits and artistic performance on the stage.

I congratulate the participants of 47th Foundation Training Course for the tenacious devotion and creative impulse reflected in everything they have done during this four month sojourn at BPATC. I am sure the participants will hold in their hearts the commitments they have made towards the nation through this souvenir and emerge as confident, responsive and proactive civil servants.

I wish the participants a successful life and bright career.

Banik Gour Sundar
(Banik Gour Sundar)

President
Souvenir Committee
47th FOUNDATION TRAINING COURSE

MESSAGE

It has been a real privilege for me to have worked with a team that has demonstrated remarkable zeal and perseverance in encapsulating some of those unforgettable moments which bound all the participants of 47th Foundation Training Course together during the last four months and will continue to do so in the years to come.

Right from the moment we entered the Centre, it started unfolding before us with all its distinctive features and successfully initiated the process of moulding us into efficient public managers. Apart from theoretical orientation with relevant discourses on governance, management and sustainable development, we were exposed to such indoor practical sessions as group discussion, graphical presentation, extempore speech, role play, seminar and workshop as well as such outdoor experiences as 'Know Bangladesh' and 'Field Visit' programmes. I believe the dynamic and enlightened leadership as well as the culture of discipline exhibited by the course management were instrumental in forming the participants from eighteen different cadres into a brigade of exuberant performers.

On behalf of the Souvenir Committee, I would like to extend our heartiest thanks and deepest gratitude to Mr. Md. Delwar Hossain, respected Rector of BPATC for his close supervision of all the activities of the course and, especially, for his enthusiastic patronage of the initiatives fostering the development of aesthetic forces in life. We are also indebted to our respected Course Adviser Ms. Parag and respected Course Director Mr. Banik Gour Sundar for their continual guidance and cooperation. Our sincere appreciation also goes to all the course coordinators, specially Mr. Md. Zakir Hossain and Mr. AFM Amir Hussain, for their constant counsels, keen assistance and painstaking efforts in every phase of the publication of this souvenir.

I am sure whenever anything of what we have passed through at BPATC will tend to sink into oblivion, this souvenir will act as a sweet reminder refreshing our memory and evoking the feelings of mutual trust and amity we developed amongst ourselves wiping away the artificial differences we often harbour in our mind.

A handwritten signature in black ink, appearing to read 'M. Hye Milton'.

(Muhammad Abdul Hye Milton)

**Member Secretary-1
Souvenir Committee**

47th FOUNDATION TRAINING COURSE

MESSAGE

‘Unity in diversity’ existed among 247 Officers of the 47th Foundation Training Course. This is a unique opportunity in our service life to be in a large group for a period of four months at a stretch in Bangladesh Public Administration Training Centre (BPATC). Life has its own journey. None can stop it. During the short span of journey some special events occur which we carry throughout our lives. The time at BPATC will remain afresh in our memory because of the interactions with enlightened personalities of the country we have come across here. During four months time, we have been overwhelmed by the constant touch of efficient, creative, expert and prudent faculty members as well as resource persons at BPATC. The lectures delivered by eminent personalities, faculty members and resource persons have undoubtedly enriched our knowledge and broadened our understanding of various important aspects of national and international matters which will lead us to serve the people of our country in an efficient, honest and dedicated way.

I believe this training has helped us tremendously by developing and making us more proactive and well-groomed civil servants to employ ourselves to fulfill the golden dreams of the nation.

I would like to express heartfelt thanks to our respected Rector, Course Adviser, Course Director, Course Coordinators and all other faculty members for guiding us with valuable advice and assistance to make the endeavour of this souvenir successful. I also extend my cordial thanks to the members of the Souvenir Committee along with the participants of 47th FTC who have assisted and inspired for the successful publication of the souvenir. We have tried our best to include the necessary information of the participants along with training related photographs. Despite our wholehearted efforts, if any mistake occurs, I apologize for that.

I wish sound health and smooth professional life of all participants of 47th FTC and hope that all will always endeavour to serve the purpose of the people.

(Muhammad Abdul Wahab)

**Member Secretary-2
Souvenir Committee**

47th FOUNDATION TRAINING COURSE

MESSAGE

For being skilled, proactive and well-groomed civil servant committed to the welfare and development of the people in an ever-changing global context, we 247 Government officials of 18 cadres started our journey on 24 October 2010 to attend the 47th Foundation Training Course at Bangladesh Public Administration Training Centre (BPATC). At Present we are witnessing a rapidly changing world, whether be it in the form of climate change or economic turmoil. It is crystal clear to all of us that we all belong to a global village where we must live and work together efficiently and effectively. Here lies the main objective of this training course.

Throughout the course, we always tried to develop an insight on national goals and objectives through analysing socio-cultural, political and economic development issues, strategies and processes realistically. In this four month course we have tried to learn and adhere to the basic service norms, rules, policies and procedures. I must say, we passed some warm and memorable time of our life in a lush natural environment.

Our aim was to develop the interpersonal relations through a positive fellow feeling with various cadres. Now, at the end of the course we are attached so deeply that everybody will feel for each other before departing from the Centre. This souvenir is a memento of our memories at BPATC.

Being the part of this committee as one of the Member Secretaries, first I want to express my profound gratitude to Allah and then show my sincere thanks and gratitude to our Rector sir and the whole course management. I have to admit that without the hard work of our President of the Souvenir Committee it would not have been possible to publish this souvenir within the stipulated time. It also involves a lot of contribution from each and every member of this committee. I would also like to take the opportunity to extend my deep sense of respect and thanks to all the donors who have contributed generously to the publication of the souvenir.

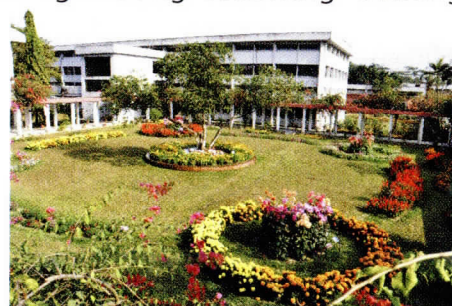

Thank you all.

(Md. Kamruzzaman)

BPATC at a glance

Bangladesh Public Administration Training Centre (BPATC), the apex training institute in the public sector, emerged as an autonomous organisation in 1984 under the Bangladesh Public Administration Training Centre Ordinance, 1984 by amalgamating following training institutions:

- Bangladesh Administrative Staff College (BASC)
- National Institute of Public Administration (NIPA)
- Civil Officers' Training Academy (COTA), and
- Staff Training Institute (STI).

The Centre is located in a lush natural environment about 28 kilometres away from Dhaka, the capital city of Bangladesh.

Since its inception on 28th April 1984, BPATC has been providing training to the officers of government, autonomous and non-government organisations. Among the courses conducted by the Centre, the Foundation Training Course is for the entrants to Bangladesh Civil Service while Advanced Course on Administration and Development (ACAD) is for the Deputy Secretaries and their equivalents and Senior Staff Course (SSC) for the Joint Secretaries and their equivalents. In addition to these, the Centre also conducts a number of short courses. Objectives of these courses among others are to make officers aware of the policies of the Government, familiarise them with the Government rules & regulations and apprise them of the recent changes in the field of public administration.

Vision

By the year 2020, BPATC will establish itself as a centre of excellence and a regional hub for development of competent, innovative and morally sound public servants and a “think tank” of knowledge-based governance.

Mission

We commit ourselves to:

- developing human resources with competence and strong moral values through state-of-the art training;
- promoting a culture of continuous learning in the public service to foster a knowledge based society;
- conducting research and publications on public sector management;
- networking with reputed institutions of home and abroad to enrich training, research and consultancy; and
- extending consultancy services for enhancing organisational performance.

Spouse's Name & Occupation : Badrun Nahar, Homemaker

Memorable Moment in the Course : First Mess Night

Favourite Personality : Hazrat Mohammad (SM) and my daughter

Favourite Quotation : Better late than never

Commitment towards Nation : To serve people

Contact Number : 01921 - 562848

E-mail : mtoufiq140278@gmail.com

**Muhammed Toufiqul Islam**

Nickname : Rayhan

BCS (Police)

25th Batch**Muhammad Harun Ar Rashid**

Nickname : Harun

BCS (Agriculture)

27th Batch

Designation & Office : Agriculture Extension Officer, Shulla, Sunamgonj

Academic Background : BSc Ag. (Hons), MS in Agronomy
BAU, Mymensingh

Father's Name : Muhammad Nurul Amin

Mother's Name : Samsunnahar Begum

Permanent Address : Vill. Dhala, P.O. Jatrabari,
Upazila - Purbadhala, Dist. Netrokona

Date of Birth : 28 December 1979

Blood Group : O⁺

Spouse's Name & Occupation : N/A

Memorable Moment in the Course : Campfire Night

Favourite Personality : Poet Jasim Uddin

Favourite Quotation : Don't harm anybody

Commitment towards Nation : Do better work for the nation

Contact Number : 01916 - 428166

E-mail : harun79mn@yahoo.com

Two Poems

S.M. Mehedi Hasan

BCS (Administration), 27th Batch

I. Occidentalization

being asked
 'what is what'
 answered, i, promptly
 'what not what'
 and
 'what is not'
 suffering from doubt,
 the stout, stops
 mind
 full of 'ifs' and 'buts'
 the gang goes to pub and club
 to get bodied and to 'rub'
 butts
 arrested between two
 bests
 arrested between two
 privates
 arrested between two
 for
 two arrested infinite buau
 the gang goes to pub and club
 to get bodied and to 'rub'
 heart is hardly mingled with
 heart
 heart moves from heart to
 heart
 body comes, goes heart
 lots of hearts are to get
 heart
 the gang goes to pub and club
 to get bodied and to 'rub'
 life
 for only drinking?
 life
 for only eating?
 life
 for only 'joying'
 or,
 has an everlasting meaning?

II. Tahrir Square

Leave this stage O' the old

Leave this stage

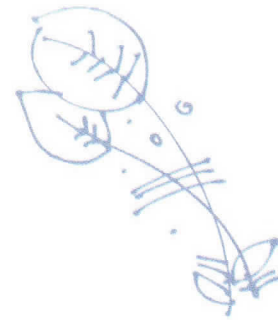

Here a new play will be staged

Here bear we tear

Here conquer we fear

Here will be sung a song of summer

Not of winter not of winter not of winter

Life?

Mostafizur Rahaman Bhuiyan

BCS (Railway Engineering), 27th Batch

Life is a candle

Which burns and then ends.

Life is a tree

Its branches grow big and then bend.

Life is a star

Which twinkles and then falls.

Life is just a life

Which leaves the body when death calls.

Life is a glower

Graceful and without grace.

Life is a moon

Which keeps changing its face.

Life is a glass

Which can break anytime.

Life is in speed

Which can crash for any mistake.

Life is a small boat

Going deeper in a sea.

Life is just a life

Which has no guarantee.

দুঃস্বপ্নের দুয়ারে

শাহানাজ আখতার রানু
বিসিএস (পররাষ্ট্র), ২৭তম ব্যাচ

তোমার দুঃস্বপ্নের দুয়ারে দাঁড়িয়ে
আমি কেবলই খুঁজতে থাকি
নিরন্তর খুঁজি তোমার মুখ-
তোমার সীমানা ।
প্রিয়তম-
আমি যাযাবর এক,
কখনো স্থির নই লক্ষ্যে
আমার পথও পথহীন,
আমার বাগানে কোন পাখি বা ফুল নেই-
এখানে কেবল অজগর আর গোখরার আনাগোনা ।
আমার নদী ছোট্টে উল্টো স্রোতে, উল্টো পথে-
সাগরের টান অনুভব করলেও
আমি মাঠ-ঘাট ছাড়িনা কখনো ।

তোমার দুঃস্বপ্নরা কি আমার মতই
নিকষ কালো এক প্রজাপতি?
আমার মতই ছন্নছাড়া নষ্ট কল্পনা?
কিংবা ঝরে যাওয়া শুকনো বেলী?
প্রিয়তম-
আমার পরাণ ভরা দুঃখ,
আমার ভুবন ভরা প্রেম আর পাপ ।
তোমার দুঃস্বপ্ন ভেদ করে আলোময়
সকাল আনবে কিনা, জানিনা ।
আমার পঙ্কিল পথ তোমার
দুঃস্বপ্নের পথে মিলবে কিনা, জানিনা ।
তোমার আকাশের সকল মেঘ
আমার ভুবনে বৃষ্টি ঝরাবে কিনা, জানিনা ।
সকল না জানার মাঝে কেবল
একটি জানাই প্রকাশিত সত্য-
তোমাকে ভালবাসি ।

প্রতিকূল পরিবেশ

মো. শামীম ইকবাল
বিসিএস (কৃষি), ২৭তম ব্যাচ

স্মৃতিরা হারিয়ে যায় বিবর্ণ বাস্তবতায়
সুরেরা বেসুরো হয়, সময়ও হারায়
নদীরা হারিয়ে যায় কঠোর অনুশাসনে
পাখিরা ফিরে না আর সন্ধ্যা আগমনে ।
আম কুড়ানোর দিন শেষ, কুল কুড়ানোর দিন,
সেই দিন চলে গেল, পাতা কুড়ানোর দিন
পাতাও নেই, কুড়ানোও নেই
আছে শুধু বিবর্ণ বাস্তবতা ।

স্মৃতির পাতায়

অমরেন্দ্রনাথ বিশ্বাস
বিসিএস (কৃষি), ২৭ তম ব্যাচ

শেষ প্রশ্ন

মাসুমা আক্তার
বিসিএস (পুলিশ), ২৫তম ব্যাচ

প্রশ্ন দিয়ে জীবন শুরু
প্রশ্ন দিয়েই শেষ,
প্রশ্ন নিয়ে আমরা সবাই
দিন কাটাচ্ছি বেশ ।
আতুড় ঘরে প্রশ্নের শুরু
লিঙ্গ চেনা নিয়ে
নতুন জীবন হয় যে শুরু
প্রশ্ন উত্তর দিয়ে ।

কচি-কাঁচার জীবন মানে
প্রশ্ন ভুল যুদ্ধের
ব্যর্থ হলে দিতে উত্তর
প্রস্তুতি তাই যুদ্ধের ।

যৌবনেতে প্রশ্ন বেশি
জীবনটাকে গড়ার
সঠিক চেষ্টা রইলো মাথায়
থাকবে অনেক করার ।

ভাটি বেলায় প্রশ্ন বাড়ে
হিসাব নিকাশ নিয়ে
এত প্রশ্নের মিলবে উত্তর
জান কোথায় গিয়ে?

সাতচল্লিশতম এফটিসিটা হলো স্মৃতিময়
যা পেয়েছি সবার মাঝে তা হারাবার নয় ।
ক্লাসের মাঝে কেউ ঘুমাতে, নাক ডাকতে সুখে
সুযোগ পেলেই সালাউদ্দিনের খই ফুটতো মুখে ।
বুশ লাদেনকে পেলাম আমরা কামরুল ভাইয়ের মাঝে
তোফায়েলের গানগুলো যে আজও কানে বাজে ।
কোয়েশ্চেন কামাল দাঁড়িয়ে গেলে হয় যে মাথা নষ্ট
প্রশ্ন নাকি লেকচার দেয়, বোঝা বড়ই কষ্ট ।
মিষ্টি কণ্ঠে ফারহানা গায়, “এ গান যে গেয়েছি”
ক্যামেরা হাতে আন্দালিবকে আমরা পেয়েছি ।
বাঁধ মানেনা রাজকুমার দা’, কথা বলা চাই
নাচতে উঠলে মোজাম্মেলকে ঠেকানোর কেউ নাই ।
মঞ্চের ‘পরে আছে সুমিত, আছে খেলার মাঠে
যাত্রা শিল্পী সত্যেন বাবু পা ঝাকিয়ে হাতে ।
ডাক্তারগিরি ছেড়ে তৌফিক হলো কার্টুনিস্ট
রাকিব শুধু ভালোই গায় না, ভাল গিটারিস্ট ।
ডিজিটাল যুগে সেলিনা আপা লেখে প্রেমের চিঠি
ব্যথা আসে আবদুল্লাহ গায় শুরু হলে পিটি ।
পেজগি গ্যাঞ্জাম নিয়ে আছে প্রিয় কাজেম ভাই
ফুড মিনিস্টার কাশেম ভাইয়ের তুলনা যে নাই ।
কিউট হাসির বন্যা নিয়ে এলো রোকসানা
ফেসবুকেতে বন্ধু হতে আছে তাহার মানা ।
ফ্যাশন শোতে মডেল ইরিন নাচলো হেলে দুলে
মফিদুলের তোতলামিকে যাবো নাকো ভুলে ।
মহাজ্ঞানী মিলটন ভাই অতি ভদ্র ছেলে
চিৎকারেতে খ্যাত জাকির চাকুরি করে রেলে ।
অনেকেরই কথা আমি লিখতে পারলাম না
নিজ গুণে সবাই মোরে করে দিবেন ক্ষমা ।

“কেউ কথা রাখেনি”

(সুনীল গঙ্গোপাধ্যায়ের “কেউ কথা রাখেনি” কবিতার প্যারোডি)

মোঃ হুজ্জাতুল ইসলাম

বিসিএস (কৃষি), ২৭তম ব্যাচ

কেউ কথা রাখেনি

তেত্রিশ প্রহর কাটালো

কেউ কথা রাখেনি

FTC’র শুরুতে ফারহানা আপু তার বাংলা গান শুনিয়ে বলেছিল

কোন একদিন হিন্দি গান শুনিয়ে দেবে-

তারপর কতগুলো চমৎকার দিন চলে গেল কিন্তু

সেই আপু আর গান শোনালো না।

পঁচিশ মিনিট প্রতীক্ষায় আছি-

আমার রুমমেট বলেছে- অপেক্ষা কর রুমমেট

আমি তোমায় বাথরুমে ঢুকতে দেব-

সেখানে মাথার উপর বারণার পানি পড়ে-

রুমে আমি আর কত অপেক্ষা করবো?

অপেক্ষা করতে করতে নাস্তার সময় চলে গেলে-

তারপর তুমি আমায় বাথরুমে ঢুকতে দেবে?

একবারও ওয়াশরুমে ঢুকতে পারিনি কখনো

যতবার যেতে চেয়েছি ভিতর থেকে আটকানো দরজা

আমায় দেখে তাচ্ছিল্যের হাসি হেসেছে

মূর্তির মত বন্ধ দরজার সামনে দাঁড়িয়ে শুনেছি

ভিতরে অবিরল পানি পড়ার শব্দ।

গত তিন মাসে আমার সহকর্মীদের দেখেছি

কত চমৎকারভাবে ইংরেজিতে কথা বলে

কি সুন্দর artistic way- তে Vote of thanks দেয়-

আমি একবারও দেয়ার সাহস পাইনি-

ডা. সামাদ আমার কাঁধ ছুঁয়ে বলেছিল-

দেখিস একদিন আমরাও-

সামাদ এরও Vote of Thanks দেয়া হয়নি

আমাদের দেখা হয়নি কিছুই-

চমৎকার করে ইংরেজি পড়া

একটু সুন্দরভাবে ইংরেজি বোঝা আর

fluently ইংরেজিতে কথা বলা

আমায় কেউ শিখিয়ে দেবে না।

কফি কর্নারে কফি খেতে খেতে গোলাপী বলেছিল

যেদিন আমার টার্ম পেপার রেডি করে দেবে

সেদিন তোমায় সত্যিকারের ভালবাসা দেবো।

ভালবাসার জন্য আমি ভরমিটরি ছেড়েছি-

ল্যাপটপ ধার করে নিয়ে ছুটে গেছি WiFi জোনে-

সবগুলো Website তন্নতন্ন করে খুঁজে এনেছি-

সাড়ে আট পৃষ্ঠার টার্ম পেপার

তবুও কথা রাখেনি গোলাপী।

এখন তার টার্ম পেপার জমা হয়ে গেছে-

এখন আর আমায় প্রয়োজন নেই।

কেউ কথা রাখেনি-

তেত্রিশ প্রহর কাটালো

কেউ কথা রাখে না।

“নিষিদ্ধ গন্ধম” এবং অতঃপর

ফাহ্মীন খালেক নিপা

বিসিএস (পরিবার পরিকল্পনা), ২৭তম ব্যাচ

প্রদীপের নিচে অন্ধকার শাস্বত সত্য

তবুতো আলোর ছটা, কিছুক্ষণ দেয়ালের পুরোটা জুড়ে,

আমি আঁধারকে ভাবতে চাইনি, চেয়েছি একমুঠো আগুন

সমস্ত মলিনতা যে দেবে ঢেকে, এক মুহূর্তের জন্য হলেও।

অনেক গাঢ় যুক্তি থাকবে জানো

আমাদের আজকের হেঁটে চলার বিপরীতে,

তুমি কি পেছাবে পিছুটান অথবা দুর্নাম আছে বলে?

শ্বাপদ-সংকুল পথে বেহুলা হেঁটেছিলো একদিন-

ভেতরের শুদ্ধতা আমার ক্ষয় হয়নি আজো; তাই

তুমি লখিন্দর হলে আমিও পেরুবো অনন্ত বেনোজল।

নিষিদ্ধ গন্ধম আদম-হাওয়াকে যতটা করেছিল পাপী,

পৃথিবীর অভ্যদয় ছিল তারো বেশি আরাধ্য আজ মানি।

দুর্জন-সেতো খুঁজবেই প্রেম-প্রদীপের আঁধার-

আমি শুধু জানি, তুমি বলেছিলে একদিন-

মানুষ পৃথিবীতে একবারই আসে, মনে রেখো,

অতঃপর খোলা আকাশের নিচে,

আমি তোমাকে অবগাহন করেছি অবলীলায়।

ফিরে দেখা

জেবুন নেছা হায়দার

বিসিএস (নিরীক্ষা ও হিসাব), ২৭ তম ব্যাচ

সুভেনির-এর জন্য লিখতে বসেছি। অনেক টুকরো টুকরো স্মৃতি মনের কোণে ভিড় করছে। হারিয়ে যাচ্ছি প্রথম দিকের দিনগুলোতে। বিপিএটিসিতে এসে রেজিস্ট্রেশনের সমস্ত ফর্মালিটি শেষ করে সন্ধ্যার পরে রিসেপশনের সামনের রাস্তা দিয়ে মাহবুবার সাথে হাঁটছি আর মুগ্ধ হয়ে ক্যাম্পাসটা দেখছি। চাঁদের আলায়ে সমস্ত ক্যাম্পাস যেন এক মোহনীয় রূপ ধারণ করেছে। সামনে কিছুদূর যাওয়ার পর দেখি ফারহানা আর রানু ফোয়ারার পাশে বসে আছে। আইল্যান্ডে বসে গল্পের মাঝে রানু মোবাইলে গান শুনালো। নারকেল গাছের পাতার ফাঁকে চাঁদের উপস্থিতি আর এই মোহনীয় পরিবেশে গান শোনা বিপিএটিসির ক্যাম্পাসে যে কতটা লোভনীয় ও মনমাতানো!

সেকশন বি

আমাদের ২৪৭ জনকে এ, বি, সি, ডি এই চারটি সেকশনে ভাগ করা হলো। আমি সেকশন বি-তে এলাম। মোট ৬১ জন। এই গ্রুপে সবার মধ্যে পজিটিভ মনোভাব শুরু থেকেই লক্ষ্য করলাম। শুরু থেকে সবাইকে খুব আন্তরিক মনে হলো। ক্লাস রুমে সালাহ খুব বেশি প্রশ্ন করতো। আর এ কারণেই আমজাদ ভাইয়ের নেতৃত্বে একটি ‘ঠেকাও কমিটি’ গঠন করা হলো। তাদের কাজ ছিল যারা প্রশ্ন করেনা তাদেরকে চকলেট খাওয়ানো। নাসরিন আর আমাদের টম এন্ড জেরি আচরণ অর্থাৎ একজন কোন কথা বললে অন্যজনের সমালোচনা করতেই হবে তা সে ভাল বা মন্দ যাই হোক তা আমাদেরকে হাসির খোরাক জোগাতো। ‘ভাল মেয়ে’ রোকসানার সাথে সবার মজা করা, সেনসিটিভ আতিয়াকে খোচানো আর সফটির সফটনেস সব কিছুই ছিল আনন্দের। রেশমা ও মাসুমা আপার আক্রমণাত্মক খেলা, নাজমুনের হাসি, মাকসুদার ছেলেমানুষি, সালমার সরলতা, ফাইটার সুমীর সিরিয়াসনেস সব কিছুই মনে রাখার মতো। হঠাৎ হঠাৎ মোবাস্বেরের গান বা কবিতা উচ্চস্বরে শোনা যেত আর এর সাথে থেকে থেকে ফারজানার গান কখনও কখনও ক্লাস চলাকালীন গুনগুনিয়ে বা ব্রেক উচ্চস্বরে আমাদের যথেষ্ট বিনোদন যোগাতো। ইয়াদুল ভাইয়ের ঘুম, আশরাফ আর মিজান ভাইয়ের অভিনয়, কাজেম ভাইয়ের মজার মজার কথা, আমিনুল ভাইয়ের সিরিয়াসনেস, নয়নদার গান, উত্তমদার সংখম (নিরামিষভোজী), যাদের নাম জায়াগার সীমাবদ্ধতার কারণে লিখতে পারলাম না- তাদের সকলেরই সমানভাবে সকল ব্যাপারে সহযোগিতা করা সত্যিই মনে রাখার মতো। আমজাদ ভাইয়ের উদ্যোগে আমাদের একটা ‘কনসলিডেটেড ফান্ড’ গঠন করা হয়েছিলো যেখানে সবাই একটা নির্দিষ্ট অংকের টাকা প্রদান করতো। সেই ফান্ড থেকে প্রতিদিন সবার জন্য চকলেট বা ম্যাংগোবার বা চুইংগাম কিনে সবাইকে দেয়া হতো।

আমরা যদি না হাঁটি মা কেমনে সকাল হবে

কাকডাকা ভোরে, হাড়কাঁপানো শীতের কুয়াশা ঢাকা শেষ রাত্রিরে রেশমার নেতৃত্বে প্রতিদিন হেঁটে হেঁটে আমরা সকাল ডেকে আনতাম। ৩ কি.মি. হেঁটে আসার পর শুরু হতো এক্সারসাইজ পর্ব। এখানে অনেক মজা হতো। ফারহানার প্রাণখোলা হাসি, রুবাইয়ের ফাঁকি দেওয়ার আশ্রয় চেষ্টা, লাবনীর মজা করে পিটি করা, মাকসুদার ওজন কমানোর প্রাণপণ চেষ্টা, মাহমুদার না পিটি না নাচ- সবই মধুময় স্মৃতি হয়ে থাকবে।

আয় ঘুম আয়

অডিটরিয়ামে ক্লাস চলাকালীন সময়ে কিছু সংখ্যক প্রশিক্ষণার্থীর ম্যারাথন ঘুমে তলিয়ে যাওয়া ছিল দেখার মতো। নিষেধের বেড়া জাল ভাঙ্গার চেষ্টা যে মানুষের নিরন্তর তা এটা দেখলেই বোঝা যায়। এত নিয়ম, এত শাসন কোন কিছুই ঘুমকে ঠেকিয়ে রাখতে পারতো না।

রঙ্গিন মেস রজনী

মেস রজনীকে কেন্দ্র করে বিভিন্ন সাংস্কৃতিক অনুষ্ঠানের আয়োজন করা হতো। এই অনুষ্ঠানের জন্য যে রিহাসাল হতো সেগুলো ছিল বেশ মজার। এ ক্ষেত্রে প্রথম মেস রজনীর কথা না বললেই নয়। এখানে একটা পর্ব ছিলো ফ্যাশন শো। এই ফ্যাশন শো-এর রিহাসাল ছিল বেশ মজার। বিশেষ করে কামরুল ভাই ও মিনা আপার ‘চুমকি চলেছে একা পথে’- এই রিহাসালটি ছিল দেখার মতো। পিএটিসির কল্যাণে শামীম ভাই, নাসিম ভাই, আর মোনালিসা এক একজন সৌখিন থেকে পেশাদার নৃত্যশিল্পীতে পরিণত হয়।

অতঃপর...

২০ ফেব্রুয়ারি আসতে আর খুব বেশি দেরি নেই। শেষ হয়ে আসছে এই মিলনমেলা। অনেকের মতো আমিও উদগ্রীব হয়ে আছি, কবে আসবে সেই দিন যেদিন ফিরে যাবো পরিবারের কাছে, আমার ছেলে আদীব আর তার বাবার কাছে। তারপরও মনে হয় যখন ফিরে যাবো কর্মময় স্মার্টাবিক জীবনে, তখন কি কখনও কোন অলস মুহূর্তে বা কোন অলস বিকেলে ‘২৪ অক্টোবর-২০ ফেব্রুয়ারি’ এই দীর্ঘ চার মাসের স্মৃতি আমাদেরকে নস্টালজিয়ায় আক্ৰান্ত করবে না?

আপন ঘরে পরবাস

মোঃ আমিনুল ইসলাম (রাসেল)

বিসিএস (প্রশাসন), ২৭তম ব্যাচ

বাতাস কেটে তীব্র বেগে এগিয়ে চলছে গাড়ি। রাস্তার দু'পাশের ঘর বাড়ি, গাছ-পালা পিছন দিকে যেন অদৃশ্য হয়ে যাচ্ছে। দুপুরের কাঠফাটা রোদ হার মেনে যাচ্ছে কানের পাশে বাতাসের শোঁ শোঁ শব্দের কাছে। বাতাসের গতির বিপরীত দিকে এগিয়ে চলা আকাশের কাছে এ বাতাসকে মনে হচ্ছে শেলীর কবিতার 'ওয়েস্ট উইন্ড' এর মতোই, পুরোনো সব কিছু তছনছ করে নতুন করে গড়বে যেন তার জীবন। আজকের পর থেকে আকাশের বুকে আর কোন বৃষ্টি থাকবেনা, সব ঝরে শেষ হয়ে যাবে। অনেক চেষ্টা করে বৃষ্টিকে শেষ বারের মত কথা বলতে রাজি করানো গেছে।

কী বলবে আকাশ বৃষ্টিকে? বৃষ্টি কি আকাশের যুক্তি শুনবে? ও যদি যুক্তিই শুনত তাহলে তো এমন হবার কথা ছিলনা। মনে মনে কথা গুছিয়ে নিচ্ছে আকাশ। কল্পনায় বারবার বৃষ্টির সাথে যুক্তি পালাই যুক্তির মহড়াও করে নিচ্ছে। কিন্তু মনের গহীনে একটি আশংকাই বারবার বেশি করে উঁকি দিচ্ছে, আকাশের যুক্তি হার মেনে যাবে বৃষ্টির মায়ের জেদের কাছে। জেদ কোন যুক্তি মানেনা।

হ্যালো, হ্যালো জাকির ভাই, হ্যাঁ, আপনি পৌঁছেছেন? আচ্ছা ঠিক আছে, আমি রাস্তায়, একটা জরুরি কাজে যাচ্ছি। পৌঁছে আপনাকে ফোন দিচ্ছি। আচ্ছা, ওকে, থ্যাংক যু

রোদ, মেঘ, বাতাসের কোলাহল আকাশজুড়ে, আকাশ জানেনা শেষ পর্যন্ত কি হতে যাচ্ছে আজ। ষষ্ঠ ইন্দ্রিয় বলছে, পারবেনা জাকির ভাই, পারবেনা আকাশের যুক্তি। আকাশ বৃষ্টিকে বেশিক্ষণ ধরে রাখতে পারবেনা। ষষ্ঠ ইন্দ্রিয় অনেক সময় আগাম সত্য বলে দেয়।

কাঁচা রাস্তার মোড়ে ব্রেক কষল গাড়ি। একজন এসে গাড়ির দরজা খুলে বলল আকাশকে, স্যার এখন একটু হাঁটতে হবে। একটা খাল চলে গেছে ধানের জমির মধ্যে দিয়ে। তার উপর দুটো লম্বা বাঁশ পাশাপাশি রেখে সাঁকো বানানো হয়েছে। সাঁকো পার হয়ে কাঁচা রাস্তার পথ। গাড়ি ভর্তি পুলিশ আর একজন ম্যাজিস্ট্রেট দেখে গ্রামের মানুষ রাস্তার দু'পাশে ভিড় করেছে। আকাবাকা পথ ধরে কিছু দূর এগিয়ে যাওয়ার পর একজন বলল 'আমরা এসে পড়েছি'। প্রায় দু'শ গজ ভিতরে একটি বাড়ি, তিন পাশে ধানের জমি। বাড়িটি চোখে পড়ল আকাশের। শুধু একটি ঘর। দু'চালা বাংলা। দুপুরের সূর্য তখন মাথার উপরে। একজন মহিলা চুলায় তখনও ভাত রান্না করছে। জিনিসপত্র গুছিয়ে একটু দূরে খোলা জায়গায় স্তুপ করে রাখা হয়েছে। বাড়িটিতে আশে পাশের অনেক নারীপুরুষও জড়ো হয়েছে।

আকাশ তার দলবল নিয়ে পৌঁছানো মাত্রই বাড়িওয়ালা এক মধ্যবয়সী লোককে ডেকে নিয়ে কোর্টের ডিক্রি দেখাল। অল্পসময়ে বাড়ি থেকে স্থাপনা সরিয়ে নেয়ার নির্দেশ দিয়ে পুলিশ অফিসারকে প্রয়োজনীয় নির্দেশনা দিল যাতে কোন ধরনের শান্তি শৃংখলা ভঙ্গের পরিস্থিতি তৈরি না হয়।

ডিক্রিপ্রাপ্ত পক্ষের লোকজন তাদের দলবল কামলা, মিস্ত্রী নিয়ে প্রস্তুতই ছিল। তারা সাথে সাথে নেমে পড়ল প্রতিপক্ষের সব স্থাপনা সরিয়ে ফেলার কাজে। হঠাৎ রীতিমত হটগোল শুরু হয়ে গেল। কেউ চিৎকার করছে, মহিলারা কেউ কেউ কাঁদছে, কেউ কেউ মামলায় হেরে যাওয়ায় বিপক্ষ দলকে শাপশাপান্ত করছে। পুরুষদের দু'চার জন ঝগড়ার মতো পরিস্থিতি তৈরি করছে।

'গাছগুলো কী দোষ করল? গাছগুলো থাকলেও তো উনাদের ক্ষতি হতনা। শত্রুতা কি গাছের উপরও খাটাতে হবে। দেখেন ছার, আমরা সারাদিন পরিবেশ পরিবেশ করি, আর এই বাচ্চা গাছ গুলোও তারা কেটে ফেলছে।' 'গাছগুলো থাকলে বড় হওয়ার পর ওগুলো নিয়ে আবার নতুন করে ঝগড়া হতে পারে। তার দরকার কী? ঝামেলা একবারেই শেষ করে ফেলা ভাল। আকাশ শুনতে পেল তার কাছেই দু'জন বুড়ো লোক নিজেদের মধ্যে আলোচনা করছে, যাদের একজন নিজেকে একটু আগে মেস্বার বলে পরিচয় দিয়েছিল।

'আল্লায় সহিবেনা এ অবিচার। ডিক্রি তাদের পক্ষে গেছে তো কি, আমরা তো জানি আসল ঘটনা কী? দেশে ন্যায় বিচার নাই, ওদের ট্যাকার জোর আছে। ট্যাকা দিয়া সব কেনা যায়।' 'হায়, হায়, লোকটার কপাল খারাপ। বেচারার বিদ্যাশ থাইক্যা এত কষ্ট কইরা ট্যাকা রোজগার কইরা জাগা কিনল হেইডাও দখলে রাখবার পারলনা। একবারে নিঃশ্ব হইয়া গেল। ব্যাচারার বউ পোলাপান লইয়া কই যাইবো?'

'ম্যাজিস্ট্রেট পুলিশ আছে দেইখা কেউ কিছু বলতাহেনা। এরা গেলে তহন কী অইব। আবার মারামারি লাগব। লোকটারে আগেই কইছিলাম জায়গাটার মইদ্যে ভ্যাজাল আছে। অহন ট্যাকাও খোয়াইল জাগাও হারাইল।' নানান জনের নানা রকম মন্তব্য কানে আসছে।

ডিক্রিতে হেরে যাওয়া লোকটা বিধ্বস্ত মুখে এক পাশে বসে আছে। তার বয়স যেন হঠাৎ দশ বছর বেড়ে গেছে। চোখ দুটো রক্ত লাল, বর্ষার পুকুরের মত পানিতে টাইটুমুর। আকাশ তাকে ইশারায় কাছে ডাকলো।

কত টাকা দিয়ে বাড়িটা কিনেছিলেন?

'নয় লাখ'।

বিদেশে ছিলেন মনে হয়। কোথায় ছিলেন?

‘কুয়েত’।

এখন কী করেন?

‘ডেকোরেটরের ব্যবসা’।

কতদিন মামলা চলছে?

‘ছয় বছর’।

কত খরচ হয়েছে?

‘ছয়-সাত লাখ’।

ওদের কত খরচ হয়েছে?

‘আমার মতই, ছয়-সাত লাখ’।

আকাশ হিসাব করল। এইটুকু জায়গা নিয়ে দু’পক্ষ ইতোমধ্যে বারো-চৌদ্দ লাখ টাকা খরচ করেছে, কিন্তু জায়গার দাম তার চেয়ে অনেক কম।

বিবাদ কেন?

‘আমরা জায়গা কিনছি যে লোকের কাছ থেকে ওরা দাবি করে ওরা আগে তার কাছ থেকে জায়গা কিনেছে’।

আপনি জানতেন না?

‘আমরা জানতাম এই জায়গার মধ্যে কোন ভ্যাজাল নাই’।

আচ্ছা, যান। এখন আর মারামারি কইরেন না। কোর্ট কাগজপত্র দেখে যা সঠিক মনে করেছে তাই রায় দিয়েছে। এখন নতুন করে বিবাদ করলে আপনাদের আরো ক্ষতি হবে।

‘না ছার, আমি এর শেষ দেইখা ছাড়ুম। হাইকোর্টে যামু’।

টাকা পাবেন কই?

‘আমার আরো দুই ভাই কুয়েত থাকে। ওরা বলছে, যত টাকা লাগে আমরা পাঠামু, তবু এই জাগা ছাইড়েন না’।

ও! তা তাদের টাকা মামলার পিছনে খরচ না করে ভাল একটা বাড়ি কিনে বসবাস করেন। এখন জেদ করলে আপনাদেরই ক্ষতি হবে। ‘দেখা যাক, আমরা মাইরও খামু, বাড়িও হারামু, তা অইবনা’।

আকাশ দেখল তাদের এখনও যেহেতু হুঁশ হয় নাই আর জ্ঞান দিয়ে লাভ নাই। আসলে ম্যাকিয়াভেলির কথাই সত্য— মানুষ নিজের বাপের কথা ভুলে যায় কিন্তু বাপের সম্পত্তির কথা ভোলে না।

হ্যাঁ জাকির ভাই, আচ্ছা বলেন; ও কী বলে? সম্ভব না? আমার সাথে কথা বলবেন? কেন? বাবা-মা বলতে দিবেনা? ওর ফোন নিয়ে নিয়েছে? কিন্তু ও কী বলে? বাবা-মার ইচ্ছার বাইরে যাওয়া সম্ভবনা? কিন্তু... কিন্তু ও তো বলেছিলো বাবা-মা যাই বলুক ও ঠিক থাকবে। এখন বলছে সম্ভব না? বাবা-মায়ের সিদ্ধান্তই ওর সিদ্ধান্ত? তাহলে আমাকে এ-কথা আগে বলেনি কেন? ও কেন বলেছিল আমি একাই সিদ্ধান্ত নেব? কী? ওর বাবা মা ওর জন্য অন্য ছেলে ঠিক করেছে? ও কী বলে? বাবা মায়ের সিদ্ধান্তই ওর সিদ্ধান্ত? সব ভুলে যেতে বলেছে? আমার কাছে যা কিছু আছে সব ফেরত দিতে বলেছে?

মিস্ত্রী কামলারা বাঁশ, খুঁটি গাড়াচ্ছে। কয়েকজন আলপিন দিয়ে টিন আটকাচ্ছে। একজন মাটি ফেলছে, দুইজন মাপজোখ করছে। কয়েকজন চালা ধরে উঠিয়ে দিল। কিছুক্ষণের মধ্যেই নতুন একটি ঘর দাঁড়িয়ে গেল।

‘ঠিক আছে ভাই, আমি দুঃখিত। বাদ দেন, আমি অনেক চেষ্টা করলাম। ওরা কিছু বুঝতে চায় না। ওরা আসলে এখন সব উত্তেজিত। আপনি সব ভুলে যান। ও আপনার সম্পর্কে কোন কথা বলতে চায় না। ও সব ভুলে যেতে চায়।’

‘শেষ?’ জী স্যার। দখল বুঝিয়ে দিয়েছি। ওদের বলে দিয়েছে কোন গ্যাঞ্জাম না করতে। চলেন স্যার। এই ভাই, এদিকে আসেন, এই যে এখানে স্বাক্ষর দেন।’

‘ওদের আসলে ঐ ছেলেটা পছন্দ, ঢাকায় বাড়ি আছে’। তাই বলে তারা মেয়ের পছন্দ অপছন্দের মূল্য দিবে না? ‘আসলে আমিও বুঝলাম না ও হঠাৎ করে এমন চেঞ্জ হইল ক্যামনে?’ আচ্ছা জাকির ভাই, তাহলে আমার সাথে এতদিন এ অভিনয়ের কী দরকার ছিল? আর আমাকে অন্তত বলতে পারত ওর বদলে যাওয়ার কী কারণ?

‘আসলে হয়তো কেউ ওদের ভুল বুঝাইছে। ও যেহেতু ভুলে যেতে চায়, আপনিও ভুলে যান’।

ঠিক আছে চেষ্টা করব। জাকির ভাই, আপনার সাহায্যের জন্য ধন্যবাদ।

আদালতের ডিক্রিতে দখলদারকে উচ্ছেদ করা শেষ। আকাশের বুক থেকে বৃষ্টিকে উচ্ছেদ করে দিয়েছে তার বাবা মা। মানুষ বসত থেকে উচ্ছেদ হলে হয় বাস্তহারা, আর হৃদয় থেকে কাউকে উচ্ছেদ করা হলে কী হয়? সর্বহারা? আকাশের এখন নিজেকে সর্বহারা মনে হচ্ছে।

গাড়ির সিটে হেলান দিল আকাশ। গতি বাড়ছে গাড়ির। পড়ন্ত বিকেলের আকাশে মেঘ জমেছে অনেক আগেই। গুড়ি গুড়ি বৃষ্টি শুরু হয়েছে। আকাশের মনে হলো সব মেঘ বৃষ্টি হয়ে বারে যাক আকাশ থেকে। বৃষ্টি আকাশকে বলেছে তাকে ভুলে যেতে। কিন্তু ‘ইচ্ছে করলেই সব কিছু ভোলা যায় না, জীবনের কিছু স্মৃতি মেঘ হয়ে ভেসে বেড়ায়, কষ্ট ঝরায়, তবুও শেষ হয় না’।

পিছনের সব স্মৃতি মিছিলের মতো জড়ো হয়ে আসছে আকাশের চোখের সামনে। ঝাপসা হয়ে যাচ্ছে তার দৃষ্টি।

বিদেশে ছিলেন মনে হয়। কোথায় ছিলেন?

‘কুয়েত’।

এখন কী করেন?

‘ডেকোরেরটরের ব্যবসা’।

বিসিএস (নিরীক্ষা ও হিসাব), ২৭তম ব্যাচ

‘স্বাধীনতাহীনতায় কে বাঁচিতে চায়?’ কিন্তু আমরা এখনও বেঁচে আছি। ২৩ অক্টোবর, ২০১০; স্থান: বিপিএটিসি অডিটরিয়াম; পরাধীনতা কাকে বলে, কত প্রকার ও কি কি উদাহরণসহ সেদিনের আগে এতো ভালভাবে কেউ বুঝায়নি। কায়েস স্যার সুনিপুণভাবে প্রথম রাতেই বিড়াল মারলেন। আমি বুঝতে পারলাম, ভুল জায়গায় প্রবেশ করেছি। সোজা রাস্তায় চলতে দেরি হয় বলে সর্বদাই কৌনিক পথে চলা আমার অভ্যাস, সেই আমি কিভাবে সুবোধ বালিকার ন্যায় লাইন ধরে ডানদিকে হেঁটে চলব? মনে হাজার প্রশ্ন এসে আমাকে তখনই আক্রমণ করা শুরু করল। এসে যখন পড়েছি তখন এর শেষ না দেখে ছাড়ছি না এই ভাবনায় একটু বিদ্রোহী হয়ে উঠলাম। পরদিন থেকে যুদ্ধে নেমে গেলাম। বার বার ভুলে ডান দিক ছেড়ে মাঝ পথে চলে আসি, যখনই মনে পড়ে যায়, আশে-পাশে তাকিয়ে দেখি কোন Course Coordinator দেখল কি না।

কিছুদিনের মধ্যেই বিপিএটিসির কিছু সূক্ষ্ম বিষয় উদঘাটন করলাম। সবকিছুর মধ্যেই কেমন জানি ত্রিমুখী সত্ত্বা কাজ করে। Course Coordinator গণ কখনও চরম, কখনও গরম আবার কখনও তুলার মতো নরম আচরণ করেন। ক্লাস নিতে এসে Lecturer গণও তিনটি পছন্দ গ্রহণ করেন- বাংলা, ইংরেজি ও বাংলায় উত্তর দিচ্ছেন। Participants রাও তিন ধরনের চরিত্রের অধিকারী- ক. অতি সিরিয়াস (রেস্টার মেডেল প্রত্যাশী) খ. অল্প সিরিয়াস (টপ থার্ড প্রত্যাশী) এবং গ. নন-সিরিয়াস (চাকুরি স্থায়ীকরণ সার্টিফিকেট প্রত্যাশী)। আমার মতে-

Last Category (নন সিরিয়াস) আছে সবচেয়ে সুখে,

নেই কোন tension

সুযোগ পেলে কফি শপে বসে

বাড়াচ্ছে inter cadre relation

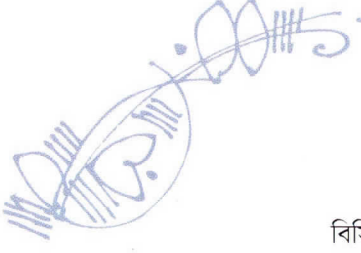

শ্রেণীকক্ষে তিন ধরনের Participants পাওয়া যায়; যারা চরমভাবে ঘুমান (নাক ডাকেন), যারা মধ্যম ঘুমান (এমনভাবে ঘুমান যাতে মনে হবে মনোযোগ দিয়ে ক্লাস শুনছেন, অনেক সময় হাতে কলমও ধরে রাখেন) এবং যারা স্বল্প ঘুমান। এই একটি মাত্র ক্ষেত্র যেখানে ফ্যাকাল্টির কিছুটা liberal. অনেকে বলেন ঘুমানো যাবে কিন্তু নাক ডাকা যাবেনা। PT করতে গিয়েও তিন ধরনের ব্যক্তির দেখা পাওয়া যায়। কেউ হাটেন Inter City’র গতিতে আবার কেউ Local train আর এক গ্রুপ ঠেলা গাড়ির মতো ঠেলে ঠেলে যান। যেভাবেই হাটুক না কেন, এটা স্বীকার করতেই হবে এখানে এসে ইচ্ছায় বা অনিচ্ছায় সকলের গতি বেড়ে গেছে। কারণ গতিহীনতার জন্য পদে পদে পুরস্কারের ব্যবস্থা আছে। ভোরবেলা তাড়াতাড়ি তৈরি হবার জন্য রাতেই PT-র ড্রেস পড়ে ঘুমাচ্ছি। অনেকে হয়তো জুতা পায়ে দিয়ে ব্রাশটা হাতে নিয়েই ঘুমান Risk থেকে বাঁচার জন্য। পাগলা ঘন্টা বাদক কী ভুল করে কোনদিন ঘন্টা বাজাতে ভুলে যেতে পারেন না?

পাতলা কাগজ এর ভয়ে অনেকের ভয় অসহনীয় পর্যায়ে চলে গেছে। অতি ভয়ে বেশ কিছু পার্শ্ব প্রতিক্রিয়া হচ্ছে। মাইকের সামনে গেলে মনে হয় brain collapse হয়ে যায়, মুখে মনে হয় কেউ super glue দিয়ে দিয়েছে আর হাতে পায়ে শুরু হয় কম্পন। চেনা মানুষগুলোকে মনে হয় যেন কোনদিনও তাদের দেখিনি। নিজের রোল প্রায়ই ভুলে গিয়ে PT ক্লাসে অন্যের রোল বলে দিই। একদিন বিকেলে দেখি ‘একপায়ে মোজা আমার অন্য পা খালি’। মোবাইলগুলোও যেন ভয় পেয়ে উল্টো-পাল্টা আচরণ শুরু করে দিয়েছে। বন্ধ করা মোবাইলও কীভাবে জানি বেজে উঠে।

বিপিএটিসি দিয়েছে বেগ, কেড়ে নিয়েছে আবেগ। দীর্ঘ বিচ্ছিন্নতায় পারিবারিক সম্পর্কের থ্রেডিং নিম্নমুখী (নিজের সন্তান আমাকে আন্টি ডাকছে)। এখানকার পরীক্ষার নম্বরের কথা ভাবতে ভাবতে family exam এ ফেল করে যাচ্ছি। ইতোমধ্যে শো-কজও পেয়ে গেছি family থেকে। চাকুরি স্থায়ীকরণের জন্য আর কত ত্যাগ করতে হবে? মনে হচ্ছে ‘চাকুরি অর্জনের চেয়ে রক্ষা করাই বেশি কঠিন’।

এখানে এসে অবাক হবার মতো বিষয় লক্ষ্য করলাম- অতি চাপে brain এর অলস সেলগুলো যেন activate হয়ে যাচ্ছে। এত load নিবার ক্ষমতা যে আমাদের আছে তা নতুনভাবে আবিষ্কার করলাম। সদিচ্ছা থাকলে বা সঠিক জাগানিয়া পেলে আমরা স্বাভাবিকের চেয়ে কয়েকগুণ বেশি গতিতে কাজ করতে পারি। আমাদের ভিতর এত resource তা আমরা নিজেরাই জানিনা। এগুলোর পরিচর্যা যদি সঠিকভাবে করতে পারি আমাদের দেশটা তখন কী হবে। এই প্রশিক্ষণ তখনই সফল হবে যখন এখানকার শিক্ষাগুলোর অন্তত শতকরা ৫০ ভাগ কর্মক্ষেত্রে কাজে লাগাতে পারবো।

আমরা অভ্যাসের দাস। চিরাচরিত অভ্যাসগুলোকে ত্যাগ করে কঠোর নিয়মের মধ্যে ঢুকে পড়ে বারবার ভুল করছি, বকা খাচ্ছি, পাতলা কাগজও উপহার পাচ্ছি তবু স্যাররা যখন আমাদের খুব প্রশংসা করেন সব কষ্ট বেদনা ভুলে স্বপ্নের জাল বুনা শুরু করি। আন্তঃ ক্যাডার সম্পর্ক ধরে রাখব এবং একে ভিত্তি হিসেবে ধরে এখানকার দীক্ষা পাথেয় হিসেবে নিয়ে আমরা নব জাগরণ ঘটাব।

কেন এমন হয়?

রোকসানা আহমেদ

বিসিএস (তথ্য), ২৫তম ব্যাচ

বাবার কথায় চিন্তার ছেদ পড়ল শাম্মীর। রিকশায় যেতে যেতে তাকে ঢাকা শহর চিনাচ্ছিল বাবা আর সে চিন্তিত ছিল তার বিশ্ববিদ্যালয় ভর্তি পরীক্ষা নিয়ে। মাত্র ত্রিশ মিনিট বাকী পরীক্ষা শুরু হতে। এখনও অনেকটা পথ, তারপর আছে পরীক্ষার হল খুঁজে পাওয়া। বিশাল ঢাকা বিশ্ববিদ্যালয় ক্যাম্পাসের কোন বিল্ডিং-এ সিট পড়েছে তাও জানা নেই। গন্তব্য তাই কার্জন হল। সেখান থেকে সিট প্ল্যান জেনে পরীক্ষার হল খুঁজে নেওয়া। মেজাজ ক্রমশই খারাপ হচ্ছে। এরই মাঝে পাশ থেকে বাবা বললেন এটা হচ্ছে সচিবালয়। বাংলাদেশের প্রশাসনের প্রাণকেন্দ্র। ঐ মুহূর্তে সচিবালয় কেন এত গুরুত্বপূর্ণ সেটাও বোধগম্য হচ্ছিল না। মনে তার আশংকা সময়মতো যেতে পারবে তো। দেশের সর্বোচ্চ শিক্ষা প্রতিষ্ঠানে ভর্তি হতে পারবে তো। এমনিতাই মেডিকলে ভর্তি হতে না পেরে পড়াশুনার প্রতি আগ্রহই নষ্ট হয়ে যাচ্ছিলো। এখন ঢাকাতে ভর্তি হতে না পারলে কি হবে ভাবতে পারছে না। এছাড়া ছোটবেলা থেকেই পরীক্ষাকেই যতো ভয় ছিলো দুরন্ত এই মেয়েটির। সবকিছু জেনেও কেন তিনি এতো কথা বলছেন? বিরক্ত হয়ে কঠিন কিছু কথা বলেই ফেলেছিল প্রায়। কিন্তু পরীক্ষার কথা ভেবে বিরক্তি চেপে রাখল। কিছুক্ষণ পর বাবা আবার বললো এটা হচ্ছে হাইকোর্ট মাজার আর বামদিকে কার্জন হল। এবার মন কিছুটা শান্ত হলো।

আজ বহু বছর পর পিএটিসি থেকে বাস ছেড়েছে সচিবালয়ের উদ্দেশ্যে। চাকুরিতে প্রবেশের পর এই প্রথম সচিবালয়ে যাওয়া। শীতের সকালে হিম হিম ঠান্ডায় চাদর মুড়ি দিয়ে বাসে বসে অনেক বছর আগের সেই দিনটির কথাই ভাবছিলো শাম্মী। বাবার কাছ থেকেই প্রথম সচিবালয় চেনা। সেদিন সচিবালয় দেখিয়ে হয়তো তিনি তার মনের কথাটাই জানাচ্ছিলেন। বাবার মনে অনেক আশা ছিলো, তার মেয়েরাও পড়াশুনা শেষ করে একদিন সরকারি কর্মকর্তা হবে। খুবই সাদামাটা আশা। সরকারি কর্মকর্তা বাবা এরচেয়ে বেশি আর কিইবা আশা করতে পারেন।

নিয়তির কী পরিহাস! একেবারে ইচ্ছে না থাকা সত্ত্বেও সমাজে মেয়েদের অবস্থান ও পারিপার্শ্বিক অবস্থার কথা চিন্তা করেই সরকারি চাকুরিতে প্রবেশ করেছিলো শাম্মী। তাও আজ প্রায় বছর পাঁচেক হতে চললো। এখন আর সরকারি চাকুরি ছাড়া অন্য কিছু ভাবতেই পারে না সে। দুঃখ একটাই; এ দিনগুলো দেখে যেতে পারেনি তার বাবা। তার অনেক আগেই তিনি চলে গেছেন সব কিছুর উর্ধ্বে। যাবার সময় অনেক অপ্রাপ্তি নিয়েই গিয়েছিলেন তিনি। প্রাণের চেয়ে প্রিয় তার ছোট ছোট ছেলে-মেয়েগুলিকে তিনি অকুল পাথারে ভাসিয়ে দিয়ে গিয়েছিলেন, একা করে দিয়েছিলেন এই বিশাল জনসমুদ্রের রাজধানী ঢাকায়। আজ তারা যার যার অবস্থানে মোটামুটি প্রতিষ্ঠিত। অপূর্ণতা শুধু একটাই, আজ তাদের বাবা নেই। মানুষের জীবন বোধ হয় এমনই হয়। এক জীবনে মানুষ তার সব আশা পূর্ণ করতে পারেনা। কেউ অপূর্ণতা নিয়ে চলে যায় আর কেউ কেউ পূর্ণ হয়েও অপূর্ণ থেকে যায় সারা জীবন। কেন এমন হয়?

Carbon Trading: A new avenue for bringing economic benefit to the country

Chowdhury Sujan
BCS (Administration), 27th Batch

Context

In recent times, carbon trading seems to have become a buzzword for our intelligentsia. Today, the effect of global climate change is clear to all and it is clearly dangerous for developing countries like Bangladesh. The technology dominated economies like US, EU are mostly dependent on energy produced from fossil fuels. It is well known that fossil-fuel burning is continuously adding the Green House Gases (GHGs) to the atmosphere, thus creating global warming. Among the GHGs, the concentration of CO₂ has been confirmed as the largest. So trapping of atmospheric carbon and reduction of its emission is equally important.

Carbon Trading: what does it mean ?

The Kyoto Protocol, an international agreement that aims to deal with the threat of global warming, is the first scheme that includes global trading in greenhouse gases. The Protocol allows some countries to reach their emission-reduction targets through some "Flexibility Mechanisms," namely "Emission Trading" (trading of emissions among developed countries), "Joint Implementation" (transferring emission allowances among developed countries) and Clean Development Mechanism, popularly known as CDM which brings the developing countries in emission trading. CDM is the only flexibility mechanism that allows developed countries to achieve a part of their reduction obligations through investing in such projects in the developing countries which can reduce GHG emissions or fix or sequester atmospheric CO₂. The developing countries can also carry out such emission-reduction projects with their own funds. These reductions are then converted to Certified Emission Reductions (CERs) and the developed countries can now buy these CERs to meet their emission-reduction targets. Since GHG reductions are measured in terms of CO₂, this has been aptly called 'Carbon Trading' or 'Emission Trading'. Actually 'carbon trading' is a market mechanism intended to tackle global warming around the world. The trading is legitimized by the CDM of the aforesaid Protocol. Under the Protocol, each participating country has its own national limit for CO₂ emissions. If a country goes beyond its limit, it can buy carbon credits from others who have surplus. As Bangladesh is the least polluter but worst sufferer, it can take economic benefit from selling its extra carbon credits to the higher polluters through CDM, which is the only flexibility mechanism for the developing countries in the protocol.

How to trade: the Procedure

A company from the developed country, or its local partner, that wishes to get credits from a CDM project must first submit the project for approval to the Designated National Authority (DNA) in the host country. The proposal is then put before the CDM Executive Body, which is designated by the United Nations Framework Convention on Climate Change (UNFCCC), to approve the award of CERs. The applicant must prove the 'additionality' of the project. 'Additionality of a project' means to ensure that the project reduces emissions more than that would have occurred in the absence of the project. The project is then validated by an external auditor, known as the Designated Operational Entity (DOE), which has been approved by the UNFCCC. If a project is approved, the Executive Body issues CERs, or carbon credits, where each unit is equivalent to the reduction of one metric ton of CO₂. The CERs are now ready to be sold in the global carbon market.

Global Carbon Market: Carbon is a Commodity !

Kyoto protocol legally binds the parties to the protocol to reduce their GHG emissions. If a country cannot meet its GHG reduction targets, it can buy credits from other countries that have

credits in excess. As a result, carbon has become a commodity, which like other commodities, is traded in open market, and called carbon market. Global carbon market was worth US\$64 billion in 2007 and US\$118 billion in 2008, and is still growing at a very fast pace.

Carbon Trading: A new Avenue to Economy

CDM projects have had a quite start in Bangladesh, with several local NGOs implementing projects in areas such as landfills, gas, promotion of energy efficient lamps, solar energy etc. But, still there are many sectors to be explored on which we can take emission-reduction projects under CDM. The prospects of carbon trading have not been able to capture the imagination of our businessmen yet, as they have in other countries. In November 7, 2010 'The Daily Prothom Alo' published an amazing report on carbon trading headlined by 'Carbon worth Tk. 15000 crore'. The report says : "Almost 5.6 crore Metric tons of carbon have been stored or sequestered in the trees, soil and other biological elements of Sundarbans. In the last fourteen years, the forest increased its carbon storage by two times. Bangladesh can earn huge money from the global carbon market by presenting this fact. The country can get a fund not less than taka fifteen thousand crore or taka one hundred and fifty billion from the 'carbon fund' raised by UN and other multinational companies. At present the price of each ton carbon is US\$4 to US\$5 in Chicago Carbon Market and in CDM project driven market it accounts US\$25 to US\$30." Many companies are looking forward to making profit and expanding their businesses through implementing CDM projects in the country. With the expansion of global carbon market, carbon trading opens new avenues to earning foreign currency. To avail the full potentiality of the market, we have to develop our knowledge, scientific capacity and technologies to assess how much atmospheric carbon we can sequester or trap through reforestation and other means so that we can properly address our share in global carbon trading. At the same time, we have to develop a high-power negotiation team comprising policy makers, academicians and technical experts for playing strong role in any international discourse on climate change issues.

Controversy: Is it a proper solution to mitigating Climate Change ?

The basic premise of carbon trading is that the polluters can pay someone else to clean up their mess. The whole trading scheme actually represents a means to shift responsibility of taking action for tackling climate change to Southern countries. Emission trading is designed in such a way that the targets, in many cases, can generally be met without actual reductions taking place. Hence there are lots of controversies over the issue in the developing as well as developed world. On this backdrop, the international community should come forward with necessary modifications in the strategies designed to mitigate climate change over the world. The actual share in climate change and the responsibility for mitigating it are intertwined and hence the developed world has to be committed to reduce their actual emission by limiting their habit of unlimited consumption of the non-renewable resources.

Final Comments

The developing countries like Bangladesh that contribute less in climate change but suffer more, are now very much active in any international discourse on climate change mitigation in claiming compensation to be given directly to them by the developed world. Since Bangladesh is one of the lowest GHGs emitting countries (per-capita CO₂ emission is 0.3 Metric Ton/year) as compared to United States (per-capita CO₂ emission is 18.9 Mt/year), we have the opportunity to use this fact to our advantage. At the same time, Bangladesh could be one of the potential countries to be benefited economically from carbon trading. It is high time the policy makers in the public as well as in private sector took the lead in generating more innovative projects that attract investment from buyers of CERs. There are many sectors yet to be explored from which we can earn CERs. So carbon trading under CDM will provide us monetary reward as well as facilitate the emission-reduction and bring the country to the global carbon market worth more than US\$100 billion at present.

White Collar Crime: The Present Scenario in Bangladesh

Md. Kamruzzaman
BCS (Police), 25th Batch

Introduction

Ever since the dawn of human civilization, crime has been a baffling problem. There is no society which is not beset with the problem of crime. Crime is any form of conduct which is declared to be socially harmful in a state and as such forbidden by law under pain of some punishment.

What is "white collar crime"?

Crime committed by persons of respectability and high social status in course of their occupation is called "White Collar" crime. Such anti-social activities of persons of high status committed in course of their profession must be brought within the category of crime and should be made punishable. It is true that "Power tends to corrupt and absolute power tends to corrupt absolutely."

Different types of "white collar crime" prevailing in Bangladesh

White collar criminality has become a global phenomenon these days. Like any other country, Bangladesh is equally in the grip of such criminality. The reason for enormous increase in white collar crime in recent decades is to be found in the criminalization of political process committed by persons of respectability such as businessmen, industrialists, public representatives, contractors and suppliers as also the corrupt public officials. The white collar crimes common in our society are hoarding, profiteering, black marketing, violation of foreign exchange regulations and import export laws, adulteration of foodstuffs and drugs, tax-evasion etc.

Some of the professions involving technical expertise and skill provide sufficient opportunities for such criminality. Offences commonly committed by persons belonging to medical profession include issuance of false medical certificate, doing illegal abortions, secret service to criminals by giving expert opinion leading to their acquittal, selling sample-drugs and illegal drugs to patients or chemists and illegal involvement in private hospital-clinic business and get commission of profit by referring for different medical tests, etc.

In the engineering profession, underhand dealings with contractors and suppliers, passing of sub-standard works and materials and maintenance of false records of work-charged labour are reported in every day's newspapers. Construction of buildings, roads, canals, dams and bridges with low-standard materials not only endangers public safety but also results in huge loss to public exchequer.

The deteriorating standards of legal education and some unethical practices resorted to by the members of legal profession are mainly responsible for the degradation of this profession although it is still considered to be one of the noblest vocations. The instance of fabricating false evidence, engaging professional witnesses, violating ethical standards of legal profession and dilatory tactics are some of the illegal and unethical practices. But maximum number of lawyers is most sincere and honest in their profession commanding great respect from all sections of society.

Another field where such criminals operate with impunity are educational institutions in this country. The governing bodies of these institutions manage to secure large sums by way of government grants or m.p.o aid by submitting fictitious details.

In order to assume political power and party's victory at polls, the politicians generally seek the support of notorious offenders and utilise them for illegal practices to accomplish their political ends.

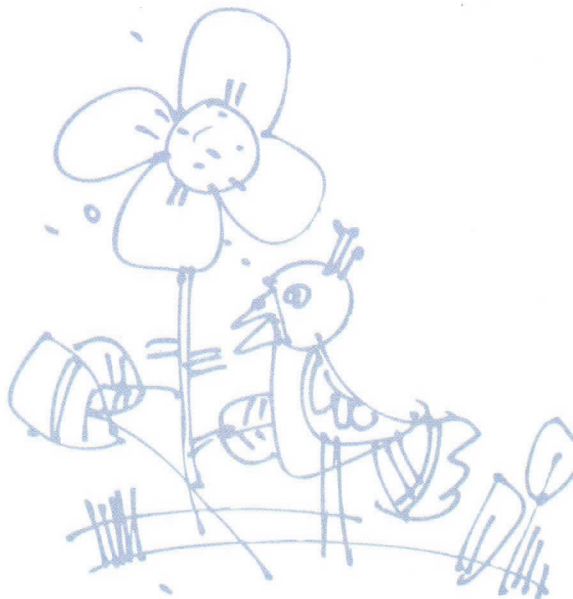

Recommendations

Besides being a social problem, white collar crime is also a legal problem. Control of these crimes is crucial problem for the criminal justice administration in this country. However, some of the remedial measures for combating white collar criminality are:-

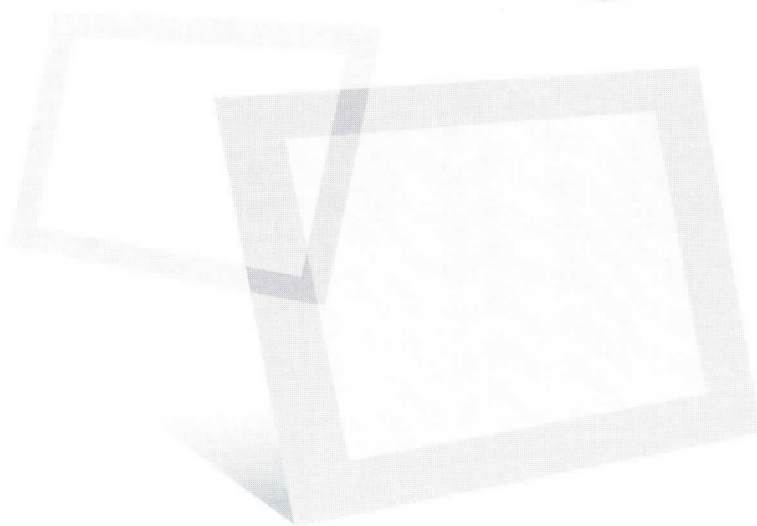

- (1) Creating public awareness against these crimes in reducing the incidence of these crimes to a considerable extent.
- (2) Special Tribunals should be constituted with power to award sentence of imprisonment up to fourteen years for white collar criminals.
- (3) Stringent regulatory laws and drastic punishment for them, even legislations with retrospective operation may be justified for this purpose.
- (4) A separate chapter on white collar crimes should be incorporated in the penal code by amending the code so that those who are convicted by the court do not escape punishment because of their high social status.
- (5) White collar offenders should be dealt with sternly by prescribing stiffer punishments keeping in view the gravity of injury caused to society because of these crimes.
- (6) Strengthening the Anti-Corruption Commission (DUDAK) which may squarely tackle the problem of crime and criminality in all its facets.

Conclusion

Summing up, the heterogeneity of our life has destroyed the earlier congenial social complex of the society creating fertile ground for criminality. The criminalisation of our politics in recent years has made the crime situation still worse as evident in scams, corrupt practices, bomb-blasts, political murders, crimes by the political student wings and all sorts of violent activities.
